Tips for listing your business in the Source Directory

- Provide contact information that makes it as easy as possible for consumers to get in touch with you or your business.
 - Provide your hours of operation or the best times to contact you.
 - Let consumers know if you accept special orders.
 - Let consumers know if you accept credit cards.
 - Be as specific as possible when describing what you offer for sale.
- If you are a member of a professional business organization mention it in your listing.
