

Narrative of Revisions

The purpose of the Narrative of Revisions is to clearly indicate revisions to a collection since the previous approval

Collection Title: Plan Approval and Records for Load Line -- Title 46 CFR Subchapter E

OMB Control No.: 1625-0013

Current Expiration Date: 10/31/2011

Collection Instruments: Instructions

The change in burden hours is an ADJUSTMENT. There is no proposed change to the reporting and recordkeeping requirements of this collection. The reporting and recordkeeping requirements and the methodology for calculation burden remain unchanged.

The following listed below are changes to the collection:

- Revised ICR title to highlight where requirements are found.
- Increase in burden (respondents/responses/burden hours) is due to a change in the vessel population.
- Updates are provided for cost burden associated with this collection of information.
- USCG has created printable instructions for this collection of information.
