SECTION C: BORROWER REQUEST, CERTIFICATIONS, AUTHORIZATIONS, AND UNDERSTANDINGS - READ CAREFULLY BEFORE SIGNING BELOW

11. This is a Master Promissory Note (MPN) for one or more Federal Direct Stafford/Ford (Direct Subsidized) Loans and/or Federal Direct Unsubsidized Stafford/Ford (Direct Unsubsidized) Loans. I request a total amount of Direct Subsidized Loans and/or Direct Unsubsidized Loans under this MPN not to exceed the allowable maximums under the Act ("the Act" is defined in Section E under Governing Law). My school will notify me of the loan type and loan amount that I am eligible to receive. I may cancel a loan or request a lower amount by contacting my school. Additional information about my right to cancel a loan or request a lower amount is included in the Borrower's Rights and Responsibilities Statement and in the disclosure statements that will be provided to me.
12. Under penalty of perjury, I certify that:
- A. The information I have provided on this MPN and as updated by me from time to time is true, complete, and correct to the best of my knowledge and belief and is made in good faith.
- B. I will use the proceeds of loans made under this MPN for authorized educational expenses that I incur and I will immediately repay any loan proceeds that cannot be attributed to educational expenses for attendance on at least a half-time basis at the school that certified my loan eligibility.
- C. If I owe an overpayment on a Federal Perkins Loan, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Academic Competitiveness Grant (ACG), National Science and Mathematics Access to Retain Talent (SMART) Grant, or Leveraging Educational Assistance Partnership Grant, I have made satisfactory arrangements to repay the amount owed.
- D. If I am in default on any loan received under the Federal Perkins Loan Program (including National Direct Student Loans), the William D. Ford Federal Direct Loan (Direct Loan) Program, or the Federal Family Education Loan (FFEL) Program, I have made satisfactory repayment arrangements with the holder to repay the amount owed.
- E. If I have been convicted of, or pled *nolo contendere* (no contest) or guilty to, a crime involving fraud in obtaining funds under Title IV of the Higher Education Act of 1965, as amended, (HEA), I have completed the repayment of the funds to the U.S. Department of Education (ED) or to the loan holder in the case of a Title IV federal student loan.
13. For each Direct Subsidized Loan and Direct Unsubsidized Loan I receive under this MPN, I make the following authorizations:
- A. I authorize my school to certify my eligibility for the loan.
- B. I authorize my school to credit my loan proceeds to my student account at the school.
- C. I authorize my school to pay to ED any refund that may be due up to the full amount of the loan.
- D. I authorize ED to investigate my credit record and report information about my loan status to persons and organizations permitted by law to receive that information.
- E. Unless I notify ED differently, I authorize ED to defer repayment of principal on my loan while I am enrolled at least half time at an eligible school.
- F. I authorize my school and ED to release information about my loan to the references on the loan and to members of my immediate family, unless I submit written directions otherwise.
- G. I authorize my schools, ED, and their agents to release information about my loan to each other.
- H. I authorize my schools, ED, and their respective agents and contractors to contact me regarding my loan request or my loan, including repayment of my loan, at the current or any future number that I provide for my cellular telephone or other wireless device using automated dialing equipment or artificial or prerecorded voice or text messages.
14. I will be given the opportunity to pay the interest that accrues during grace, in-school, deferment, forbearance, and other periods as provided under the Act, including during in-school deferment periods. Unless I pay the interest, I understand that ED may add unpaid interest that accrues on each loan made under this MPN to the principal balance of that loan (this is called "capitalization") at the end of the grace, deferment, forbearance, or other period. Capitalization will increase the principal balance on my loan and the total amount of interest I must pay.
15. I understand that ED has the authority to verify information reported on this MPN with other federal agencies.

SECTION D: PROMISE TO PAY

16. I promise to pay to ED all loan amounts disbursed under the terms of this MPN, plus interest and other charges and fees that may become due as provided in this MPN. I understand that more than one loan may be made to me under this MPN. I understand that by accepting any disbursement issued at any time under this MPN, I agree to repay the loan associated with that disbursement. I understand that, within certain timeframes, I may cancel or reduce the amount of a loan by refusing to accept or by returning all or a portion of any disbursement issued to me. Unless I make interest payments, interest that accrues on my loans during grace, in-school, deferment, forbearance, and other periods will be added to the principal balance of the loan as provided under the Act. If I do not make a payment on a loan made under this MPN when it is due, I will also pay reasonable collection costs, including but not limited to attorney fees, court costs, and other fees. I will not sign this MPN before reading the entire MPN, even if I am told not to read it, or told that I am not required to read it. I am entitled to an exact copy of this MPN and the Borrower's Rights and Responsibilities Statement. My signature certifies that I have read, understand, and agree to the terms and conditions of this MPN, including the Borrower Request, Certifications, Authorizations, and Understanding in Section C, the Notice About Subsequent Loans Made Under this MPN in Section E, and the terms and conditions described in Section E of this MPN and in the Borrower's Rights and Responsibilities Statement.

I UNDERSTAND THAT I MAY RECEIVE ONE OR MORE LOANS UNDER THIS MPN, AND THAT I MUST REPAY ALL LOANS THAT I RECEIVE UNDER THIS MPN.

Direct Subsidized Loan and Direct Unsubsidized Loan MPN *(continued)*

SECTION E: MPN TERMS AND CONDITIONS

GOVERNING LAW

The terms of this Application and Master Promissory Note (MPN) will be interpreted in accordance with the Higher Education Act of 1965, as amended (20 U.S.C. 1070 et seq.), the U.S. Department of Education's (ED's) regulations, as they may be amended in accordance with their effective date, and other applicable federal laws and regulations (collectively referred to as the "Act"). Applicable state law, except as preempted by federal law, may provide for certain borrower rights, remedies, and defenses in addition to those stated in this MPN.

DISCLOSURE OF LOAN TERMS

This MPN applies to Federal Direct Stafford/Ford (Direct Subsidized) Loans and Federal Direct Unsubsidized Stafford/Ford (Direct Unsubsidized) Loans. Under this MPN, the principal amount that I owe, and am required to repay, will be the sum of all disbursements that are made (unless I reduce or cancel any disbursements as explained below under Loan Cancellation), plus any unpaid interest that is capitalized and added to the principal amount.

At or before the time of the first disbursement of each loan, a disclosure statement will be sent to me identifying the amount of the loan and additional terms of the loan. Important additional information is also contained in the Borrower's Rights and Responsibilities Statement accompanying this MPN. The Borrower's Rights and Responsibilities Statement and any disclosure statement I receive in connection with any loan under this MPN are hereby incorporated into this MPN.

Loans disbursed under this MPN are subject to the annual and aggregate loan limits specified under the Act. I may request additional loan funds to pay for my educational costs up to the annual and aggregate loan limits by contacting my school's financial aid office. My school will determine if I am eligible for any additional loan funds. I will be notified of any increase or other change in the amount of my loan.

The amount of Direct Subsidized Loans and Direct Unsubsidized Loans that I am eligible to receive may increase or decrease based on changes in my financial circumstances. My school will notify me of any changes in my eligibility. I will be notified of any increase or decrease in the amount of my loan.

I understand that each loan made under this MPN is separately enforceable based on a true and exact copy of this MPN. I understand that ED may use a servicer to handle billing and other communications related to my loan.

LOAN CANCELLATION

I may pay back all or part of a disbursement within the timeframes set by the Act, as explained in the Borrower's Rights and Responsibilities Statement and in a disclosure statement that I will receive. If I return the full loan amount within those timeframes, I will not incur any loan fee or interest charges. If I return part of a disbursement within those timeframes, the loan fee and interest charges will be reduced in proportion to the amount returned.

INTEREST

Unless ED notifies me in writing of a lower rate, the interest rate for any loan I receive under this MPN is specified in the Act. As explained in the Borrower's Rights and Responsibilities Statement, I will be notified of the interest rate on each loan that I receive.

Interest does not accrue on a Direct Subsidized Loan during an in-school, grace, or deferment period, and during certain periods of repayment under the Income-Based Repayment Plan. Interest accrues on a Direct Subsidized Loan during all other periods (including forbearance periods), starting on the day after my grace period ends. Interest accrues on a Direct Unsubsidized Loan during all periods (including in-school, grace, deferment, and forbearance periods), starting on the date of the first disbursement. I agree to pay all interest that accrues on my Direct Loan(s). I will be given the opportunity to pay the interest that accrues during in-school, grace, deferment, forbearance, or other periods as provided under the Act.

If I do not pay the interest, I understand that ED may capitalize the interest at the end of the grace, deferment, forbearance, or other period.

LOAN FEE

A 1% loan fee is charged for each Direct Subsidized Loan and Direct Unsubsidized Loan first disbursed on or after July 1, 2010, as provided by the Act, and will be deducted proportionately from each disbursement of each of my loans. The loan fee will be shown on disclosure statements that will be issued to me. I understand the loan fee may be refundable only as permitted by the Act.

LATE CHARGES AND COLLECTION COSTS

ED may collect from me: (1) a late charge of not more than six cents for each dollar of each late payment if I fail to make any part of a required installment payment within 30 days after it becomes due, and (2) any other charges and fees that are permitted by the Act related to the collection of my loans. If I default on my loans, I will pay reasonable collection costs, plus court costs and attorney fees.

GRACE PERIOD

I will receive a 6-month grace period on repayment of each loan made under this MPN. The grace period begins the day after I cease to be enrolled at least half time at an eligible school. I am not required to make any payments on my loan during the grace period. However, interest will accrue on my Direct Unsubsidized Loan during the grace period and will be capitalized if I do not repay it.

REPAYMENT

I must repay the full amount of the loans made under this MPN, plus accrued interest. I will repay each loan in monthly installments during a repayment period that begins on the day immediately following my 6-month grace period on that loan. Payments made by me or on my behalf will be applied first to late charges and collection costs that are due, then to interest that has not been paid, and finally to the principal amount of the loan, except during periods of repayment under an Income-Based Repayment Plan, when payments will be applied first to interest that is due, then to fees that are due, and then to the principal amount.

ED will provide me with a choice of repayment plans. Information on these repayment plans is included in the Borrower's Rights and Responsibilities Statement.

ED will provide me with a repayment schedule that identifies my payment amounts and due dates. If I am unable to make my scheduled loan payments, ED may allow me to temporarily stop making payments, reduce my payment amount, or extend the time for making payments, as long as I intend to repay my loan. Allowing me to temporarily delay or reduce loan payments is called "forbearance."

ED may adjust payment dates on my loans or may grant me forbearance to eliminate a delinquency that remains even though I am making scheduled installment payments.

I may prepay all or any part of the unpaid balance on my loans at any time without penalty. If I do not specify which loans I am prepaying, ED will determine how to apply the prepayment in accordance with the Act. After I have repaid in full a loan made under this MPN, ED will send me a notice telling me that I have paid off my loan.

ACCELERATION AND DEFAULT

At ED's option, the entire unpaid balance of a loan made under this MPN will become immediately due and payable (this is called "acceleration") if any one of the following events occurs: (1) I do not enroll as at least a half-time student at the school that certified my loan eligibility; (2) I do not use the proceeds of the loan solely for my educational expenses; (3) I make a false representation that results in my receiving a loan for which I am not eligible; or (4) I default on the loan.

The following events will constitute a default on my loan: (1) I do not pay the entire unpaid balance of the loan after ED has exercised its option under items (1), (2), and (3) in the preceding paragraph; (2) I do not make installment payments when due, provided my failure has persisted for at least 270 days; or (3) I do not comply with other terms of the loan, and ED reasonably concludes that I no longer intend to honor my repayment obligation. If I default, ED may capitalize all outstanding interest, increasing the principal balance, and the full amount of the loan, including the new principal balance and collection costs, will become immediately due and payable.

If I default, the default will be reported to national consumer reporting agencies and will significantly and adversely affect my credit history. I understand that a

default will have additional adverse consequences to me as disclosed in the Borrower's Rights and Responsibilities Statement. Following default, I may be required to repay the loan (including potential collection of amounts in excess of the principal and interest) under the Income-Based Repayment Plan or Income Contingent Repayment Plan in accordance with the Act.

LEGAL NOTICES

Any notice required to be given to me will be effective if sent by first-class mail to the most recent address ED has for me, by electronic means to an address I have provided, or by any other method of notification permitted or required by applicable statute and regulation. I will immediately notify ED of a change of contact information or status as specified in the Borrower's Rights and Responsibilities Statement.

If ED fails to enforce or insist on compliance with any term of this MPN, this does not waive any right of ED. No provision of this MPN may be modified or waived except in writing by ED. If any provision of this MPN is determined to be unenforceable, the remaining provisions will remain in force.

Information about my loans will be submitted to the National Student Loan Data System (NSLDS). Information in NSLDS is accessible to schools, lenders, and guarantors for specific purposes as authorized by ED.

NOTICE ABOUT SUBSEQUENT LOANS MADE UNDER THIS MPN

This MPN authorizes ED to disburse multiple loans to me to pay my educational expenses during the multi-year term of this MPN, upon my request and upon my school's annual certification of my loan eligibility.

At schools that are authorized to use the multi-year feature of the MPN and choose to do so, subsequent loans may be made under this MPN for subsequent academic years. At any school, subsequent loans may be made under this MPN for the same academic year.

I understand that no subsequent loans will be made under this MPN after the earliest of the following dates: (1) the date ED or my school receives my written notice that no further loans may be made; (2) one year after the date I sign the MPN or the date ED receives the MPN if no disbursements are made under the MPN; or (3) ten years after the date I sign the MPN or the date ED receives the MPN.

Any change to the Act applies to loans in accordance with the effective date of the change.

William D. Ford Federal Direct Loan Program

Direct Subsidized Loan and Direct Unsubsidized Loan Borrower's Rights and Responsibilities Statement

Important Notice: This Borrower's Rights and Responsibilities Statement provides additional information about the terms and conditions of the loans you receive under the accompanying Master Promissory Note (MPN) for Federal Direct Stafford/Ford Loans (Direct Subsidized Loans) and Federal Direct Unsubsidized Stafford/Ford Loans (Direct Unsubsidized Loans). **Please keep this Borrower's Rights and Responsibilities Statement for your records.** You may request another copy of this Borrower's Rights and Responsibilities Statement at any time by contacting your servicer.

Throughout this Borrower's Rights and Responsibilities Statement, the words "we," "us," and "our" refer to the U.S. Department of Education. The word "loan" refers to one or more loans made under the accompanying MPN.

1. The William D. Ford Federal Direct Loan Program.

The William D. Ford Federal Direct Loan (Direct Loan) Program includes the following types of loans, known collectively as "Direct Loans":

- Federal Direct Stafford/Ford Loans (Direct Subsidized Loans)
- Federal Direct Unsubsidized Stafford/Ford Loans (Direct Unsubsidized Loans)
- Federal Direct PLUS Loans (Direct PLUS Loans)
- Federal Direct Consolidation Loans (Direct Consolidation Loans)

The Direct Loan Program is authorized by Title IV, Part D, of the Higher Education Act of 1965, as amended (HEA), 20 U.S.C. 1070 *et seq.*

You must complete a Free Application for Federal Student Aid (FAFSA) before you receive a Direct Subsidized Loan or Direct Unsubsidized Loan.

Direct Loans are made by the U.S. Department of Education. We contract with servicers to process Direct Loan payments, deferment and forbearance requests, and other transactions, and to answer questions about Direct Loans. We will provide you with the address and telephone number of your servicer after the school notifies us that the first disbursement of your loan has been made.

2. Laws that apply to this MPN. The terms and conditions of loans made under this MPN are determined by the HEA and other applicable federal laws and regulations. These laws and regulations are referred to as "the Act" throughout this Borrower's Rights and Responsibilities Statement. State law, unless it is preempted by federal law, may provide you with certain rights, remedies, and defenses in addition to those stated in the MPN and this Borrower's Rights and Responsibilities Statement.

NOTE: Any change to the Act applies to loans in accordance with the effective date of the change.

3. Direct Subsidized Loans and Direct Unsubsidized Loans. Direct Subsidized Loans and Direct Unsubsidized Loans are made to students to help pay for the cost of education beyond high school. To receive a Direct Subsidized Loan, you must have financial need (see Note below). Interest does not accrue on Direct Subsidized Loans while you are in school and during certain other periods. Direct Unsubsidized Loans are not based on financial need. Interest accrues on Direct Unsubsidized Loans during all periods. For more information on interest charges, see item #9 of this Borrower's Rights and Responsibilities Statement ("Payment of interest").

NOTE: If you are a graduate or professional student, you are not eligible to receive Direct Subsidized Loans for any period of enrollment (loan period) beginning on or after July 1, 2012. The terms and conditions of any Direct Subsidized Loans you received as a graduate or professional student before that date, or that you received as an undergraduate student, remain the same as described in the Borrower's Rights and Responsibilities Statement you received with those loans.

4. About the MPN. You may receive more than one loan under this MPN over a period of up to 10 years to pay for your educational costs, as long as the school you are attending is authorized to use the multi-year feature of the MPN and chooses to do so.

If your school is not authorized to use the multi-year feature of the MPN or chooses not to do so, or if you do not want to receive more than one loan under this MPN, you must sign a new MPN for each loan that you receive. If you do not want to receive more than one loan under this MPN, you must notify your school or your servicer in writing.

5. Use of your loan money. You may use the loan money you receive only to pay for your authorized educational expenses for attendance at the school that determined you were eligible to receive the loan. Authorized expenses include the following:

- Tuition;
- Room;
- Board;
- Institutional fees;
- Books;
- Supplies;
- Equipment;
- Dependent child care expenses;
- Transportation;
- Commuting expenses;
- Rental or purchase of a personal computer;
- Loan fees; and/or
- Other documented, authorized costs

6. Information you must report to us after you receive your loan. You must notify your servicer and/or the financial aid office at your school about certain changes.

Until you graduate or otherwise leave school, you must notify your school's financial aid office if you:

- Change your address or telephone number;
- Change your name (for example, maiden name to married name);
- Do not enroll at least half-time for the loan period certified by the school;
- Do not enroll at the school that determined you were eligible to receive the loan;
- Stop attending school or drop below half-time enrollment;
- Transfer from one school to another school; or
- Graduate.

You must also notify your servicer if any of the above events occur at any time after you receive your loan. In addition, you must notify your servicer if you:

- Change your employer, or your employer's address or telephone number changes; or
- Have any other change in status that would affect your loan (for example, if you receive a deferment while you are unemployed, but you find a job and therefore no longer meet the eligibility requirements for the deferment).

7. Amount you may borrow. The charts that follow show the maximum amounts of Direct Subsidized Loans and Direct Unsubsidized Loans that you may borrow for a single academic year (annual loan limits), and the maximum amounts that you may borrow in total for undergraduate and graduate study (aggregate loan limits). The aggregate loan limits are combined limits for Direct Subsidized and Unsubsidized Loans, and any subsidized and unsubsidized Federal Stafford Loans you may have previously received through the Federal Family Education Loan (FFEL) Program. The annual and aggregate loan limits for independent undergraduates also apply to dependent undergraduates whose parents are unable to borrow under the PLUS program. If you are enrolled in certain health professions programs, you may qualify for

higher annual and aggregate limits on Direct Unsubsidized Loans.

The actual loan amount you receive will be determined by your school, based on your academic level, dependency status, and other factors such as:

- The length of the program or the remaining portion of the program in which you are enrolled, if it is less than a full academic year;
- Your cost of attendance;
- Your Expected Family Contribution;
- Other financial aid you receive;
- and
- Your remaining eligibility under the annual or aggregate loan limits.

The actual amount you receive for an academic year may be less than the maximum annual amounts shown in the charts.

If you are an undergraduate student, your school must determine your eligibility for a Federal Pell Grant before you may receive a Direct Subsidized Loan or Direct Unsubsidized Loan, and must determine your eligibility for a Direct Subsidized Loan before determining your eligibility for a Direct Unsubsidized Loan.

Direct Subsidized Loan and Direct Unsubsidized Loan Borrower's Rights and Responsibilities Statement

8. Interest rate. The interest rate on Direct Subsidized Loans and Direct Unsubsidized Loans is a fixed rate. Different fixed interest rates may apply to separate loans made under this MPN depending on whether the loan is subsidized or unsubsidized, when the loan is first disbursed, and whether you are a graduate or undergraduate student. You will be notified of the interest rate for each loan you receive in a disclosure statement that we send to you. If you qualify under the Servicemembers Civil Relief Act, the interest rate on your loans obtained prior to military service may be limited to 6% during your military service. To receive this benefit, you must contact your servicer for information about the documentation you must provide to show that you qualify.

9. Payment of interest. Interest does not accrue on a Direct Subsidized Loan while you are enrolled in school at least half time, during your grace period, during deferment periods, and during certain periods of repayment under the Income-Based Repayment Plan. Except as provided below for certain military borrowers, interest accrues on a Direct Subsidized Loan during all other periods (starting on the day after your grace period ends), including forbearance periods.

Except as provided below for borrowers who are active duty service members, interest accrues on a Direct Unsubsidized Loan during all periods (starting on the date of the first disbursement). This includes periods while you are enrolled in school at least half time, during your grace period, and during deferment and forbearance periods. Therefore, you will pay more interest on a Direct Unsubsidized Loan than on a Direct Subsidized Loan.

If you do not pay the interest as it accrues on either type of loan, we will add it to the unpaid principal amount of your loan. This is called "capitalization." Capitalization increases the unpaid principal balance of your loan, and interest then accrues on the increased principal amount. We capitalize unpaid interest when you resume payment after periods of deferment or forbearance. We may also capitalize unpaid interest that has accrued since the first disbursement of a Direct Unsubsidized Loan when you enter repayment for the first time.

Under the no accrual of interest benefit for active duty service members, interest does not accrue on Direct Loan Program Loans first disbursed on or after October 1, 2008 during periods of qualifying active duty military service (for up to 60 months).

The chart below shows the difference in the total amount you would repay on a \$15,000 Direct Unsubsidized Loan if you pay the interest as it accrues during a 12-month deferment or forbearance period, compared to the amount you would repay if you do not pay the interest and it is capitalized.

	If you pay the interest as it accrues...	If you do not pay the interest and it is capitalized...
Loan Amount	\$15,000	\$15,000
Interest for 12 Months (at the rate of 6.8%)	\$1,020 (paid as accrued)	\$1,020 (unpaid and capitalized)
Principal to be Repaid	\$15,000	\$16,020
Monthly Payment (Standard Repayment Plan)	\$173	\$184
Number of Payments	120	120
Total Amount Repaid	\$21,734	\$22,123

In this example, you would pay \$11 less per month and \$389 less altogether if you pay the interest as it accrues during a 12-month deferment or forbearance period.

You may be able to claim a federal income tax deduction for interest payments you make on Direct Loans. For further information, refer to IRS Publication 970, which is available at <http://www.irs.ustreas.gov>.

10. Loan fee. For a Direct Subsidized Loan or Direct Unsubsidized Loan first disbursed on or after July 1, 2010, we charge a loan fee of 1% of the principal amount of each loan you receive. This fee will be subtracted proportionally from each disbursement of your loan and will be shown on a disclosure statement that we send to you.

11. Repayment incentive programs. A repayment incentive is a benefit that we offer to encourage you to repay your loan on time. The two repayment incentive programs described below may be available to you.

(1) Interest Rate Reduction for Automatic Withdrawal of Payments

Under the automatic withdrawal option, your bank automatically deducts your monthly loan payment from your checking or savings account and sends it to us. Automatic withdrawal helps to ensure that your payments are made on time. In addition, you receive a 0.25% interest rate reduction while you repay under the automatic withdrawal option. Your servicer will provide you with information about the automatic withdrawal option. You can also get the information on your servicer's web site, or by calling your servicer. Your servicer's web site address and toll-free telephone number are provided on correspondence that your servicer sends you.

(2) Up-Front Interest Rebate (available only for loans with a first disbursement date that is before July 1, 2012)

You may receive an up-front interest rebate on your loan. The rebate is equal to a percentage of the loan amount that you borrow. This is the same amount that would result if the interest rate on your loan were lowered by a specific percentage, but you receive the rebate up front. The correspondence that you receive about your loan will tell you if you received an up-front interest rebate.

To keep an up-front interest rebate that you receive on your loan, you must make all of your first 12 required monthly payments on time when your loan enters repayment. "On time" means that we must receive each payment no later than 6 days after the due date.

You will lose the rebate if you do not make all of your first 12 required monthly payments on time. If you lose the rebate, we will add the rebate amount back to the principal balance on your loan account. This will increase the amount that you must repay.

12. Disbursement (how your loan money will be paid out). Generally, your school will disburse (pay out) your loan money in more than one installment, usually at the beginning of each academic term (for example, at the beginning of each semester or quarter). If your school does not use academic terms or does not have academic terms that meet certain requirements, it will generally disburse your loan in at least two installments, one at the beginning of the period of study for which you are receiving the loan, and one at the midpoint of that period of study.

In most cases, if the Direct Subsidized Loan or Direct Unsubsidized Loan that you are receiving is your first student loan under either the Direct Loan Program or the FFEL Program, you must complete entrance counseling before your school can make the first disbursement of your loan.

Your school may disburse your loan money by crediting it to your account at the school, or may give some or all of it to you directly by check or other means.

If your school credits your loan money to your account and the amount credited is more than the amount of your tuition and fees, room and board, and other authorized charges, the excess amount is called a credit balance. Unless you authorize your school to hold the credit balance for you, your school must pay you the credit balance within the following timeframes:

- If the credit balance occurs after the first day of class of a payment period (your school can tell you this date), your school must pay you the credit balance no later than 14 days after the date the balance occurs.
- If the credit balance occurs on or before the first day of class of a payment period, your school must pay you the credit balance no later than 14 days after the first day of class of the payment period.

13. Canceling your loan. Before your loan money is disbursed, you may cancel all or part of your loan by notifying your school. After your loan money is disbursed, there are two ways to cancel all or part of your loan:

- If your school obtains your written confirmation of the types and amounts of Title IV loans that you want to receive for an award year before crediting loan money to your account at the school, you may tell the school that you want to cancel all or part of that loan within 14 days after the date the school notifies you of your right to cancel all or part of the loan, or by the first day of your school's payment period, whichever is later (your school can tell you the first day of the payment period). If the school does not obtain your written confirmation of the types and amounts of loans you want to receive before crediting the loan money to your account, you may cancel all or part of that loan by informing the school within 30 days of the date the school notifies you of your right to cancel all or part of the loan. In either case, your school will return the cancelled loan amount to us.

If you ask your school to cancel all or part of your loan outside the timeframes described above, your school may process your cancellation request, but it is not required to do so.

- Within 120 days of the date your school disbursed your loan money (by crediting the loan money to your account at the school, by paying it directly to you, or both), you may return all or part of your loan to us. Contact your servicer for guidance on how and where to return your loan money.

You do not have to pay interest or the loan fee on the part of your loan that is cancelled or returned within the timeframes described above, and if you received an up-front interest rebate on your loan, the rebate does not apply. Your loan will be adjusted to eliminate any interest, loan fee, and rebate amount that applies to the amount of the loan that was cancelled or returned.

14. Grace period. You will receive a 6-month grace period on repayment of each Direct Subsidized Loan and Direct Unsubsidized Loan that you receive. Your 6-month grace period begins the day after you stop attending school or drop below half-time enrollment. You do not have to begin making payments on your loan until after your grace period ends.

If you are called or ordered to active duty for more than 30 days from a reserve component of the U.S. Armed Forces, the period of your active duty service and the time necessary for you to re-enroll in school after your active duty ends are not counted as part of your grace period. However, the total period that is excluded from your grace period may not exceed three years. If the call or order to active duty occurs while you are in school and requires

William D. Ford Federal Direct Loan Program

Direct Subsidized Loan and Direct Unsubsidized Loan Borrower's Rights and Responsibilities Statement

you to drop below half-time enrollment, the start of your grace period will be delayed until after the end of the excluded period. If the call or order to active duty occurs during your grace period, you will receive a full 6-month grace period at the end of the excluded period.

15. Repaying your loan. The repayment period for each Direct Subsidized Loan and Direct Unsubsidized Loan that you receive begins on the day after your grace period ends. Your servicer will notify you of the date your first payment is due.

You must make payments on your loan even if you do not receive a bill or repayment notice.

Unless otherwise restricted by loan type, you must repay all of your Direct Loans under the same repayment plan. You may choose one of the following repayment plans to repay your loan:

- **Standard Repayment Plan** – Under this plan, you will make fixed monthly payments and repay your loan in full within 10 years (not including periods of deferment or forbearance) from the date the loan entered repayment. Your payments must be at least \$50 a month (\$600 a year) and will be more, if necessary, to repay the loan within the required time period.
- **Graduated Repayment Plan** – Under this plan, you will usually make lower payments at first, and your payments will gradually increase over time. You will repay your loan in full within 10 years (not including periods of deferment or forbearance) from the date the loan entered repayment. No single payment will be more than three times greater than any other payment.
- **Extended Repayment Plan** – Under this plan, you will repay your loan in full over a period not to exceed 25 years (not including periods of deferment or forbearance) from the date the loan entered repayment. You may choose to make fixed monthly payments or graduated monthly payments that start out lower and gradually increase over time. If you make fixed monthly payments, your payments must be at least \$50 a month (\$600 a year) and will be more, if necessary, to repay the loan within the required time period. You are eligible for this repayment plan only if (1) you have an outstanding balance on Direct Loan Program loans that exceeds \$30,000, and (2) you had no outstanding balance on a Direct Loan Program loan as of October 7, 1998 or on the date you obtained a Direct Loan Program loan after October 7, 1998.
- **Income Contingent Repayment (ICR) Plan** – Under this plan, your monthly payment amount will be based on your annual income (and that of your spouse if you are married), your family size, and the total amount of your Direct Loans. Until we obtain the information needed to calculate your monthly payment amount, your payment will equal the amount of interest that accrues monthly on your loan unless you request a forbearance. As your income changes, your payments may change. If you do not repay your loan after 25 years under this plan, the unpaid portion will be forgiven. You may have to pay income tax on any amount forgiven.
- **Income-Based Repayment (IBR) Plan** – Under this plan, your required monthly payment amount will be based on your income during any period when you have a partial financial hardship. Your monthly payment amount may be adjusted annually. The maximum repayment period under this plan may exceed 10 years. If your loan is not repaid in full after you have made the equivalent of 25 years of qualifying monthly payments and at least 25 years have elapsed, you may qualify for cancellation of any outstanding balance on your loans. To initially qualify for this plan and to continue to make

income-based payments, you must have a partial financial hardship. An IBR Plan calculator is available at www.direct.ed.gov. The calculator evaluates your eligibility for the IBR Plan and estimates your initial IBR Plan payment amount. The calculator is for informational purposes only. Your servicer will make the official determination of your eligibility and payment amount.

Under each plan, the number or amount of payments may need to be adjusted to reflect capitalized interest and/or new loans made to you.

If you can show to our satisfaction that the terms and conditions of the above repayment plans are not adequate to meet your exceptional circumstances, we may provide you with an alternative repayment plan.

If you do not choose a repayment plan, we will place you on the Standard Repayment Plan.

The chart at the end of this Borrower's Rights and Responsibilities Statement ("Repaying Your Loans") allows you to estimate the monthly and total amounts you would repay under the Standard, Graduated, Extended, and Income Contingent repayment plans based on various initial loan amounts.

You may change repayment plans at any time after you have begun repaying your loan. However, you may not change to a different repayment plan that has a maximum repayment period of less than the number of years your loan has already been in repayment, except that you may change to the ICR Plan or the IBR Plan at any time. There is no penalty if you make loan payments before they are due, or pay more than the amount due each month.

Except as provided by the Act for payments made under the Income-Based Repayment Plan, we apply your payments and prepayments in the following order: (1) late charges and collection costs first, (2) outstanding interest second, and (3) outstanding principal last.

When you have repaid a loan in full, your servicer will send you a notice telling you that you have paid off your loan. You should keep this notice in a safe place.

16. Transfer of loan. ED may transfer the servicing of one or all of your loans to another servicer without your consent. If the address to which you must send payments or direct communications changes, you will be notified of the new servicer's name, address and telephone number, the effective date of the transfer, and the date when you must begin sending payments or directing communications to that servicer. Transfer of a loan to a different servicer does not affect your rights and responsibilities under that loan.

17. Late charges and collection costs. If you do not make any part of a payment within 30 days after it is due, we may require you to pay a late charge. This charge will not be more than six cents for each dollar of each late payment. If you do not make payments as scheduled, we may also require you to pay other charges and fees involved in collecting your loan.

18. Demand for immediate repayment. The entire unpaid amount of your loan becomes due and payable (this is called "acceleration") if you:

- Receive loan money, but do not enroll at least half-time at the school that determined you were eligible to receive the loan;
- Use your loan money to pay for anything other than expenses related to your education at the school that determined you were eligible to receive the loan;
- Make a false statement that causes you to receive a loan that you are not eligible to receive; or
- Default on your loan.

19. Defaulting on your loan. Default (failing to repay your loan) is defined in detail in the Terms and Conditions section of your MPN. If you default:

- We will require you to immediately repay the entire unpaid amount of your loan.
- We may sue you, take all or part of your federal and state tax refunds and other federal or state payments, and/or garnish your wages so that your employer is required to send us part of your salary to pay off your loan.
- We will require you to pay reasonable collection fees and costs, plus court costs and attorney fees.
- You may be denied a professional license.
- You will lose eligibility for other federal student aid and assistance under most federal benefit programs.
- You will lose eligibility for loan deferments.
- We will report your default to national consumer reporting agencies (see #20, "Consumer reporting agency notification").

20. Consumer reporting agency notification. We will report information about your loan to national consumer reporting agencies on a regular basis. This information will include the disbursement dates, amount, and repayment status of your loan (for example, whether you are current or delinquent in making payments). Your loan will be identified as an education loan.

If you default on a loan, we will also report this to national consumer reporting agencies. We will notify you at least 30 days in advance that we plan to report default information to a consumer reporting agency unless you resume making payments on the loan within 30 days of the date of the notice. You will be given a chance to ask for a review of the debt before we report it.

If a consumer reporting agency contacts us regarding objections you have raised about the accuracy or completeness of any information we have reported, we are required to provide the agency with a prompt response.

21. Deferment and forbearance (postponing payments).

If you meet certain requirements, you may receive a **deferment** that allows you to temporarily stop making payments on your loan. If you cannot make your scheduled loan payments, but do not qualify for a deferment, we may give you a **forbearance**. A forbearance allows you to temporarily stop making payments on your loan, temporarily make smaller payments, or extend the time for making payments.

Deferment

You may receive a deferment:

- While you are enrolled at least half-time at an eligible school;
- While you are in a full-time course of study in a graduate fellowship program;
- While you are in an approved full-time rehabilitation program for individuals with disabilities;
- While you are unemployed (for a maximum of three years; you must be diligently seeking, but unable to find, full-time employment);
- While you are experiencing an economic hardship (including Peace Corps service), as determined under the Act (for a maximum of three years);
- While you are serving on active duty during a war or other military operation or national emergency or performing qualifying National Guard duty during a war or other military operation or national emergency and, if you were serving on or after October 1, 2007, for an additional 180-day period following the demobilization date for your qualifying service; or
- If you are a member of the National Guard or other reserve component of the U.S. Armed forces (current or retired) and you are called or ordered to

William D. Ford Federal Direct Loan Program

Direct Subsidized Loan and Direct Unsubsidized Loan Borrower's Rights and Responsibilities Statement

active duty while you are enrolled at least half time at an eligible school or within 6 months of having been enrolled at least half time, during the 13 months following the conclusion of your active duty service, or until you return to enrolled student status on at least a half-time basis, whichever is earlier.

You may be eligible to receive additional deferments if, at the time you received your first Direct Loan, you had an outstanding balance on a loan made under the Federal Family Education Loan (FFEL) Program before July 1, 1993. If you meet this requirement, contact your servicer for information about additional deferments that may be available.

You may receive a deferment based on your enrollment in school on at least a half-time basis if (1) you submit a deferment request to your servicer along with documentation of your eligibility for the deferment, or (2) your servicer receives information from the school you are attending that indicates you are enrolled at least half-time. If your servicer processes a deferment based on information received from your school, you will be notified of the deferment and will have the option of canceling the deferment and continuing to make payments on your loan.

For all other deferments, you (or, for a deferment based on active duty military service or qualifying National Guard duty during a war or other military operation or national emergency, a representative acting on your behalf) must submit a deferment request to your servicer, along with documentation of your eligibility for the deferment. In certain circumstances, you may not be required to provide documentation of your eligibility if your servicer confirms that you have been granted the same deferment for the same period of time on a FFEL Program loan. Your servicer can provide you with a deferment request form that explains the eligibility and documentation requirements for the type of deferment you are requesting. You may also obtain deferment request forms and information on deferment eligibility requirements from your servicer's web site.

If you are in default on your loan, you are not eligible for a deferment.

You are not responsible for paying the interest on a Direct Subsidized Loan during a period of deferment. However, you are responsible for paying the interest on a Direct Unsubsidized Loan during a period of deferment.

Forbearance

We may give you a forbearance if you are temporarily unable to make your scheduled loan payments for reasons including, but not limited to, financial hardship and illness.

We will give you a forbearance if:

- You are serving in a medical or dental internship or residency program, and you meet specific requirements;
- The total amount you owe each month for all of the student loans you received under Title IV of the Act is 20% or more of your total monthly gross income (for a maximum of three years);
- You are serving in a national service position for which you receive a national service award under the National and Community Service Trust Act of 1993. In some cases, the interest that accrues on a qualified loan during the service period will be paid by the Corporation for National and Community Service;
- You are performing service that would qualify you for loan forgiveness under the teacher loan forgiveness program that is available to certain Direct Loan and FFEL program borrowers;
- You qualify for partial repayment of your loans under the Student Loan Repayment Program, as administered by the Department of Defense; or
- You are called to active duty in the U.S. Armed Forces.

To request a forbearance, contact your servicer. Your servicer can provide you with a forbearance request form that explains the eligibility and documentation requirements for the type of forbearance you are requesting. You may also obtain forbearance request forms and information on forbearance eligibility requirements from your servicer's web site.

Under certain circumstances, we may also give you a forbearance without requiring you to submit a request or documentation. These circumstances include, but are not limited to, the following:

- Periods necessary for us to determine your eligibility for a loan discharge;
- A period of up to 60 days in order for us to collect and process documentation related to your request for a deferment, forbearance, change in repayment plan, or consolidation loan (we do not capitalize the interest that is charged during this period); or
- Periods when you are involved in a military mobilization, or a local or national emergency.

You are responsible for paying the interest on both Direct Subsidized Loans and Direct Unsubsidized Loans during a period of forbearance.

22. Discharge (having your loan forgiven). We will discharge (forgive) your loan if:

- You die. Your servicer must receive acceptable documentation of your death, as defined in the Act;
- Your loan is discharged in bankruptcy. However, federal student loans are not automatically discharged if you file for bankruptcy. In order to have your loan discharged in bankruptcy, you must prove to the bankruptcy court that repaying the loan would cause undue hardship; or
- You become totally and permanently disabled (as defined in the Act) and meet certain other requirements.

In certain cases, we may also discharge all or a portion of your loan if:

- You could not complete a program of study because the school closed;
- Your loan eligibility was falsely certified by the school;
- A loan in your name was falsely certified as a result of a crime of identity theft; or
- The school did not pay a refund of your loan money that it was required to pay under federal regulations.

We may forgive a portion of eligible student loans you received under the Direct Loan or FFEL program after October 1, 1998 if you (1) teach full time for five consecutive years in certain low-income elementary or secondary schools, or for certain low-income educational service agencies; (2) meet certain other qualifications; and (3) if you did not owe a Direct Loan or FFEL program loan as of October 1, 1998, or as of the date you obtain a loan after October 1, 1998.

A public service loan forgiveness program is also available. Under this program, the remaining balance due on your eligible Direct Loan Program loans may be cancelled after you have made 120 payments on those loans (after October 1, 2007) under certain repayment plans while you are employed in certain public service jobs.

The Act may provide for certain loan forgiveness or repayment benefits on your loans in addition to the benefits described above. If other forgiveness or repayment options become available, your servicer will provide information about these benefits.

To request a loan discharge based on one of the conditions described above (except for discharges due to death or bankruptcy), you must complete an application that you may obtain from your servicer.

In some cases, you may assert, as a defense against collection of your loan, that the school did something wrong or failed to do something that it should have done. You can make such a defense against repayment only if the school's act or omission directly relates to your loan or to the educational services that the loan was intended to pay for, and if what the school did or did not do would give rise to a legal cause of action against the school under applicable state law. If you believe that you have a defense against repayment of your loan, contact your servicer.

We do not guarantee the quality of the academic programs provided by schools that participate in federal student financial aid programs. You must repay your loan even if you do not complete the education paid for with the loan, are unable to obtain employment in the field of study for which your school provided training, or are dissatisfied with, or do not receive, the education you paid for with the loan.

23. Loan consolidation. A Direct Consolidation Loan Program is available that allows you to consolidate one or more of your eligible federal education loans into a new loan with a single monthly payment, and may allow you to extend the period of time that you have to repay your loans. This may make it easier for you to repay your loans. However, you will pay more interest if you extend your repayment period through consolidation, since you will be making payments for a longer period of time. Contact your servicer for more information about loan consolidation.

24. Department of Defense and other federal agency loan repayment. Under certain circumstances, military personnel may have their federal education loans repaid by the Secretary of Defense. This benefit is offered as part of a recruitment program that does not apply to individuals based on their previous military service or to those who are not eligible for enlistment in the U.S. Armed Forces. For more information, contact your local military service recruitment office.

Other agencies of the federal government may also offer student loan repayment programs as an incentive to recruit and retain employees. Contact the agency's human resources department for more information.

25. AmeriCorps program education awards. Under the National and Community Service Act of 1990, you may receive an education award that can be used to repay a Direct Subsidized Loan or Direct Unsubsidized Loan if you successfully complete a term of service in an AmeriCorps program. For more information, contact an official of your program.
