<p>We have realized that an omission was made in the submission of the 2012 NAEP Wave II package to OMB (1850-0790 v.32). The BET (Background, Education, and Training) section was submitted, however the Writing-specific questions (known as the COI, Classroom Organization and Instruction) were inadvertently omitted. The respondent burden for all of the items, including the COI questions was already properly accounted for, only the 15 COI items were omitted. We are submitting a corrected "Part 3 Teacher Pilot Questionnaires (Updated 2011-09-01)" document which contains all of the approved questions from the original submittal (OMB# 1850-0790 v.32) plus the omitted COI questions and two additional questions and skip pattern in the BET section, to provide more context for the former #14 which OMB queried.</p>
