Section 1.1 – Basic Facility Information

S1.1.q1 Please indicate the grade levels served in this facility (select all that apply)

S1.1_Q1a	Pre-K	S1.1_Q1i	7 th grade
S1.1_Q1b	Kindergarten	S1.1_Q1j	8 th grade
S1.1_Q1c	1 st grade	S1.1_Q1k	9 th grade
S1.1_Q1d	2 nd grade	S1.1_Q1l	10 th grade
S1.1_Q1e	3 rd grade	S1.1_Q1m	11 th grade
S1.1_Q1f	4 th grade	S1.1_Q1n	12 th grade
S1.1_Q1g	5 th grade	S1.1_Q1o	Beyond 12 th grade
S1.1_Q1h	6 th grade		

S1.1.q2 How many years has the school been in operation including the 2011-2012 school year?

S1.1.q3 Does the school use an educational model that has explicit space/equipment implications for the facility?

1. No, the educational model has typical educational facility requirements
2. Yes, Montessori model
3. Yes, Expeditionary Learning model
4. Yes, Math/Science/Technology model
5. Yes, School of the Arts model
6. Yes, *other*

S1.1.q4 For the 2011-2012 school year, what is the usual maximum number of students served in the facility at any one time? *Note: Answer 450 if the school has 475 students enrolled but 50 are half-day kindergartners and 25 are served in the morning and 25 are served in the afternoon. If the kindergartners are full-day or all 50 are served in the morning or afternoon, answer 475. Answer 200 if 200 students are in a day program and 150 are in a night program and the programs do not overlap.*

S1.1.q5 As of October 1st, 2011, how many eligible students (i.e., school age, grade level appropriate) remained on your waiting list? *(If none, enter 0; do not include children who are not yet old enough to attend the school.)*

S1.1.q6 In the last three years (2008-2009, 2009-2010, and 2010-2011), how many student contact days did the school have to be closed due to facilities-related issues (e.g., broken pipes, a furnace that needed repairing, air quality issues, etc.)? *(Enter whole numbers only)*

Please indicate to what extent you agree with the following statements:

<i>Strongly Disagree</i>	<i>Disagree</i>	<i>Agree</i>	<i>Strongly Agree</i>
--------------------------	-----------------	--------------	-----------------------

S1.1.q7a Students with disabilities have access to the entire school facility.

S1.1.q7b The school facility contributes to student learning.

S1.1.q7c The school facility contributes to a positive school climate/culture.

Section 1.2 – Future Facility Plans

S1.2.q1 What is the school’s desired enrollment in five years (2016-2017)?

S1.2.q2 Does the school’s current facility have adequate space for the desired enrollment five years from now (2016-2017)?
[If yes, skip to S2.1.q1]

<i>Yes</i>	<i>No</i>
------------	-----------

S1.2.q3 Does the school have a feasible, specific facility plan to construct or acquire adequate space for the desired enrollment five years from now (2016-2017)?

<i>Yes</i>	<i>No</i>
------------	-----------

Section 2 – General Facility Information

Section 2.1 – General Characteristics

S2.1.q1 In which time period was the original facility construction completed?

1. prior to 1920
2. 1920s-1940s
3. 1950s-1960s
4. 1970s-1980s
5. 1990s
6. 2000 or newer

S2.1.q2 Was the original facility constructed to be a school?

Yes	No
-----	----

S2.1.q3 Please select the statement that best applies to the permanence of the school's current facility:

1. The school has only trailers/modular classrooms.
2. The school has only permanent building(s) including prefabricated buildings.
3. The school has both trailers/modular classrooms and a permanent building(s).

Section 2.2 – Facility Ownership

Please provide the approximate percentage (between 0 and 100) of the school's FACILITY that is owned by the following (NOTE: the sum of the percentages listed should add to 100):

0 10 20 30 40 50 60 70 80 90 100%

S2.2.q1a The school (or building corporation formed by the school)

S2.3.q4 How many schools, including yours, share this facility?

1. 1
2. 2
3. 3
4. 4
5. 5
6. 5+

S2.3.q5 What is the school's current understanding (based on a written agreement or conversation with the district) about how long it may remain in the facility?

1. Through the end of the 2011-2012 school year
2. For one additional school year
3. Two more school years
4. Three more school years
5. Four more school years
6. Five more school years
7. More than five school years
8. Indefinitely
9. Do not know

S2.3.q6 How long does the school plan to remain in a shared use facility?

1. Through the end of the 2011-2012 school year
2. For one additional school year
3. Two more school years
4. Three more school years
5. Four more school years
6. Five more school years
7. More than five school years
8. Indefinitely
9. Do not know

Please select the response that most accurately describes the extent to which you agree or disagree with the following statements:

<i>Strongly Disagree</i>	<i>Disagree</i>	<i>Agree</i>	<i>Strongly Agree</i>	<i>NA – This is the only school in this facility</i>

S2.3.q7a Students from other co-located schools have a negative impact on the school’s climate and/or discipline.

S2.3.q7b Administrative/systems issues (e.g., PA announcements, bell schedules) from other co-located schools have a negative impact on the school’s climate and/or discipline.

S2.3.q7c Adults from other co-located schools have a negative impact on the school’s climate and/or discipline.

S2.3.q8 What are the school’s greatest concerns about co-location (shared use)? (Check all that apply.)

1. Implementing the school’s curriculum/educational program given the amount of exclusive space that it has been allocated
2. Implementing the school’s curriculum/educational program given the amount of time (or time of day) that it has been allocated use of shared space.
3. Keeping students safe in the facility
4. Keeping students safe on the school grounds
5. Maintaining a school climate consistent with the school’s mission and that is conducive to learning
6. The uncertainty about whether or not the school will be able to remain in the facility
7. The quality of the building-wide staff that are shared
8. Supervision of and/or interaction with the shared staff
9. The effectiveness of the building council
10. The amount of time spent in building council meetings
11. Securing matching funds for all co-located schools prior to being able to make capital improvements

Section 3 – Site and Facility Amenities

Section 3.1 – Site Amenities

S3.1.q1 Does the school have its own playground?

1. Yes (Skip to 3 if selected)
2. No (Skip to 4 if selected)
3. No, but there is a local/adjacent park with a playground that we use for this purpose.

S3.1.q2 [For schools answering choice 3 to question Q1] Check the ways, from the following options, in which the local/adjacent playground meets the students' needs.

1. Size is adequate
2. Number of hours per week of availability is sufficient
3. Times of availability are convenient
4. None of the above are true

S3.1.q3 Is there a separate playground for the early childhood and kindergarten students?

Yes	No
-----	----

S3.1.q4 Does the school have its own play/athletic field(s)?

1. Yes (Skip to 6 if selected)
2. No (Skip to 8 if selected)
3. No, but there is a local/adjacent park with an adequate athletic field that we use for this purpose.

S3.1.q5 Check the ways, from the following options, in which the local/adjacent athletic field meets the students' needs.

1. Size is adequate
2. Number of hours per week of availability is sufficient
3. Times of availability are convenient
4. None of the above are true

S3.1.q6 Is the play/athletic field for student use natural grass or artificial turf (schools with dirt, gravel or similar field surfaces should answer 'no')?

Yes	No
-----	----

S3.1.q7 Is the play field large enough for normal school activities?

Yes	No
-----	----

S3.1.q8 Does the site have a perimeter fence?

Yes	No
-----	----

Section 3.2 – Physical Education

S3.2.q1 Does the school have its own gymnasium?

1. Yes (Skip to 3, if selected)
2. No (Skip to Section 3.3_1, if selected)
3. No, but there is a local/adjacent facility with a gym that the school uses for this purpose

[For schools answering choice 3 to question Q1] Check the ways, from the following options, in which the local/adjacent gym meets the students' needs.

1. Size is adequate
2. Number of hours per week of availability is sufficient
3. Times of availability are convenient
4. None of the above are true

S3.2.q3 Was the gym designed to be a physical education space?

Yes	No
-----	----

S3.2.q4 Are there locker rooms and/or shower facilities associated with the gym (i.e., in close proximity) for student use?

Yes	No
-----	----

Section 3.3 – Lunch Room

S3.3.q1 Does the school have a full preparatory food kitchen that meets school district requirements to prepare hot meals?

Yes	No
-----	----

S3.3.q2 Does the school have dedicated space and equipment for keeping food for students warm (that typically has been prepared at another location)?

Yes	No
-----	----

S3.3.q3 Does the school have dedicated space and equipment for keeping food for students cold (that typically has been prepared at another location)?

Yes	No
-----	----

Section 4 - District Land and Facilities

Section 4.1 – Use of District Owned Facilities

S4.1.q1 Does the school currently use a district owned facility? **[SKIP to S4.2_1 if responded YES]**

Yes	No
-----	----

S4.1.q2 To the best of your knowledge, is there a vacant district owned facility near the school? [SKIP to S4.2_1 if responded NO]

Yes	No
-----	----

S4.1.q3 Has the school ever approached the district about use of its vacant facility? [SKIP to S4.2_1 if responded NO]

Yes	No
-----	----

S4.1.q4 Was the school offered use of the district's vacant facility? [If YES, skip to S4.2_1]

Yes	No
-----	----

S4.1.q5 What explanation was given for denying the school use of the district's unused facility?

1. The district said it had plans for future use or possible use as a school.
2. The district said it had plans for future use or possible use as a support facility (storage, office space, etc.).
3. The district gave another explanation.
4. The district gave no explanation.

Section 4.2 – Use of District Owned Land

S4.2.q1 Does the school currently have use of district owned land? [SKIP to S5.1_Q1 if responded YES]

Yes	No
-----	----

S4.2.q2 To the best of your knowledge is there unused district owned land near the school? [SKIP to S4.3_1 if responded NO]

Yes	No
-----	----

S4.2.q3 Has the school ever approached the district about use of its unused land? [SKIP to S4.3_1 if responded NO]

Yes	No
-----	----

S4.2.q4 Was the school offered use of the district's unused land? [SKIP to S4.3_1 if responded YES]

Yes	No
-----	----

S4.2.q5 What explanation was given for denying the school use of the district's unused land?

1. The district said it had plans to for future use or possible use as a school site
2. The district said it had plans for future use or possible use as a support facility site (storage, office space, etc.).
3. The district gave another explanation.
4. The district gave no explanation.

Section 4.3 – Underutilized District Facilities

S4.3.q1 To the best of your knowledge, is there a district owned facility near the school that is significantly underutilized (30 percent or more unused capacity)?

Yes	No
-----	----

Section 5 – Site and Facility Characteristics

Section 5.1 – School Site

Please select the response that most accurately describes the extent to which you agree with the following statements regarding the school's site:

<i>Strongly Disagree</i>	<i>Disagree</i>	<i>Agree</i>	<i>Strongly Agree</i>	<i>Not Applicable</i>
--------------------------	-----------------	--------------	-----------------------	-----------------------

- S5.1.q1 The roof leaks rarely, if ever.
- S5.1.q2 The site does not exhibit regular drainage problems such as standing water.
- S5.1.q3 The site shows no signs of apparent erosion.
- S5.1.q4 Sidewalks are adequately located and sized for student safety.
- S5.1.q5 The site is adequately lighted.
- S5.1.q6 The parking lot is adequately lighted.
- S5.1.q7 The site is free of hazards like large cracks in the pavement or sidewalks and uneven ground.

Section 5.2 – Windows and Lighting

Please indicate the extent to which you agree with the following statements regarding the school's windows and lighting:

<i>Strongly Disagree</i>	<i>Disagree</i>	<i>Agree</i>	<i>Strongly Agree</i>
--------------------------	-----------------	--------------	-----------------------

- S5.2.q1 Most classrooms/instructional spaces have enough natural day-lighting, sufficient to occasionally turn off electric lights.
- S5.2.q 2 Most classrooms/instructional spaces have windows permitting views of the outside.
- S5.2.q 3 Most classrooms/instructional spaces have windows that operate (open and close).
- S5.2.q 4 Most of the school's windows have insulated glass (thermal pane).
- S5.2.q 5 Electric lighting is adequate for a majority of the school's activities.

Section 5.3 – Noise

Please select the response that describes the extent to which you agree with each of the following:

<i>Strongly Disagree</i>	<i>Disagree</i>	<i>Agree</i>	<i>Strongly Agree</i>
--------------------------	-----------------	--------------	-----------------------

- S5.3.q1 Noise generated by the building mechanical systems (e.g., furnace, air conditioner, etc.) is disruptive in the classrooms.
- S5.3.q2 Exterior noise intrusion (e.g., traffic, trains, aircraft, and industry) is disruptive in the classrooms.
- S5.3.q3 Noise generated from other classrooms or corridors is disruptive in the classrooms.
- S5.3.q4 Noise generated by the building mechanical systems (e.g., furnace, air conditioner, etc.) can be heard inside the specialized instructional spaces (e.g., library, computer lab, science lab, music room, etc.) and learning is significantly impacted.
- S5.3.q5 Noise from the gym, auditorium, or lunchroom impacts learning in classrooms.
- S5.3.q6 Noise from the specialized instructional spaces (e.g., library, computer lab, science lab, music room, etc.) impacts learning in other classrooms.

Section 5.4 – Air Quality

Please answer the following questions regarding the school's air quality:

Yes	No	DK
-----	----	----

- S5.4.q1 Has the school experienced air quality problems due to mold or mildew?
S5.4.q2 Is the air quality in the majority of classrooms good?
S5.4.q3 Is the air quality throughout the rest of the facility good?

Section 5.5 – Mechanical and Electrical

Please respond to the following statements regarding the general temperature in the school:

Strongly Disagree	Disagree	Agree	Strongly Agree
-------------------	----------	-------	----------------

- S5.5.q1 The temperature in the classrooms is reasonably comfortable throughout the school year.
S5.5.q2 The temperature throughout the building is reasonably comfortable throughout the school year.
S5.5.q3 Most classrooms are air conditioned.

Please indicate the extent to which you agree with the following statements:

Strongly Disagree	Disagree	Agree	Strongly Agree
-------------------	----------	-------	----------------

- S5.5.q4 Most classrooms have a telephone available for teacher use.
S5.5.q5 Most classrooms have electrical power outlets adequate in number and location for the majority of activities.

Section 5.6 – Plumbing and Fixtures

Please select the response that describes the extent to which you agree with each of the following:

Strongly Disagree	Disagree	Agree	Strongly Agree
-------------------	----------	-------	----------------

- S5.6.q1 The water pressure inside the facility is adequate.
S5.6.q2 The quantity of student toilet rooms is adequate.
S5.6.q3 The student toilet rooms are well-located.
S5.6.q4 The quantity of adult toilet rooms is adequate.
S5.6.q5 The adult toilet rooms are well-located.
S5.6.q6 The quantity of drinking fountains is adequate.
S5.6.q7 The drinking fountains are well-located.

Section 6 – Facility Funding and Expenditures

Note: In this section you will be asked for dollars amounts. Please enter whole numbers rounded to the nearest dollar -- no dollar signs, decimal points or commas.

Section 6.1 – Capital Projects

- S6.1.q1 Has the school facility undergone, or will it undergo, any major capital projects between July 1, 2007, and June 30, 2012? **[Skip to S6.1_4 if NO]**

Yes	No
-----	----

What types of capital project(s) has the facility undergone, or will it undergo, in this five year period (7/1/2007 through 6/30/2012)?
 [Check all applicable]

- S6.1.q2a Purchased land and/or a facility
- S6.1.q2b Constructed a facility
- S6.1.q2c Constructed an addition to an existing facility
- S6.1.q2d Renovated or upgraded an existing facility
- S6.1.q2e Undertaken major facility repairs
- S6.1.q2f Other
- S6.1.q2g Narrative explanation if S6.1.q2f checked

Please list the amount of funding (enter whole numbers only – no dollar signs, decimal points or commas) from each of the following sources and the total amount spent on capital projects during this five year period (7/1/2007 through 6/30/2012). For schools with expenditures on capital projects in 2011-2012, include the estimate of the dollars that will be spent by the end of the school year. Note: the sum of the funds from each source should be equal to the total amount spent over the five year period.

- S6.1.q3a Cash from school district (other than bond dollars)
- S6.1.q3b School PPR and reserve funds generated from PPR
- S6.1.q3c Gifts and fundraising

- S6.1.q3f Total spent over the last five years on capital projects (should equal the sum of a-e above)

S6.1.q4 Is the school currently (in 2011-2012) saving money from per pupil funding for any of the following? Note: answer NO if the dollars being saved are a bond program reserve requirement for capital replacement or repair. Do not include dollars that will be spent in 2011-2012

1. Yes, for the purchase of an existing facility (current facility or other)
2. Yes, for the renovation of the current facility
3. Yes, for the construction of a new facility
4. No, not currently saving from per pupil funding [SKIP TO S6.2_1, IF SELECTED]

S6.1.q 4b Please estimate the amount that will be saved in the 2011-2012 school year.

Section 6.2 – Bond and Loan Information

S6.2.q1 Does the school have bond or loan expenditures for the current land and/or facility? [SKIP to S6.3_1 if answered NO]

Yes	No
-----	----

S6.2.q2 What will be the total annual principal and interest payment for the bonds and/or loans in 2011-2012?

S6.2.q3 Does the school have a required reserve for capital replacement or repair? [SKIP to S6.3_1 if answered NO]

Yes	No
-----	----

S6.2.q4 How much will the school pay into this reserve account in 2011-2012? (Whole numbers only)

Section 6.3 – Rental Information

S6.3.q1 Does the school currently pay rent for the school's land or facility? [SKIP to S6.4_1 if answered NO]

Yes	No
-----	----

S6.3.q2 What is the total rental payment for 2011-2012?

Please check all items that are included in the rent:

- S6.3.q3a Gas/fuel oil/propane
- S6.3.q3b Electricity
- S6.3.q3c Water
- S6.3.q3d Sewage
- S6.3.q3e Custodial services
- S6.3.q3f None of the above
- S6.3.q3g Other, please specify and briefly describe the purpose of the payment
- S6.3.q3h Narrative explanation of S6.3.q3g

S6.3.q4 Does the school make any payments to the owner other than rent (including facility assessments paid to the district)? **[SKIP TO S6.4_1 IF NO]**

Yes	No
-----	----

S6.3.q4b If yes, please provide the total payment for 2011-2012.

S6.3.q4c If yes, briefly describe the purpose of the payment.

Section 6.4 – Utilities

Provide the annual utility costs for the school in each of the following areas (please round to the nearest dollar -- no dollar signs, decimal points or commas and use actual costs from the 2009-2010 school year). Enter a 0 if the cost is included in your lease

- S6.4.q1a Gas, propane, fuel oil, and/or electricity
- S6.4.q1b Water and/or sewage

Section 7 – Access to Special, State and Local Sources of Facility Funding

Section 7.1 – Local Funding Sources

S7.1.q1 Has the authorizing district had a general obligation bond election for facilities since July 1, 2006, or since the charter school opened, whichever is later? **[SKIP to S7.2_Q1 if NO]**

Yes	No
-----	----

Please answer the following questions regarding the school's participation in district bond elections.

Yes	No	N/A
-----	----	-----

- S7.1.q2a Has the authorizing school district ever given the school notice of a future bond election? **[SKIP to 2c if NO]**

This ends your portion of the STATE Charter School Facilities Survey. Thank you for your participation. This information will be used to create a charter school facilities database that identifies prominent strengths and shortcomings in multiple states' facility landscapes and provides valid data for analysis that will enable states to develop policy responses.

If you have not already been contacted by the STATE CSO to make an appointment to come measure your school's facility, please contact CSO CONTACT immediately. If you have been contacted and have not yet set a time, please do so immediately.

A final report outlining the results of the STATE charter school facilities survey will be available in ANITICIPATED MONTH.

Thank you!

Section 8 – Total Facility and Site Measurements

Note: All questions in Section 8 should be answered based on the 2011-2012 school year.

Section 8.1 - Facility and Site Size

S8.1.q1 How large is the facility in square feet (total square feet including modular classrooms)?

S8.1.q2 How large is the school site, in acres (space that is exclusively for the school's use)? 1 acre = 43,560 sq. feet, so to get acres from square feet, divide the square footage by 43,560. Enter up to one decimal place.

Note: the site measurement includes the facility footprint. However, if the school does not have any dedicated outdoor area, please enter 0.

S8.1.q3 Does this facility rely upon exterior (outside) space to connect different buildings serving a single population of students? **[Skip to S9.1_1 if NO]**
