On June 14, 2011, the Commission issued a Notice in Docket No. IC11-523-000 to solicit public comment on extending the expiration of an information collection. On August 29, 2011, the Commission issued a Notice in Docket No. IC11-523-001 regarding its submission of an information collection to the Office of Management and Budget for review of information collection requirements. This Errata corrects an error originating in the June 14 notice and carried into the August 29 notice.

On page 3, in the table, the average burden hours per response should be changed from 88 to 70.4. This lower figure reflects the actual estimated burden that was previously approved by OMB and not used in the table due to an oversight. Changing this figure in the table necessitates changing the total annual burden hours listed in the table from 11,669 to 9,363 (rounded).

On page 4, due to correcting the error on page 3, the first two sentences should read:

The estimated total cost to respondents is \$640,879 (rounded) [9,363 hours/2080 hours per year, times \$142,372 equals \$640,879]. The cost per respondent annually is \$8,216 (rounded).
