HUD Manufactured Home Installation Certification And Verification Report

U.S. Department of Housing and Urban Development Office of Manufactured Housing Programs

OMB Approval No. 2502 - xxxx Expires xx/xx/xxxx

The Manufactured Housing Installation Program Regulations 24 CFR Chapter XX Part 3286 Sections 111 and 411requires the licensed installer certify that the manufactured home has been installed and inspected in accordance with the regulations. The Manufactured Housing Installation Program Regulations 24 CFR Chapter XX Part 3286 Subpart F requires a qualified inspector verify that the manufactured home has been installed in accordance with the requirements of Part 3286 and Part 3285. The information collected here will ensure that the licensed installers and qualified inspectors inspect the minimum elements for compliance. Public record burden for the collection of information is estimated to average 3.5 hours per response including the time to review instructions, search existing data sources, gathering and maintaining the data needed, and completing and reviewing the collected information. Response to this information is mandatory. This agency may not collect this information, and you are not required to complete this form, unless the form displays a currently valid OMB control number.
