Reporting	72.212(b)(2)	-25.0	-125.0	0.0	0.0	0.0	0.0	-25.0	-125.0	The requirement to register casks was previously contained in 72.212(b)(1)(ii) prior to the final rule. The final rule also added a requirement to report the amendment number when registering a cask, which increased the estimate for the registration requirement from 1 hr to 1.2 hours. In the rule package, each report of the amendment number was counted as a separate response. However, the registration of the cask (including reporting of the amendment number) is a single response. The renewal corrects for this, and results in a decrease in responses for this requirement.
