Dear Area 1 Lobster Fishery Constituent:

We published a final rule on **DATE** to implement a limited entry program for Area 1 (Gulf of Maine) American lobster trap fishery. Our permit and trap tag records indicate that there is insufficient data available to pre-qualify the permit's eligibility based on the criteria set forth in the final rule; however, you may submit an application to qualify your vessel's permit for the Area 1 lobster trap fishery by submitting documentation in support of the following eligibility criteria published in the final rule.

Eligibility Criteria

- (1) Possession of a valid and current Federal Lobster permit as of the date of the application; and
- (2) That the involved Federal Lobster Permit had an Area 1 trap designation for the 2008 fishing year on or before January 2, 2009; and
- (3) That at least one trap tag was purchased to fish with traps under the involved Federal Lobster Permit in any one fishing year from 2004 to 2008.

Documentary Proof

(1) As proof of a valid Federal lobster permit, the applicant must provide a copy of the vessel's current Federal lobster permit. The potential qualifier may, in lieu of providing a copy, provide NMFS with such data that would allow NMFS to identify the Federal Lobster Permit in its data base, which would at a minimum include: the applicant's name and address, vessel name and permit number.

(2) As proof of the Lobster Permit's 2008 Area 1 trap designation, the applicant must provide a copy of the vessel's Federal Lobster Permit for the 2008 Fishing Year. The potential qualifier may, in lieu of providing a copy, provide NMFS with such data that would allow NMFS to identify the Federal Lobster Permit in its data base, which would at a minimum include: the applicant's name and address, vessel name and permit number.

(3) As proof of trap tag purchases in any one fishing year from 2004 to 2008, the applicant must provide documentation from those years, either from the trap tag vendor

supplying the tags or from the state or Federal government agency, affirming the purchase of the tags from the vendor.
