

Justification for Change

0920-0879 - Surveys of State, Tribal, Local and Territorial (STLT) Governmental Health Agencies

This non-substantive change request is to correct the burden requested at time of clearance.

The estimated annualized burden approved was 40,080 hours, which was one-third of the total burden.

For generic clearances, the total amount of burden for the entire clearance period must be submitted for approval.

Total estimated burden and responses for the 3-year approval period:

Type of Respondent	Responses	Burden Hours
State, Territorial, or Tribal Health Officials/Employees	2880	2,880
County Health Employees	18000	36,000
Municipal/City Health Employees	600	1,200
Total	64,480	120,240

There are no other changes involved in this request.
