insert date will be the last day to complete the SurveyMonkey questionnaire focusing on CDC's Infectious Diseases (ID) Reference Laboratories. Once the survey is closed we will be tabulating the ratings and using your responses to guide the strategic plans for our ID Reference Laboratories. For those who have responded, we thank you very much; for those who have not completed the short survey, please do so as soon as possible. If you have any questions, please contact Dr. Roberta Carey, rcarey@cdc.gov or 404-639-7328.
