

## ATTACHMENT H: Assessment of Awareness and Use of EAPO Products – Online Survey Screen Shots

Survey | Qualtrics Survey Software

### Awareness and Use of EAPO Products

**Deloitte.**

Welcome! This questionnaire is about awareness and use of selected products developed and disseminated by the Centers for Disease Control and Prevention (CDC), Epidemiology and Analysis Program Office (EAPO) and used by leaders at state and territorial health departments.

You were invited to give your opinions based on your role at a health department. A few others at your health department may also have been selected. We are interested in the perspective of each individual selected for participation, and ask for your time and assistance. Completing the questionnaire is voluntary and takes approximately 25 minutes.

Deloitte Consulting LLP (Deloitte) is conducting this assessment on behalf of CDC. Your privacy is very important to us. Deloitte will not publish or share any identifying information about individual respondents with CDC. There are no known risks or direct benefits to you from participating or choosing not to participate, but your answers will help CDC/EAPO improve the usefulness of its products for health departments.

If you have any questions or concerns about this assessment, please contact Meklit Hailemeskal at [mhailemeskal@deloitte.com](mailto:mhailemeskal@deloitte.com) or 404-220-1808.

To begin, please click next.

---

Public reporting burden of this collection of information is estimated to average 25 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0879).

## Assessment of Awareness and Use of EAPO Products

Thank you for agreeing to take part in this assessment!

As you go through the assessment, please respond to the questions from your individual perspective and not that of your health department as a whole, unless otherwise indicated.

While completing the assessment in one session is recommended, you can save responses and resume the assessment later. Partially completed responses can be saved by closing your browser and restarted by clicking on the link to the assessment for up to 3 weeks after you initially begin the assessment. Please complete the assessment by [insert date], 2013.

Please click next to begin the assessment.

The Assessment of Awareness and Use of EAPO Products and Services is funded by the Centers for Disease Control and Prevention (CDC). The assessment is managed and implemented under contract by Deloitte Consulting, LLP (Deloitte).

## Assessment of Awareness and Use of EAPO Products

### OVERALL AWARENESS AND USE

What is your primary job function within your health department? (You may select more than one if you spend equal time in multiple roles.)

- State or Territorial Health Officer
- State or Territorial Epidemiologist
- Chronic Disease Program Director
- Infectious Disease Program Director
- Injury Prevention Program Director
- Environmental Health Program Director
- Public Health Information Officer
- Other, please specify:

### Assessment of Awareness and Use of EAPO Products

When was the last time you read or used the following products? (if you cannot recall, please give your best guess.)

	In the past month	In the past 2 - 6 months	In the past 7-12 months	Over 12 months ago	Never
The Community Guide	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Epi Info	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
MMWR	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
CDC Vital Signs	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

How do you use information provided by The Community Guide? (Select all that apply)

- Foster dialog about public health challenges and effective solutions
- Mobilize communities to address public health issues
- Inform research priorities
- Educate about the systematic review process and evidence-based public health
- Evaluate programs, services, and policies
- Establish priorities for seeking and using financial resources
- Develop overall program strategy
- Plan individual evidence-based interventions
- Justify existing programs
- Other (please specify):
- I do not use The Community Guide for the specified purposes

How important is each of the following factors for you when planning or developing a public health program or policy?

	Very important	Important	Neither important nor unimportant	Not very important	Not important at all
The program/policy is recommended by The Community Guide.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The program/policy is recommended by decision makers.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The program/policy is encouraged by the funding agency.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
There is strong evidence in support of the effectiveness of the program/policy.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The program/policy has been implemented by other health departments.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The program/policy has been shown to be relevant to the setting where I work.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The program/policy is requested by the community.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The program/policy is free to implement or has a low cost.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Personnel exist to guide all phases of the program or policy: planning and implementation process.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Technical assistance is available to support the implementation of the program/policy.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

If you have suggestions for making The Community Guide more useful for you, please enter them here. (Please limit your response to 500 characters.)

What are the reasons that you have not used The Community Guide? (Select the 3 most important reasons).

- I am not familiar with The Community Guide
- I do not understand The Community Guide
- My organization has low demand for systematic reviews
- I am skeptical about the methodology used to develop the Task Force findings
- I am uncertain about what makes the Task Force findings valuable
- I am uncertain about what to do with "insufficient evidence" findings
- My organization does not have sufficient staff to implement the Task Force-recommended programs, services or policies
- My organization does not have sufficient financial resources to implement Task Force-recommended programs, services or policies
- The Community Guide does not provide sufficient information on how to carry out the recommendations
- The Community Guide does not provide sufficient information about intervention cost and effectiveness
- The Community Guide does not cover the program areas in which I work
- Other, please specify:

# MMWR

**MMWR**

This section asks about your use and opinions of *MMWR*. *MMWR* is a series of publications that includes *MMWR Weekly*, *MMWR Surveillance Summaries*, *MMWR Recommendations and Reports*, and *MMWR Supplements*.

How do you typically receive *MMWR*? (Select all that apply)

- Email subscription
- Print subscription
- MMWR* website
- CDC website ([cdc.gov](http://cdc.gov))
- Reprints in professional journals (e.g., *Journal of the American Medical Association*)
- Summaries on Medscape, MedPage, or other commercial service
- Mobile applications (iPad app, iPhone app)
- Facebook
- Twitter feeds
- YouTube
- Other, please specify:
- I do not receive information related to *MMWR*

The Assessment of Awareness and Use of EAPO Products and Services is funded by the Centers for Disease Control and Prevention (CDC). The assessment is managed and implemented under contract by Deloitte Consulting, LLP (Deloitte).

Assessment of Awareness and Use of EAPO Products

Deloitte.

Would you be satisfied receiving *MMWR* content in a no-cost electronic format only?

- Yes
- No
- Don't know

The *MMWR Weekly* is a series of weekly reports on health conditions and risk or protective factors. In your view, how useful is *MMWR Weekly* for the following?

	Very useful	Somewhat useful	Not very useful	Not useful at all	Don't know
Staying up to date on current public health issues	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Publishing your scientific findings	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Researching a specific health topic	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Informing program development or implementation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Informing policy at the local, regional, or state level	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

The *MMWR Surveillance Summaries* are periodic summaries of public health surveillance findings from CDC programs. In your view, how useful are the *MMWR Surveillance Summaries* for the following?

	Very useful	Somewhat useful	Not very useful	Not useful at all	Don't know
Researching a specific health topic	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Informing program development or implementation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Informing policy at the local, regional, or state level	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

The *MMWR Recommendations and Reports* are in-depth articles that relay CDC policy statements for disease prevention and treatment. In your view, how useful are the *MMWR Recommendations and Reports* for the following?

	Very useful	Somewhat useful	Not very useful	Not useful at all	Don't know
Researching a specific health topic	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Informing program development or implementation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Informing policy at the local, regional, or state level	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Have you ever used the *MMWR Weekly* or *MMWR Recommendations and Reports* to obtain continuing education (CE) credit?

- Yes
- No
- I do not recall

## Assessment of Awareness and Use of EAPO Products

What are the reasons you have not used *MMWR* to obtain continuing education (CE) credit? (Select all that apply)

- I do not need CE credit
- I was not aware I could use the *MMWR* to obtain CE credit
- I do not know how to use the *MMWR* to obtain CE credit
- The process for using *MMWR* to obtain CE credit is too complicated
- The process for using *MMWR* to obtain CE credit is too time-consuming
- I prefer to obtain CE credit through other training
- Other, please specify:

Have you ever written a scientific article for publication?

- Yes
- No
- I do not recall

The Assessment of Awareness and Use of EAPO Products and Services is funded by the Centers for Disease Control and Prevention (CDC). The assessment is managed and implemented under contract by Deloitte Consulting, LLP (Deloitte).

## Assessment of Awareness and Use of EAPO Products

### CDC VITAL SIGNS

This section asks about your use and opinions of CDC *Vital Signs*. CDC *Vital Signs* is a monthly publication on topics of high public health importance. It includes a report of recent health surveillance data in the *MMWR Weekly* coupled with a 4-page color fact sheet containing calls to action and media materials.

CDC *Vital Signs* has covered the following 11 topics in the past 12 months: binge drinking, HIV among youth, breast cancer, teen drinking and driving, blood pressure, walking for health, prescription drug overdose, child injury, health care associated infections, and sodium in foods.

In the past 12 months, approximately how many issues have you seen of each of the following kinds of CDC *Vital Signs* materials? If you cannot recall the exact number, please give your best guess.

CDC <i>Vital Signs</i> Fact Sheet (a 4-page document in print, PDF, or online)	<input type="text"/>
A CDC <i>Vital Signs</i> Press Release	<input type="text"/>
An issue of <i>MMWR</i> ( <i>Morbidity and Mortality Weekly Report</i> ) including CDC <i>Vital Signs</i> (Please note that not all <i>MMWR Weekly</i> issues include <i>Vital Signs</i> reports)	<input type="text"/>

Please indicate all the ways that you received these CDC *Vital Signs* materials in the past 12 months. (Select all that apply)

- I subscribed to get CDC *Vital Signs* materials from the CDC directly
- I got CDC *Vital Signs* materials from a member organization, such as the American Public Health Association (APHA) or the National Public Health Information Coalition (NPHIC)
- I got CDC *Vital Signs* materials from my boss or co-worker
- I saw CDC *Vital Signs* materials on the CDC website ([cdc.gov](http://cdc.gov))
- I saw CDC *Vital Signs* materials on other websites (i.e., besides the [cdc.gov](http://cdc.gov) website)
- Some other way, please specify:

Survey | Qualtrics Survey Software | Current Progress 65%  
http://deloitte.us.qualtrics.com/SE/?SID=SV\_0vR8ZFo4IGVibwp

In your view, how useful is CDC *Vital Signs* for...

	Very useful	Somewhat useful	Not very useful	Not at all useful	Don't know
Improving your own understanding of a public health issue and actions that are needed.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Improving other staff members' understanding of a public health issue and actions that are needed.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Developing communications that increase awareness and understanding of issues among the general public.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Developing communications that increase awareness and understanding of issues among health professionals.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Informing program development or implementation.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Informing policy at the local, regional or state level.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

In the past 12 months, to the best of your knowledge, what activities have you or others at this health department used CDC *Vital Signs* for? (Select all that apply)

- Improving your understanding of a public health issue and actions that are needed
- Improving other staff members' understanding of a public health issue and actions that are needed
- Developing communications that increase awareness and understanding of issues among the general public
- Developing communications that increase awareness and understanding of issues among health professionals
- Informing program development or implementation
- Influencing policy at the local, regional or state level
- Other, please specify:
- None of the above
- Don't know

On the last page of each CDC *Vital Signs* 4-page fact sheet, there is a section entitled "What Can Be Done." To the best of your knowledge, have you or anyone else at your health department tried to follow any of the recommended action items in this section during the past 12 months, at least in part because they read about them in CDC *Vital Signs*?

- Yes
- No
- Don't know

You indicated that you have shared CDC *Vital Signs* materials with colleagues. In general, did you send CDC *Vital Signs* materials "as is" or did you modify the materials?

- Sent CDC *Vital Signs* materials "as is"
- Modified the materials by adding my own state or territorial data
- Modified the materials in another way
- I don't know

To the best of your knowledge, for the last 12 issues of CDC *Vital Signs*, how often did you or staff in your health department...? If you cannot recall the exact amount, please give your best guess.

	Always	Often	Sometimes	Rarely	Never	Don't know
Post the CDC <i>Vital Signs</i> materials or something about them on your website	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Post something about CDC <i>Vital Signs</i> on Twitter or Facebook	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

The Assessment of Awareness and Use of EAPO Products and Services is funded by the Centers for Disease Control and Prevention (CDC). The assessment is managed and implemented under contract by Deloitte Consulting, LLP (Deloitte).

## Assessment of Awareness and Use of EAPO Products

In your view, what are the reasons that you have not used CDC Vital Signs in the past 12 months? (Select all that apply)

- I do not see it often enough
- It does not address topics relevant to my health department's program or policy focus
- It does not seem "newsworthy" enough - i.e., it does not speak to issues that are likely to be appealing to the media or public
- It would take too much work to make materials ready for distribution to the public or health professionals
- I can get the same information elsewhere
- I have not gotten support from others at this health department to do that
- It does not seem scientifically credible
- I am overwhelmed and can't take on anything more
- Other reason, please specify:

Which of the following changes would make CDC Vital Signs more useful for your communication, program and policy efforts? (Select all that apply)

- Having space for co-branding materials
- Having materials already ready to share with the public
- Having sample tweets
- Having sample press releases
- Having a summary of talking points
- Having the material be more "newsworthy" i.e., having it speak to issues that are likely to be appealing to the press or public
- Having more in-depth information
- Having earlier release to health departments
- Something else, please specify:

### Assessment of Awareness and Use of EAPO Products

When you look at Science Clips, which portion(s) do you typically read? (Select all that apply)

- Top Ten Articles of the Week
- CDC-authored publications
- Key scientific articles in featured topic areas
- Public health articles noted in the media
- Editorial note (essays accompanying top ten selections)
- None of the above

Please indicate the level to which you agree or disagree with each of the following statements:

	Strongly agree	Agree	Neither Agree nor Disagree	Disagree	Strongly Disagree
Science Clips keeps me abreast of the most important new science in my field.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Science Clips provides information that I would not get otherwise.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Science Clips covers most of the topics that are important for my job.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I am usually able to access the journal articles in Science Clips that I want to read.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Science Clips helps me do my job better.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Science Clips makes it easy to keep up with literature in my field.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Overall, I find Science Clips to be a valuable product.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

If you have suggestions for making Science Clips more useful for you, please enter them here. (Please limit your response to 500 characters.)

## Assessment of Awareness and Use of EAPO Products

You indicated that you are aware of *Science Clips* but have not read it. Why aren't you reading *Science Clips*?  
(Select all that apply)

- The content isn't relevant to my job
- I cannot access the articles featured within it
- It doesn't provide me with new, useful information
- It takes too long to read
- Other, please specify:

The Assessment of Awareness and Use of EAPO Products and Services is funded by the Centers for Disease Control and Prevention (CDC).

### RESPONDENT CHARACTERISTICS

These questions ask about you and your use of social media for obtaining public health information. This information is helpful to identify useful methods of disseminating CDC/EAPO products and services.

Which, if any, social media tools do you use for obtaining public health information and news? (Select all that apply)

- Facebook
- Twitter
- LinkedIn
- YouTube
- Other, please specify:
- I do not use any social media tools for obtaining public health information and news

The Assessment of Awareness and Use of EAPO Products and Services is funded by the Centers for Disease Control and Prevention (CDC). The assessment is managed and implemented under contract by Deloitte Consulting, LLP (Deloitte).

## Assessment of Awareness and Use of EAPO Products

In the past 12 months, have you used any social media tools (e.g., Facebook, Twitter, LinkedIn, YouTube) to receive information about the following products:

	Yes	No	Don't know
The Community Guide	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Epi Info	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
MMWR	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
CDC Vital Signs	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Science Clips	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

How long have you been working in your primary job function?

- Less than 1 year
- Between 1 and 4 years
- Between 5 and 9 years
- Between 10 and 14 years
- Between 15 and 19 years
- 20 or more years
- Prefer not to answer

How long have you worked in public health?

- Less than 1 year
- Between 1 and 4 years
- Between 5 and 9 years
- Between 10 and 14 years
- Between 15 and 19 years
- 20 or more years
- Prefer not to answer

In what year were you born? Please input the year, after "19," i.e., "64."

### NEW SERVICES

This section asks about services that are not currently offered to state and territorial health departments by CDC/EAPO. We are interested in learning if your health department would use such services if they were made available by CDC or a public health partner organization.

If they were available to your health department, how often do you think your department might use the following services to support your work? Please give your best guess.

	At least once per week	At least once per month	At least once per year	Less than once per year	Never	Don't know
Electronic access to copyrighted journal articles.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Access to online library training courses (e.g. literature database search techniques, EndNote®).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Online portal to resources for community health assessment and improvement (e.g. community-level indicators of health outcomes and determinants, analytic, economic, and data visualization tools; scientific evidence for interventions).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Consultation on methods for community health assessment and improvement.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Consultation on public health research methods, study designs, and data analysis.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Technical support for management and statistical analysis of very large, complex datasets (e.g. medical claims databases, electronic health records).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
