State CODES/Linkage project focus groups
Edit your poll | 1 | 0 | less than a minute ago
Where: Conference Call

As mentioned in the email you just received, we are conducting focus groups to understand:
A. The characteristics of a successful CODES/linkage program
B. How to sustain a state data linkage program

We are trying to find common meeting times for groups. For each of the time slots listed please indicate whether or not you would be available. Based on your response we will assign you to one session.
