Subject: Only two days left to share your opinion on DSTDP funded STD programs

Good Day,

There are only two days left to provide feedback regarding the Federal staff that assists you with your state/city/county STD programs. Help us ensure that DSTDP is meeting your needs. In order to ensure this, we invite you to assess federal field staff through your participation in a **25-30 minute online survey**.

Again, thank you to those who completed the assessment. Your opinions will also help prioritize, refine, and improve DSTP's efforts to ensure we have a dedicated, satisfied, and energized workforce.

The data collection tool will be open from [[START DATE]] until [[END DATE]]. We look forward to hearing from you. Questions and concerns about the functionality of this survey should be sent to Bryan Lindsey at 404.639.6299 or email bk11@cdc.gov.
