Form approved
OMB No. 0920-0879
Expiration Date: 03/31/2014

Welcome! Thank you for agreeing to share your opinions about The Community Guide website and products. CDC is trying to understand your needs related to The Community Guide. The survey should take approximately 6 to 8 minutes to complete.

This survey will gather information about usefulness and satisfaction with the website from eligible subscribers such as you; satisfaction with Community Guide products; how products have been used; and recommendations for improving the website and Community Guide products. We will use your feedback to make improvements to The Community Guide website and products and to make the Guide more useful.

Your privacy is very important to us. Your responses to all questions will be kept secure as permitted by law. No personal identifiers will be recorded. All information will be used for evaluation purposes only, and CDC will share only aggregated data. Your participation is completely voluntary.

Once you begin the survey, you may save your responses return to the survey at a later time to complete. You must however, complete the survey before the survey close date of [INSERT DATE]. To proceed through the survey, select your answer for each question and click ["Next"]

Thank you.

Public reporting burden for this collection of information is estimated to average 6 to 8 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, , MS D-74, Atlanta, Georgia 30333, ATTN: PRA (0920-0879).
