

EXPEDITED – APPROVAL

April 15, 2011

Neil Schneiderman, Ph.D.
University of Miami
Department of Psychology
Coral Gables Campus, Locator Code: 0751
Flipse Building, Room 408
Coral Gables, FL 33124

HSRO STUDY NUMBER: **20070461**
STUDY TITLE: **Hispanic Community Health Study**
IRB ACTION DATE: **4/15/2011**
STUDY APPROVAL EXPIRES: **4/14/2012**
Continuing Report #: **CRR011441**
SPONSOR NAME: **National Institutes of Health**
FWA #: **FWA00002247**

On 4/15/2011, an IRB Designee approved the following items under the expedited review process. This review confirms that the grant application is consistent with the goals of the research proposed.

- Continuing Report (CRR011441)
- HIPAA Form B – Revision Date 03/27/06 (*English & Spanish*)

- Research Materials (*English & Spanish*)
 - Main Informed Consent Form
 - Proxy Form (Bilingual)
 - Proxy Follow-up Form (Bilingual)

NOTE: Translations of IRB approved study documents, including informed consent documents, into languages other than English must be submitted to HSRO for approval prior to use.

You must send a copy of each signed authorization form to the Office of HIPAA Privacy & Security, PAC 409, Locator M-879, telephone: 305-243-5000.

A request to continue this study must be submitted to the HSRO at least **45 days** before IRB approval expires. If this study does not receive continuing IRB approval prior to expiration, all research activities must cease, and it may be officially suspended or terminated.

Sincerely,

[This is a representation of an electronic record that was signed electronically and this page is the manifestation of the electronic signature]

Amanda Coltes-Rojas, MPH, CIP
Director
Regulatory Affairs & Educational Initiatives
