

Appendix B. Steering Committee Members

The role of the National Suicide Prevention Lifeline Steering Committee is to provide the network's primary investigators/administrators with expert guidance on the issues that affect the SAMHSA-funded National Suicide Prevention Lifeline network, its administration, the crisis center community, and its consumers. Steering committee members are listed below. For brief member descriptions, please visit:

<http://www.suicidepreventionlifeline.org/About/ExpertLeadershipMembers.aspx?Committee=Steering%20Committee>.
