We are doing a quality review to make sure we made the correct decision on these redeterminations. We picked **(fill-in 1)** name by chance, **NOT** for any other reason. To make sure we made the correct decision on **(fill-in 2)** redetermination, I would like to telephone you on **(fill-in 3)**. For general information about Social Security or to verify that this is an official communication, you can call our national toll-free number at 1-800-772-1213.

### **IMPORTANT INFORMATION**

You do not have to give us the requested information. If you do provide the information and your subsidy level is correct, we will not have to contact you to review your eligibility for at least another year unless you report a subsequent change in your income, resources or household size. However, if the information is incorrect or you do not provide the information, we may contact you to review your eligibility within the next few months. Such review of your eligibility could result in your subsidy level increasing, decreasing or stopping. The Social Security law that allows us to ask you questions is explained in the enclosed page, Privacy Act and the Paper Reduction Act Notice.

Your cooperation with this review will help us to ensure the process for helping Medicare beneficiaries with their prescription drug costs is providing the correct help to the correct people.

We would also like to remind you that if you (and your spouse if married and living together) have a change in your income, resources or household size, you should report this information to Social Security.
