

RSI/DI QUALITY REVIEW CASE ANALYSIS — PARENT

NOTE TO REVIEWER: In opening the interview, ask if the beneficiaries received an appointment letter. If the letter was not received, show the beneficiaries a copy of the letter. Explain that this case is one of a small number collected by chance for review, and that the purpose of this review is to find out how well the social security program is working. Stress that this case was not selected because there was any question about it. Tell them that the review consists of asking questions about their entitlement to social security benefits and that we need to talk to others who have information about their entitlement. If necessary, point out that the Social Security Administration is authorized by law to review from time to time the entitlement of beneficiaries.

The Paperwork Reduction Act of 1995 requires you that this information collection is in accordance with the clearance requirements of section 507 of the Paperwork Reduction Act of 1995. We may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a valid OMB control number. We estimate that it will take you about 20 minutes to complete this form. This includes the time it will take to read the instructions, gather the necessary facts and fill out the form.
