2. What will you need to do:

If you agree to be part of the study, you will be interviewed for about two hours. During the interview, we will ask you about relationships between parents and those that care for/teach their children. We will ask you to:

There are no costs related to the study other than the time needed to be part of the interview. We cannot be sure that everyone will benefit from being a part of the interview, but talking about this topic with others can be a learning opportunity. And, the results will help us improve questions about relationships

that parents and teachers/caregivers have. To thank you for your time, you will receive \$50 at the end of the interview.

4. Confidentiality:

Also, we would like your permission to record your interview so that we do not miss anything you say. We would also like your permission to use specific quotes from your interview in our reports. Your participation in this study is voluntary. That means that you are free to not participate in the interview. Nothing bad will

happen because you decide not to be in the study and you are not giving up any rights. If you learned about our study through a program your child is in, your child's participation at that program will not be affected. Also, once we begin, you may end the interview at any time.

Family-Provider Relationship Quality project: Cognitive Interview Protocol
Parent

Introduction

Hi. My name is _____ (and this is _____. _____ will be taking notes to help us remember what we cover.)

Before we get started, I want to tell you about the study and what we will be doing today.

INTERVIEWER: READ CONSENT FORM

INTERVIEWER: TURN ON TAPE RECORDER.

RECORD DATE: _____

RECORD START TIME: _____

INTERVIEWER'S INITIALS: _____

NOTETAKER'S INITIALS: _____

CONSENT TO PARTICPATE OBTAINED:	YES	NO
CONSENT TO RECORD INTERVIEW OBTAINED:	YES	NO

INTERVIEWER: IF NO TO CONSENT TO PARTICIPATE, INTERVIEW CANNOT TAKE PLACE.

Before we get started, I want to go over a few things.

The goal of our study is to develop questions about the quality of relationships between parents and those who care for and teach their children under the age of six [**FOR HEAD START PARENTS:** as well as their Family Service Worker.] We want to make sure that the questions we develop are easy to understand and make sense for parents. In the next section, I will give you the questions that have been written by others and ask you for your feedback. In these questions, I'll ask you to report about FOCAL CHILD. Please only answer with respect to FOCAL CHILD. Please think about FOCAL CHILD'S primary care arrangement; that is, the arrangement that he or she spends the most time in.

[**INTERVIEWER:** If no primary arrangement, ask respondent to choose the arrangement to report on.]

I will ask you to complete sections of the survey. After you've completed each section, I will ask follow-up questions. Some of the time, I will ask you how you answered a question. Other times, I will ask you why you answered a question the way you did or what a certain term meant to you. Please remember that there are no right or wrong answers.

So that we get the most from your help, it is very important that you tell me when something in a question does not make sense to you or seems weird to you in any way. Please tell me anytime if:

- a question seems hard to answer,
- the words in the question are hard to understand,
- you have a hard time coming up with an answer,
- the words in the question are not the ones that parents would use,
- you think other parents may not understand,
- you don't have the information to answer the question, or
- the question doesn't apply or make sense to ask about your child's care arrangement or program.

Any questions?

Okay, let get started.

First, we want to make sure that we are using the right words to describe your child's care arrangement or preschool setting.

- What words or terms do you use to describe your child's care arrangement or preschool setting?

- Are there any other words or terms that you use?

IF NEEDED: Does your child attend a Head Start?

- What about the person or people who care for or teach your child? How do you refer to them?

- Are there any other words or terms that you use?

- Are there terms that you wouldn't use?

IF HEAD START: Do you have a Family Service Worker?

IF YES: How do you refer to this person?

- How often do you interact with this person?

- What do you and your Family Service Worker interact about?

So that I can better understand the information you provide us, can you tell me about [FOCAL CHILD]'s child care arrangements or educational program.

IF NECESSARY:

- What kind of child care arrangement or educational program is it?

- Who cares for [him/her]?

 - Does he/she have one or more child care providers/teachers in this arrangement/program?

 - Who in your household interacts with the provider/teacher?
 - Does this vary by issue or by provider/teacher?

- Who drops off/picks up [FOCAL CHILD] from child care?

- How much time does [he/she] spend in this care arrangement/program (hours/days per week)?

INTERVIEWER: CONFIRM WHETHER CARE ARRANGEMENT IS SCHOOL/PROGRAM-BASED (E.G., HEAD START, DAY CARE PROGRAM, SCHOOL-BASED PRESCHOOL) OR HOME-BASED (CARE IS PROVIDED FROM PROVIDER'S OR SOMEONE ELSE'S HOME). CONFIRM NUMBER OF PROVIDERS (ONE, TWO, OR MORE PROVIDERS). UNLESS OTHERWISE STATED, PROBES ARE ADMINISTERED TO ALL PARENTS.

INTERVIEWER: USE TERMS PARENT USES FOR PROVIDER/TEACHER AND SETTING THROUGHOUT PROBES AND FOLLOW-UP QUESTIONS.

IF IN-PERSON INTERVIEW: GIVE R QUESTIONNAIRE PACKET

IF PHONE INTERVIEW: ENSURE R HAS QUESTIONNAIRE PACKET

I'd like you to open the package as you would if you just received it in the mail. Don't answer any questions, just do whatever you would do if you received it in the mail and were opening it in your home.

IF OVER THE PHONE: As you are doing this, please describe to me what you are doing.

[INTERVIEWER: TAKE NOTES ON WHAT THEY LOOKED AT, READ, OR NOTICED AND THE ORDER IN WHICH THIS WAS DONE.]

IF R SELECTED TO PROVIDE FEEDBACK ON RECRUITMENT MATERIAL: At the end, I will ask you some follow-up questions about the letter and brochures included in the envelope.

Now, I'd like to move to the questionnaire that is included in your packet. Let's start with the first set of questions on page 1. Please read and answer question 1. Take as much time as you need and let me know when you are done.

In the following pages, we will ask questions about your child’s care and early education. We will ask about your child’s education and care provider and about your feelings towards that provider. Some of these questions will be about how you and your provider work together to care for your child.

Now I'd like to move to the [2nd/3rd] survey in your packet.

As you know, the goal of our study is to develop easy-to-understand questions about the quality of relationships between child care providers/teachers and the families of the children they serve. As a part of that, we are interested in learning more about the physical environment of the early care and education setting that you work in/your child participates in. We will also be asking about services that THE PROGRAM/CARE SETTING/YOU may offer.

(As in the previous surveys) I will ask you to complete sections one-by-one and after you've completed each section, I will ask follow-up questions.

READ ONLY IF NECESSARY: Some of the time, I will ask you what your answer was to a question. Other times, I will ask you why you answered a question the way you did or what a certain term meant to you. Please remember that there are no right or wrong answers.

So that we get the most from your help, it is very important that you tell me when something in a question does not make sense to you or seems weird to you in any way. Please tell me anytime if:

- a question seems hard to answer,
- the words in the question are hard to understand,
- you have a hard time coming up with an answer,
- you don't have the information to answer the question, or
- the words in the question are not the ones that PARENTS/PROVIDERS/TEACHERS would use.

Do you have any questions about this?

Okay, let get started.
