Skip Logic	Bought Advice	This will provide insight about whether those who use the S-RE are planning ahead about retirement and using other sources. Also we can compare the two subgroups across other characteristics.
Skip Logic	Advice Source	

Assistance	We want to know if users get help and how frequently this occurs, which could be more prevalent among S-RE users. The group of users who are getting help may be computer illiterate or may have language proficiency problems.
------------	---

Skip Logic	Help Decision	This question will provide information on whether RE is affecting users retirement plans, and the ages they plan to retire.
Skip Logic	OE_Didn't help decide age to claim	
Skip Logic	Age to File	This question will provide information on distribution of the ages users plan to retire. Also it will allow to compare English versus Spanish users, or cross tab with other characteristics. .
