

## Questionnaire Management Guidelines

### Goals:

- One consolidated document to track all model and CQ changes throughout the life of the project
- Questionnaire always matches the live survey
- Easy and error-free way to submit CQ changes
- All changes tracked and reflected in one document (DOT will help)

### Questionnaire Resources:

## Welcome and Thank You Text

### Directions:

This welcome text is shown at the top of the questionnaire window and the thank you text at the bottom. This is a good place to mention the site/company/agency name so the visitor knows whom they are taking the survey for. Feel free to modify the standard Welcome text shown in the box below.

### Welcome Text

Thank you for visiting the **Office of Financial Stability**. You've been randomly chosen to take part in a brief survey to let us know what we're doing well and where we can improve.

Please take a few minutes to share your opinions, which are essential in helping us redesign the site to provide you the best online experience possible.

### Thank You Text

Thank you for taking our survey - and for helping the **Office of Financial Stability** serve you better.

Please note you will not receive a response from us based on your survey comments. If you would like us to contact you about your feedback, please visit the Contact Us section of our website and make sure to include your contact information.

'web site' has been corrected to now read 'website' in the text to the left

## Examples

### Welcome Text Example

The screenshot shows a web browser window titled "ForeSee Results Survey Page - Windows Internet Explorer". The address bar shows the URL: <http://www.foreseeresults.com/survey/display?cid=test&mid=0M60Fpkg00h5w>. The page content includes the ForeSee logo, the title "Customer Satisfaction Survey", and a welcome message: "Thank you for visiting our site. You've been randomly chosen to take part in a brief survey to let us know what we're doing well and where we can improve. Please take a few minutes to share your opinions, which are essential in helping us provide the best online experience possible. Required questions are denoted by an \*". Below the message is a question: "1: \*Please rate the ability to narrow choices to find the product(s) you are looking for on this site." followed by a rating scale from 1 to 10, with "1=Poor" and "Excellent=10" labels, and a "Don't Know" option.

### Thank You Text Example

The screenshot shows a web browser window displaying a survey question. At the top, there are two dropdown menus for "Football" and "Hockey", both set to "Please Select". The question is: "16: What size and style of jean were you shopping for today?". It is split into two columns: "What size of jean were you shopping for today?" and "What style of jean were you shopping for today?". The size column has radio buttons for 1, 2, 3, 5, 7, 9, 11, and 13. The style column has radio buttons for "Boot cut", "Low rise", "Flare", "Relaxed fit", and "Slim cut". Below the question is a thank you message: "Thank you for taking our survey - and for helping us serve you better. Please note you will not receive a response from us based on your survey comments. If you would like us to contact you about your feedback, please visit the Contact Us section of our web site." At the bottom are "Cancel" and "Submit" buttons. The footer includes "Copyright 2010 - all rights reserved", "ForeSee Results", "Privacy Policy", and "Survey Support". The browser status bar shows "Internet | Protected Mode: On" and "100%".
