## Welcome and Thank You Text

### Directions:

This welcome text is shown at the top of the questionnaire window and the thank you text at the bottom. This is a good place to mention the site/company/agency name so the visitor knows whom they are taking the survey for. Feel free to modify the standard Welcome text shown in the box below.

### Welcome Text

Thank you for visiting PSC.gov. You have been randomly selected to take part in a brief survey to let the Program Support Center know what we're doing well and where we can improve.

Please take a few minutes to share your opinions, which are essential in helping us provide the best online experience possible.

### Thank You Text

Thank you for taking our survey – and for helping PSC serve you better.

Please note you will not receive a response from us based on your survey comments. If you would like us to contact you about your feedback, please visit the Contact Us section of our web site.
