SEMI-ANNUAL PROGRESS REPORT FOR
Legal Assistance to Victims Grant Program

Brief Instructions: This form must be completed for each Legal Assistance for Victims Program (LAV Program) grant received. The grant administrator or coordinator must ensure that the form is completed fully with regard to all grant-funded activities. Grant partners, however, may complete sections relevant to their portion of the grant. Grant administrators and coordinators are responsible for compiling and submitting a single report that reflects all information collected from grant partners.

All grantees should read each section to determine which questions they must answer based on the activities engaged in under this grant during the current reporting period. Sections B and E must be completed by all grantees. In section A, subsection A1 must be answered. In section C, subsection C2 must be answered. In Section D and subsections A2, C1, C3, C4, and C5, grantees must answer an initial question about whether they engaged in certain activities during the current reporting period. If the response is yes, then the grantee must complete that section or subsection. If the response is no, the rest of that section or subsection is skipped.

For example, 1) if you are a legal services organization providing legal services with staff funded under this grant, you would complete sections A, B, D, E, and subsection C2 (and answer “no” in C1, C3, C4 and C5); or 2) if you receive funds for staff to provide training and technical assistance and funds for data collection, you would complete sections A, B, and E, and subsections C1, C2, C4, and C5 (and answer “no” in C3).

The activities of volunteers or interns should be reported if they were coordinated or supervised by LAV Program-funded staff or if LAV Program grant funds substantially supported their activities.

For further information on filling out this form, refer to the separate set of instructions, which contains detailed definitions and examples, illustrating how questions should be answered.

One FTE is equal to 1,040 hours—40 hours per week x 26 weeks. See separate instructions for examples of how to calculate FTEs.)

Report on products that were newly developed during the current reporting period whether or not they were used or distributed, and on products that were previously developed or revised but were used or distributed during the current reporting period. Do not report the number of products printed or copied; only report the number developed or revised—in most cases that number will be one for each product described—and/or the number used or distributed. Were your LAV Program funds used to provide victim services and/or legal services to victims/survivors during the current reporting period?

Check yes if LAV Program grant-funded staff provided these services to victims/survivors, or if grant funds were used to support these services.

- Yes—answer questions 21-24 and 25-31 as appropriate. Provide information only on victims/survivors served with LAV Program funds. If your LAV Program funds were used to work with pro bono attorneys and/or law students, also answer questions 32-33.
- No—skip to section E

21. Number of victims/survivors served, partially served, and victims/survivors seeking services who were not served

Please do not answer this question without referring to the separate instructions for further explanation and examples of how to distinguish among these categories.

(Report the following, to the best of your ability, as an unduplicated count for each category during the current reporting period. This means that each victim/survivor who was seeking or who received services during the current reporting period should be counted only once in that reporting period. For purposes of this question, victims/survivors are those against whom the sexual assault, domestic violence, dating violence or stalking was directed. If the victim/survivor presented with more than one victimization, that person should be counted only once under the primary victimization. Do not report secondary victims here.)

23. Demographics of victims/survivors served or partially served

(Based on the victims/survivors reported in 21A and 21B, report the total numbers for all that apply. Because victims/survivors may identify in more than one category of race/ethnicity, the total for "Race/ethnicity" may exceed the total number of victims/survivors reported in 21A and 21B. However, the total number of victims/survivors reported under "Race/ethnicity" should not be less than the total number of victims/survivors reported in 21A and 21B. The total number of victims/survivors reported under "Gender" and the total number reported under "Age" should equal the total number of victims/survivors reported in 21A and 21B. Those victims for whom gender, age, and/or race/ethnicity are not known should be reported in the "Unknown" category.)
