Departappea	rated with the request. However, when this information is requested, the reasons for collecting it with a description of the rtment's intended use of the information will be fully described in a customized "Privacy Notice." This Privacy Notice will either ar on the Web page collecting the information or be accessible through a link prominently displayed immediately preceding iformation request.	<b></b>
The n	u <b>visit our site to read or download information, we collect and store the following information:</b> name of the domain from which you access the Internet (for example, dol.gov, if you are connecting from the Department of 's computer account).	
	The date and time you access our site.	
	The Internet address of the Web site from which you linked directly to our site.	
numb	above information is used by software programs on our Web site to create summary statistics which allow us to assess the ver of visitors to the different sections of our site, identify what information is of most and least interest, determine technical n specifications, monitor system performance, and help us make our site more useful to visitors.	
You a mess reque	u <b>identify yourself by sending an e-mail containing personal information:</b> ilso may decide to send us personally-identifying information, for example your mailing address, in an electronic mail age requesting that information be mailed to you. Information collected in this manner is used solely for responding to ists for information or records. We may forward your e-mail to other Government employees who are better able to respond u. Should you wish to file a request under FOIA, instructions are provided at: <u>http://www.dol.qov/dol/foia/main.htm</u>	
Our W	u link to other sites outside DOL: Veb site has many links to other sites. When you link to any of these sites, you are no longer on our site and are subject to rivacy policy of the new site.	
The U cookie	<b>ie Use Notice</b> J.S. Department of Labor employs "cookies" to provide better service to its customers. The Department does not use es to collect any personally identifying information from users or to track user activities beyond our Web site. The rtment does not maintain copies of cookies on our Web site after you leave our Web site.	
"sessi its res efficie	ies are small pieces of temporary data that are exchanged between a Web site and a user's computer which enable a ion," or "dialog," to be established between the two machines. With the session established, the Department is able to tailor sponses (i.e., identify and provide you with the information you want) and help you traverse our Web pages in the most ent and effective manner possible. The session is often broken when the Department's server does not receive further ssts from your computer or you simply exit your browser.	
memo brows	Department limits its use of cookies to "session cookies" — types of cookies that are temporarily stored in your computer's ory. Session cookies are normally deleted from a user's computer when the user logs off the computer or the user exits the er. As of January. 2001, the Department does not issue "persistent cookies" — types of cookies that could be stored anently on your workstation and reused each time you visit the Department's Web site.
