[OMB Control No. 1615-0092]

Agency Information Collection Activities: E-Verify Program

ACTION: 60-Day Notice: Correction.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (PRA), on July 13, 2011, USCIS published a 60-day notice, ``Memorandum of Understanding to Participate in the Basic Pilot Employment Eligibility Program; Verify Employment Eligibility Status'' in the Federal Register at 76 FR 41279. USCIS is correcting two errors in this notice. First, the title incorrectly read ``Memorandum of Understanding to Participate in the Basic Pilot Employment Eligibility Program; Verify Employment Eligibility Status''. Instead it should read ``E-Verify Program.'' Second, comments are not requested on the E-Verify Memorandum of Understanding as previously published. Instead, comments are requested on the burden for enrolling in E-Verify (and modifying an ID/IQ contract if applicable), inputting information directly from Form I-9, Employment Eligibility Verification into the E-Verify web interface, and performing initial and secondary queries (for example: referring and resolving tentative nonconfirmations.).

Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Department of Homeland Security (DHS), USCIS, Chief, Regulatory Products Division, Office of the Executive Secretariat, 20 Massachusetts Avenue, NW., Washington, DC 20529-2020. Comments may also be submitted to DHS via facsimile to 202-272-0997 or via e-mail at USCISFRComment@dhs.gov. When submitting comments by e-mail please make sure to add OMB Control Number 1615-0092 in the subject box.

The public comment period is unchanged and ends September 12, 2011, as cited in the previously published 60-day notice at 76 FR 41279 on July 13, 2011.

Note: The address listed in this notice should be used only to submit comments concerning this information collection. Please do not submit requests for individual case status inquiries to this address. If you are seeking information about the status of

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
