Welcome to the Directory of Life Scientists

Registered Users:

OMB Control. No.: 1640-0013
Expiration Date: 10/31/2011

* User Name: [ ]
* Password: [ ]

[Log In]

New Users:

The Directory of Life Scientists is a database containing voluntarily-provided names, contact information, and areas of expertise for life scientists who work in the biodefense community. The DHS Biodefense Knowledge Center (BKC) maintains the directory in coordination with the Office of the Director of National Intelligence National Counter-Proliferation Center (NCPC), which was tasked under a Annex of Homeland Security Presidential Directive 10 to establish a roster of life scientists.

[Register]

An agency may not conduct or sponsor an information collection and a person is not required to respond to this information collection unless it displays a current valid OMB control number and an expiration date. The control number for this collection is 1640-0013 and this form will expire on 10/31/2011. The estimated average time to complete this form is 15 minutes per respondent. If you have any comments regarding the burden estimate you can write to Department of Homeland Security, Science and Technology Directorate, Washington, DC 20528.

✓ 1 Registration Information   ✓ 2 Name & Contact Information   ✓ 3 Professional Information   ● 4 Domain Expertise

Domain Expertise (Biochemistry/Biological Science)

Please select one or more scientific specialties and then select specific areas of biological agent expertise.

Scientific Specialties:

- ⊞ Agricultural Science or Botany
- ⊞ Animal Science
- ⊟ Biology
  - ☐ Aerobiology
  - ☐ Bioforensics attribution
  - ☑ Biothreat Detection or Identification
  - ☐ Cell Biology
  - ☐ Developmental Biology

Specific Biological Agent Expertise:

- ⊞ Animal-only Pathogens
- ⊞ Plant Pathogens
- ⊟ Human Pathogens or Agents or Toxins
  - ☐ Tickborne encephalitis virus
  - ☐ Toxoplasma gondii
  - ☑ Variola major
  - ☐ Variola minor
  - ☐ Venezuelan equine encephalitis virus

Please note any additional areas of expertise not covered above:

Bioscientist Directory:

Your full contact information will be accessible to a limited number of approved program managers who have a legitimate business need to access the Bioscientist Directory. However, at your discretion, your contact information can be made accessible to all participants of the Bioscientist Directory. Do you want your contact information made available to the broader biodefense community who participate in the
