Executive Capability Assessment

Assessment Name: Executive Capability Assessment of Jurisdiction 4
Description / Reason for Assessment: Jurisdiction-level Executive Capability Assessment
Last Updated: 5/11/2009 11:51 AM by j4user

Select the level of performance that your jurisdiction exerts toward each of the 37 target capabilities (TCs). Select N/A if your jurisdiction has determined it does not require capability in that particular TC. Click on the "Target Capabilities Description" link in the lower left corner of this page for more details about each TC.

Table with 2 columns: Target Capability and Level of Performance. Lists 37 target capabilities such as Planning, Communications, Risk Management, etc.
