Paperwork Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average 45 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is required to obtain or retain benefits (Section 106 of the Rehabilitation Act of 1973). Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Education, 400 Maryland Ave., SW, Washington, DC 20210-4537 or email ICDocketMgr@ed.gov and reference the OMB Control Number 1820-0508. Note: Please do not return the completed Case Service Report to this address.

General Instructions

This section provides detailed edit and relational edit specifications for reporting RSA-911 data in a 213-character record image layout. Records longer than 213 characters will not be evaluated.

Reported records pertain to all individuals whose case records were closed in a given fiscal year. The due date for RSA-911 submittals is November 30 following the Federal fiscal year of reference (October 1 to September 30).

All records submitted **MUST BE UNIQUE**. The Agency Code, Social Security Number, and Closure Order Code determine the "uniqueness" of a given record.

Duplicate records will be rejected. For example, records with codes in positions 1 through 13 that are identical to the codes in another record will be considered duplicates and will be rejected. In order to indicate that a second closure for an individual has taken place in the same Federal fiscal year, use Code 2 in position 13 (Closure Order Code). Use Code 3 for a third closure and Code 4 for a fourth closure.

Records **MUST** include Type of Closure within the valid range of 1 through 7. Counts of each code 1 through 7 must equal counts derived from the 4th Quarter of the Quarterly Cumulative Caseload Report (Form RSA-113). Agencies will be required to resubmit data if there are discrepancies in closure counts between these two systems.

All dates in the RSA-911 System must be in the format of YYYYMMDD, where YYYY is Year, MM is Month and DD is Day.

Unless otherwise noted, all fields will be numeric or *'s with no embedded blanks or other special characters.

Actual values must be right justified and zero-filled when reporting amounts for data elements such as Weekly Earnings at Application and Closure, Cost of Case Services, and Monthly Amount of Public Support at Application and Closure. Code values, too, should be right justified and zero-filled. For example, if the Employment Status at Application, is extended employment (Code 02) record 02 and not (blank)2.

**Instructions for Preparation of Floppy Diskette, CD-ROM
or Electronic Transmittal**

1. The CD-ROM should be in a flat file in the ASCII code set.
2. Data may be recorded on Compact Disks.
3. Each record must be 213 characters in length.
4. The CD-ROM should have an external label identifying the contents as "RSA-911 Data for BAgXFYNN." where:
 - BA is the official postal abbreviation for your state/territory
 - g is the type of agency – g=general, c=combined and b=blind
 - X is the number of the submission – 1=first, 2=second, etc., and,
 - NN is the last two digits of the reported fiscal year.
5. Use the following convention to name the file containing your RSA-911 data "BAgXFYNN" using the same designators as described above.
6. If you would like to transmit your data electronically, send it zipped and password protected. If you need additional information, contact Joan Ward on 202-245-7565 or Vernita Washington on 202-245-7479 for specific instructions.

2. Social Security Number
Record Positions: 4-12

Enter the individual's nine-digit Social Security number (SSN). When a SSN is not available or if the individual prefers not to provide his/her SSN, assign a unique nine-digit number that does not duplicate a genuine SSN. Starting the nine-digit number with the digits "99" in RP 4 and 5 will avoid duplicating a genuine SSN. Asterisks are not permitted in the SSN field.

3. Closure Order
Record Position: 13

Assign the appropriate closure order code for all service records from the list below:

- 1 First closure of an individual's service record in the FY
- 2 Second closure of the same individual's service record in the same FY
- 3 Third closure of the same individual's service record in the same FY, and so on.

If an individual's service record is closed more than once in the FY, the RSA-911 data system must contain a separate record for each closure. Ensure that when a record indicates a closure order code 2, there is another record with a closure order code 1 with an identical SSN for that individual, and so on for all multiple closures in the same FY.

4. Previous Closure
Record Position: 14

Enter the appropriate code listed below to indicate whether the individual had a previous service record closed by the State VR agency within a 36-month period prior to the most recent application for services. If more than one record was closed for the individual within that 36-month period, consider the most recent previous closure. Indicate the type of the previous closure using one of the following codes:

- 0 No previous closure within 36 months
- 1 Closed while the individual was an applicant, but before a determination of eligibility
- 2 Closed while the individual was an applicant, but during or after a trial work experience/extended evaluation
- 3 Closed after the individual achieved an employment outcome
- 4 Closed after individual received services, without an employment outcome
- 5 Closed after an individualized plan for employment (IPE) was signed, but before receiving services
- 6 Closed from an order of selection wait list
- 7 Closed after a determination of eligibility, but before an IPE was signed

5. Date of Application

Indicate the date (year, month, and day) that the individual applied for VR services. An individual is considered to have submitted an application when the individual has completed and signed an agency application form or has otherwise requested services; has provided information necessary to initiate an assessment to determine eligibility and priority for services; and is available to complete the assessment process.

Enter the year, month, and day, using the eight-digit protocol described below:

5(a) Year of Application

Record Positions: 15-18

Record the year using all four digits of the year.

Example: 1997, 1998, 2000, 2001, etc.

5(b) Month of Application

Record Positions: 19-20

Record the months as follows:

01	January	07	July
02	February	08	August
03	March	09	September
04	April	10	October
05	May	11	November
06	June	12	December

5(c) Day of Application

Record Positions: 21-22

Enter 01, 02, etc., using a "0" prefix for single digit days.

6. Date of Birth

Record date (year, month, and day) of birth using the eight-digit protocol:

6(a) Year of Birth

Record Positions: 23-26

6(b) Month of Birth

Record Positions: 27-28

6(c) Day of Birth

Record Positions: 29-30

Use Code ***** if this information is not available for Closure Code 1.

7. Gender

Record Position: 31

Code as follows:

- 1 Male
- 2 Female
- * Information is not available for Closure Code 1

8. Race and Ethnicity

Race and ethnicity information should be recorded for all individuals whose service records were closed in the FY. Use Code 0 if the individual is not of that race/ethnicity and Code 1 if the person is of that race/ethnicity.

RSA continues to require self-identification to the greatest extent possible. It is generally expected that the information recorded will reflect the individual's own identification of race and ethnicity from the categories provided. However, if a customer truly refuses to identify his/her race or Hispanic ethnicity status, the counselor should, at a minimum, notify respondents that if they fail to self-identify that observer-identification method would be used. The counselor or interviewer would then provide the best assessment of the customer's race and Hispanic ethnicity. This guidance follows OMB standards for collecting race/ethnicity data. OMB prefers self-identification methods, but allows for observer-identification methods when necessary.

Both race and ethnicity should be reported. The ethnic category Hispanic or Latino (RP 37) should have a code of 0 or 1 and at least one of the race categories (RP 32 through 36) must be coded as 1 (is this race). Remaining categories should have codes of

0 (not this race). Since a person can have more than one race, more than one race variable can contain a code of 1 for an individual.

NOTE: It is known that some Hispanic people treat Hispanic ethnicity like a race. Since they cannot relate to race categories, they may refuse or be unable to respond to the race question. In such a case code the person as Hispanic and follow the same procedure for race as the one for individuals who refuse to identify both race and Hispanic ethnicity: notify respondents that if they fail to self-identify then observer-identification methods will be used. The interviewer or counselor should make the best possible judgment and enter a 1 in the race field that best reflects that judgment and enter a 0 in the other race variables. Hispanics may belong to any race group.

Use Code * only if the information is not available due to circumstances beyond the agency's control for closure type 1. Such cases will be few in number. For example, if the customer is never seen, such as an applicant who mails a letter and is then closed without any further contact, one probably would use a code of * because race and ethnicity is not known. This is the type of case for which the asterisk (*) is intended. No blanks are permitted in any category. **Remember: race and ethnicity is one of the 9 essential variables in which data is required for all closure types 1 through 7.**

Record Position: 38

Indicate the individual, agency, or other entity that first referred the individual to the State VR agency by using one of the following codes. If the individual approached the VR agency on his/her own, even if based on information provided by the State VR agency, use Code 8 (self-referral).

Use code 3 "Special education certificate of completion/diploma or in attendance": 1) if the individual is currently a special education student, 2) if the individual received special education and earned a

certificate of completion or high school diploma, or 3) if the individual received special education but did not receive a certificate/diploma.

11. Individualized Education Program (IEP)

Enter the four-digit code that best describes the individual's primary physical or mental impairment that causes or results in a substantial impediment to employment. The number reported is a combination of the impairment code and cause/source code. The first two digits designate the impairment (sensory, physical or mental), and the last two digits indicate the cause or source of the impairment.

If the person is found not to have a disability, this item should be coded 0000. Use Code ***** if the information is not available for Closure Code 1.

14. Secondary Disability
Record Positions: 47-50

Enter the four-digit code that best describes the secondary disability. This is the physical or mental impairment that contributes to, but is not the primary basis of, the impediment to employment. The number reported is a combination of the impairment code and cause/source code. Enter Code 0000 to indicate that the individual does not have a secondary disability. Use Code ***** if the information is not available for Closure Code 1.

15. Employment Status at Application
Record Positions: 51-52

Enter the two-digit code which best describes the employment status of the individual at application from the following. Fill in leading zero when it applies.

- 01 Employment without Supports in Integrated Setting
- 02 Extended Employment
- 03 Self-employment (except BEP)
- 04 State Agency-managed Business Enterprise Program (BEP)
- 05 Homemaker
- 06 Unpaid Family Worker
- 07 Employment with Supports in Integrated Setting
- 08 Not employed: Student in Secondary Education
- 09 Not employed: All other Students
- 10 Not employed: Trainee, Intern or Volunteer
- 11 Not employed: Other
- ** Information is not available for Closure Code 1

The first seven codes are considered "employment" for purposes of this item. Individuals not meeting the definitions for Codes 01 to 07 below would be classified as "not employed" (Codes 08 to 11) at the time of application for services.

Employment Codes (Codes 01-07)

01 - Employment without Supports in Integrated Setting is full-time or part-time employment in an integrated setting without ongoing support services. For purposes of this report, this is work performed for wages, salary, commissions, tips, or piece-rates, below, at, or above the minimum wage. Do not include self-employed individuals.

02 - Extended Employment refers to work for wages or salary in a non-integrated setting for a public or nonprofit organization. Such settings are variously referred to as community rehabilitation programs, or sheltered, industrial, or occupational workshops. Individuals are compensated according to the Fair Labor Standards Act and the organization provides any needed support services that enable the individual to train or prepare for competitive employment.

03 - Self-employment (except BEP) refers to work for profit or fees including operating one's own business, farm, shop, or office. "Self-employment" includes sharecroppers, but not wage earners on farms.

04 - State Agency-managed Business Enterprise Program (BEP) refers to Randolph-Sheppard vending facilities and other small businesses operated by individuals with significant disabilities under the management and supervision of a State VR agency. Include home industry where the work is done under the management and supervision of a State VR agency in the individual's own home or residence for wages, salary, or on a piece-rate. Individuals capable of activity outside the home, as well as homebound individuals, may engage in such employment.

05 - Homemaker refers to men and women whose activity is keeping house for persons in their households or for themselves if they live alone.

06 - Unpaid Family Worker is an individual who works without pay on a family farm or in a family business.

07 - Employment with Supports in Integrated Setting is full time or part-time employment in an integrated setting with ongoing support services for individuals with significant disabilities. For purposes of this report, compensation for such employment may be below, at, or above the minimum wage.

Not employed (Codes 08-11)

08 - Student in Secondary Education

09 - All other Students are persons attending school full or part-time other than students in secondary education.

10 - Trainee, Intern or Volunteer refers to persons engaging in unpaid work experiences, internships or volunteer work for purposes of increasing their employability. Such individuals may receive a stipend to defray the cost of transportation or other incidental expenses.

11 - Other refers to persons not in any of the other categories (e.g., persons just out of school who are not yet employed; persons unable to retain or obtain work; and persons who have recently left specialized medical facilities).

When an individual's work activity overlaps into two different employment categories, select the code more descriptive of the individual's employment activity at application.

16. Weekly Earnings at Application
Record Positions: 53-56

Enter the amount of money (to the nearest dollar) earned in a typical week at the time of application. If the individual had no earnings, enter 0000. If the person had earnings of \$9999 or more, use 9999. Fill in leading zeros when they apply. For example, record 0055 for those earning \$55 at the time of application. Use Code **** if the information is not available for Closure Code 1

This item collects data on the cash earnings of individuals at application and includes all wages, salaries, tips, and commissions received as income before payroll deductions of Federal, State and local income taxes and Social Security payroll tax. Earnings also include profits derived from self-employed individuals. Earnings for salespersons, consultants, self-employed individuals, and other similar occupations are based on the adjusted gross income. Adjusted gross income is gross income minus unreimbursed business expenses. Do not include estimates of payments in-kind, such as meals and lodging. Estimate profits of farmers, if necessary.

SPECIAL CASES: To preclude misleading results such as a negative earnings situation, the following instructions are provided:

Where earnings are based on commissions that are irregular (e.g., real estate, automobile sales, etc.), to obtain a meaningful figure for a typical week's earnings, it should be calculated as an average over a representative period of time such as one month.

When, because of the occupation/situation, there are significant amounts of unreimbursed business expenses that are irregular (e.g., car lease payments due the first week of every month), the expenses should be averaged over a representative period of time to obtain a meaningful figure for a typical week's expenses.

Commissions are generally not paid when earned, but rather are paid periodically, such as weekly, biweekly, or even monthly. To bring standardization to this item, earnings should be based on the actual receipt of the payment and not on amounts accruing until the next commission payout.

17. Hours Worked in a Week at Application
Record Positions: 57-58

Enter the number of hours an individual worked for earnings in a typical week at the time of application. Earnings may have been in the form of wages, salaries, tips, commissions, profits from self-employment, adjusted gross income for salespersons, etc. If the individual generated no earnings, enter 00. If the person worked 99 or more hours in one week, enter 99. Fill in leading zero when it applies. For example, enter 06 for an individual who worked six (6) hours. Use Code ** if the information is not available for Closure Code 1.

18. Type of Public Support at Application

Enter a Code 0 or a Code 1 in each of the following seven record positions to indicate whether the individual was receiving that type of public support at application. Use Code 0 to indicate that the person did not receive public support from the source cited and Code 1 to indicate receipt of support payment from the source cited. One payment is sufficient to establish "receipt". Use Code * in the position if the information is not available for Closure Code 1 or the information is not available for all other closure codes due to circumstances beyond the agency's control.

Public support refers to cash payments made by Federal, State and/or local governments for any reason, including an individual's disability, age, economic, retirement and survivor status. Include payments to a family unit precipitated by the individual's disability or when the individual's presence is taken into account in the computation of the family benefit. Also include any payments that are sent directly to the individual in an institution or to dependents on his/her behalf. Exclude any non-cash support payments such as Medicaid, Medicare, food stamps and rental subsidies. Categories of public support are as follows:

Supplemental Security Income (SSI) for the Aged, Blind or Disabled
Record Position: 59

Temporary Assistance for Needy Families (TANF)
Record Position: 60

General Assistance (State or local government)
Record Position: 61

Social Security Disability Insurance (SSDI)
Record Position: 62

Veterans' Disability Benefits
Record Position: 63

Workers' Compensation

Record Position: 64

Other Public Support

Record Position: 65

Veterans' Disability Benefits are payments made by the Department of Veterans Affairs for partial or total disability.

Other Public Support payments are cash payments to individuals, not listed, and include payments made by Federal, State and local governments for retirement or survivor benefits to the individual as well as unemployment insurance benefits and other temporary payments.

19. Monthly Public Support Amount at Application

Enter the amount of money (to the nearest dollar) received by the individual each month in the form of public support payments at the time of application for the sources listed below. If the individual receives two or more types of support, record the amount from each source. Fill in leading zeros for amounts under \$1000. If no public assistance payments were received, enter 0000. If payments totaled \$9999 or more, use 9999. Use Code ***** in the position if the information is not available for Closure Code 1 or the information is not available for all other closure codes due to circumstances beyond the agency's control.

NOTE: If a person is supported by the earnings of a spouse, or by the spouse's unemployment insurance checks, identify Code 2 as the Primary Source of Support (family and friends) and not Code 1 (personal income). If a person is primarily supported by a governmental entity with no cash support – for example, incarcerated individuals, – use code 3 as the primary source of support.

Primary Source of Support Codes:

- 1 Personal Income (earnings, interest, dividends, rent)
- 2 Family and Friends
- 3 Public Support (SSI, SSDI, TANF, etc.)
- 4 All other sources (e.g., private disability insurance and private charities)
- * Information is not available for Closure Code 1 or information is not available for all other closure codes due to circumstances beyond the agency's control

Use Code 0 if the individual had no medical coverage and Code 1 if the individual had that type of medical insurance coverage. Persons with no medical insurance coverage would be coded 0 for each type of medical insurance listed. Use Code * in the position if the information is not available for Closure Code 1 or the information is not available for all other closure codes due to circumstances beyond the agency's control.

For purposes of this data element, assume that the IPE is effective on the date on which both parties reach agreement. If the two signatures bear two different dates, the later date should govern. If an individual's service record is closed before an IPE is developed, use Code *****.

Code date of IPE using the eight-digit protocol.

Exclude costs incurred for program administration and for salaries of counselors and other staff. Also exclude costs for services provided by rehabilitation programs owned and operated by the State VR agency that are not directly billed on an individual basis.

If an individual's service record is closed without an expense having been incurred by the State agency, enter 000000. If the agency expended \$999,999 or more, enter 999999. Fill in leading zeros when they apply.

25. Services Provided

The term includes the following:

Rehabilitation Engineering Service

Rehabilitation engineering is the systematic application of engineering sciences to design, develop, test, evaluate, apply, and distribute technological solutions to problems confronted by individuals with disabilities in functional areas such as mobility, communications, hearing, vision, and cognition, and in activities associated with employment, independent living, education, and integration into the community.

NOTE: It is possible for these services to be classifiable under any of the other service categories.

Personal Assistance Services

General note: Personal assistance services are a range of services provided by one or more persons designed to assist an individual with a disability to perform daily living activities on or off the job that the individual would typically perform without assistance if the individual did not have a disability. The services must be designed to increase the individual's control in life and ability to perform everyday activities on or off the job.

Three distinct services that are considered personal assistance services are reader services, interpreter services, and personal attendant services. Further information on recording each of these services follows. Record only whether and which of these services were provided to the individual (e.g., if the same person provided both reader service and personal attendant service to an individual, indicate both services).

Reader Services

Record Positions: 142-143

Reader services are for individuals who cannot read print because of blindness or other disability. Reader services include, in addition to reading aloud, transcription of printed information into Braille or sound recordings if the individual requests such transcription. Reader services are generally for individuals who are blind or deaf-blind, but may also include individuals unable to read because of serious neurological disorders, specific learning disabilities, or other physical or mental impairments.

Interpreter Services

Record Positions: 144-145

Interpreter services are sign language or oral interpretation services for individuals who are deaf or hard of hearing and tactile interpretation services for individuals who are deaf-blind. Specially trained individuals perform sign language or oral interpretation. Also include here real-time captioning services for persons who are deaf or hard of hearing. Do not include language interpretation in this category, but in "other services".

Medical care for acute conditions arising during rehabilitation and constituting a barrier to the achievement of an employment outcome is also included in this category.

26. Level of Education Attained At Closure

Record Position: 154

Record the level of education the individual had attained when the service record was closed. If an actual educational level is not documented, record an estimated level.

Use the following codes:

- 3 Special education certificate of completion/diploma or in attendance
- 4 High school graduate or equivalency certificate (regular education students)
- 5 Post-secondary education, no degree
- 6 Associate degree or Vocational/Technical Certificate
- 7 Bachelor's degree
- 8 Master's degree or higher
- * Information is not available for Closure Code 1

NOTE: Code 3 is intended to capture individuals whose highest level of education is special education. This includes various situations. Use code 3 “Special education certificate of completion/diploma or in attendance”: 1) if the individual is currently a special education student, 2) if the individual received special education and earned a certificate of completion or high school diploma, or 3) if the individual received special education but did not receive a certificate/diploma.

27. Occupation at Closure
Record Positions: 155-160

For an individual who achieved an employment outcome, enter a six-digit code to describe the individual's occupation when the service record was closed.

Using the 2000 Standard Occupational Classification (SOC) published by the U.S. Department of Labor, enter the first six digits of the appropriate SOC code. Fill in leading zeros when they apply. Closure into an architectural occupation, for example, should be recorded as 171011. For assistance in reporting on this element, visit <http://online.onetcenter.org> or <http://www.onetcodeconnector.org>.

For the four employment situations unique to the VR program, use the special codes indicated below. These codes do not duplicate any six-digit codes in the SOC structure:

599999 Homemaker (own home) refers to men and women whose activity is keeping house for their families, or themselves if they live alone.

799999 Unpaid family worker (own family), not elsewhere classified use only if the type of unpaid family work cannot be classified according to any of the DOT occupations. An unpaid family worker is one who works without pay on a family farm or in a family business.

899999 Randolph-Sheppard vending facility clerk use this category for persons employed as clerks, sales persons, or helpers in a vending facility operated under the Randolph-Sheppard Vending Facility Program. Use this special code even though these occupations are classifiable in the DOT. Do not include vending facility operators (999999), or individuals employed in vending facilities outside the Vending Facility Program (use their DOT occupation code).

999999 Randolph-Sheppard vending facility operator use this category for individuals employed as operators or managers of vending facilities operated under the Vending Facility Program. Use this special code even though these occupations are classifiable in the DOT. Do not include vending facility clerks (899999), or individuals employed as vending facility operators outside the Randolph-Sheppard Vending Facility Program (use their DOT occupation code).

Special Codes

599999	Homemaker
799999	Unpaid family worker, not classifiable in another DOT code
899999	Randolph-Sheppard vending facility clerk
999999	Randolph-Sheppard vending facility operator
*****	Use this code for all closure types other than code 3

NOTE: It is important that all agencies report the same data for a given year. For FY 2006, consistent with PD-06-01, agencies must report DOT codes in Record Position (RP) 155-160. Beginning in FY 2007, agencies must report SOC codes in RP 155-160.

28. Employment Status at Closure Record Position: 161

For an individual who achieved an employment outcome, enter the applicable one-digit code that describes the employment outcome of the individual when his or her service record was closed. Codes 1 and 3 through 7 are applicable for individuals who achieved an employment outcome (closure type 3). Code 2 applies only to an individual who received services and was placed in extended employment, which is no longer an employment outcome. Such an individual would have a closure type of 4. Use Code * for all closure types other than 3 and for closure type 4 cases not placed in extended employment. If classifying the individual into two different employment statuses from Codes 1-7 is possible, select a code designating the principal status.

- 1 Employment without Supports in Integrated Setting
- 2 Extended Employment (Applies only to closure type 4 with a reason for closure of 14.)
- 3 Self-employment (except BEP)
- 4 State Agency-managed Business Enterprise Program (BEP)
- 5 Homemaker
- 6 Unpaid Family Worker
- 7 Employment with Supports in Integrated Setting

1 - Employment without Supports in Integrated Setting is full-time or part-time employment in an integrated setting without ongoing support services. For purposes of this report, this is work performed for wages, salary, commissions, tips, or piece-rates, below, at, or above the minimum wage. Do not include self-employed individuals.

2 - Extended Employment refers to work for wages or salary in a non-integrated setting for a public or nonprofit organization. Such settings are variously referred to as community rehabilitation programs, or sheltered, industrial, or occupational workshops. Individuals are compensated according to the Fair Labor Standards Act and the organization provides any needed support services that enable the individual to train or prepare for competitive employment. This code applies only

to an individual who received services and was placed in extended employment, which is no longer an employment outcome. The appropriate closure type for such placements is 4 with a reason for closure of 14.

3 - Self-employment (except BEP) is work for profit or fees including operating one's own business, farm, shop or office. "Self-employment" includes sharecroppers, but not wage earners on farms.

4 - State Agency-managed Business Enterprise Program (BEP) refers to Randolph-Sheppard vending facilities and other small businesses operated by individuals with significant disabilities under the management and supervision of a State VR agency. Include home industry where the work is done under the management and supervision of a State VR agency in the individual's own home or residence for wages, salary, or a piece-rate. Individuals capable of activity outside the home, as well as by homebound individuals, may engage in such employment.

5 - Homemaker refers to men and women whose activity is keeping house for persons in their households or for themselves if they live alone.

6 - Unpaid Family Worker refers to persons who work without pay on a family farm or in a family business.

7 - Employment with Supports in Integrated Setting is full-time or part-time employment in an integrated setting with ongoing support services for individuals with significant disabilities. For purposes of this report, compensation for such employment may be below, at, or above the minimum wage.

29. Competitive Employment

Record Position: 162

Enter a one-digit code to indicate whether the individual achieved competitive employment at the time the service record was closed. For purposes of this report, competitive employment is employment in an integrated setting, self-employment or a state-managed Business Enterprise Program (BEP) that is performed on a full-time or part-time basis for which an individual is compensated at or above the minimum wage. Minimum wage is the Federal or State minimum wage, whichever is higher.

Coding this item requires accurately applying several criteria to each individual. Specifically, item #36, type of closure, has a code of 3; item #28, employment status at closure, has a code of 1, 3, 4 or 7; the hourly wage (weekly earnings, item #30/hours worked, item #31) is at least equal to the higher of the federal or state minimum wage. Therefore, Code 1 in this item will be a subset of the total number of individuals coded 1, 3, 4 or 7 in Item #28. Use Code 0 in this item for individuals in Item #28, Codes 1, 3, 4 or 7, who did not meet the definition of competitive employment. Also use Code 0 for

individuals whose service records were closed as homemakers, or unpaid family workers (Codes 5 or 6 in Item #28). Use Code * for closure types other than 3.

- 0 Not competitively employed
- 1 Competitively employed

Instructions for the accurate computation of hourly earnings for reporting competitive employment

The RSA-911 requires submission of weekly earnings and weekly hours worked in integers: file specifications do not permit the entry of either cents or partial hours. Hourly wages are computed by dividing the weekly earnings by the weekly hours worked. For hourly earnings that are at or near the applicable minimum wage, an individual making the minimum hourly wage may appear to be making less than the minimum wage. For example, a person making \$5.15 per hour and working 1 hour each week, would have a weekly earnings of \$5 if one used mathematical rounding rules to report weekly earnings.

To accurately report those individuals who make the minimum hourly wage and, at the same time, not introduce error by incorrectly identifying those who are not competitively employed use the following:

Continue to report weekly earnings and hours worked in integers. Round both of these variables using mathematical rules except for those cases where the individual makes the minimum wage or more but whose combination of weekly earnings and hours worked would result in a computation of hourly wages that would be less than the minimum wage. For those cases, round the weekly earnings up and report this higher amount. Round up these cases and only these cases.

In mathematical rounding rules, values of .5 or more are rounded up and values less than .5 are rounded down. Thus \$5.50 becomes \$6 and \$6.45 also becomes \$6. An example of an exception to the application of mathematical rounding rules occurs in a situation in which a person works for 35 hours per week at \$5.15 per hour. (Assumption: federal minimum wage is the applicable minimum wage.) The computed weekly wage of \$180.25 would be rounded down to \$180 if mathematical rounding rules were applied. However, if weekly earnings were reported as \$180 then the computed hourly wage would be \$5.143 which is less than the federal minimum wage of \$5.15. Consequently, this person would appear to be not competitively employed when in fact he/she was. In order to accurately reflect this individual's competitive employment status at the applicable minimum wage, weekly earnings would be rounded up to \$181 and reported as such on the RSA911. The computed hourly wage would then be \$5.17.

- 30. Weekly Earnings at Closure
Record Positions: 163-166

Enter the amount of money (to the nearest dollar) the individual earned in a typical week after achieving an employment outcome. Earnings for this purpose include all income from wages, salaries, tips, and commissions before payroll deductions of Federal, State and local income taxes and Social Security payroll tax. Earnings also include profits derived from self-employed individuals. Earnings for salespersons, consultants, self-employed individuals, and other similar occupations are based on the adjusted gross income. Adjusted gross income is gross income minus unreimbursed business expenses. Do not include estimates of payments in-kind, such as meals and lodging. Estimate profits of farmers, if necessary.

SPECIAL CASES: To preclude misleading results such as a negative earnings situation, the following instructions are provided:

Where earnings are based on commissions that are irregular (e.g., real estate, automobile sales, etc.), to obtain a meaningful figure for a typical week's earnings, it should be calculated as an average over a representative period of time such as one month.

When, because of the occupation/situation, there are significant amounts of unreimbursed business expenses that are irregular (e.g., car lease payments due the first week of every month), the expenses should be averaged over a representative period of time to obtain a meaningful figure for a typical week's expenses.

Commissions are generally not paid when earned, but rather are paid periodically, such as weekly, biweekly, or even monthly. To bring standardization to this item, earnings should be based on the actual receipt of the payment and not on amounts accruing until the next commission payout.

If the individual had no earnings, enter 0000. If the individual's earnings were \$9999 or more, enter 9999. Fill in leading zeros when they apply (e.g., 0128 for individuals earning \$128 in a typical week after achieving an employment outcome). Use Code **** for closure types other than 3.

31. Hours Worked in a Week at Closure
Record Positions: 167-168

For an individual who achieved an employment outcome, enter the number of hours the individual worked for earnings in a typical week when the service record was closed. Earnings may have been in the form of wages, salaries, tips, commissions, profits from self-employment, adjusted gross income for salespersons, etc. If the individual generated no earnings, enter 00. If the person worked 99 or more hours in one week, enter 99. Fill in leading zero when it applies. Use Code ** for closure types other than 3.

32. Type of Public Support at Closure

Enter a Code 0 or a Code 1 in each of the following seven record positions to indicate whether the individual was receiving that type of public support at closure. Use Code 0 to indicate no public support and Code 1 to indicate receipt of support payment from the source cited. One payment is sufficient to establish "receipt". Use Code * in the position if the information is not available for Closure Code 1 or the information is not available for all other closure codes due to circumstances beyond the agency's control.

Public support refers to cash payments made by Federal, State and/or local governments for any reason, including an individual's disability, age, economic, retirement and survivor status. Include payments to a family unit precipitated by the individual's disability or when the individual's presence is taken into account in the computation of the family benefit. Also include any payments that are sent directly to the individual in an institution or to dependents on his/her behalf. Exclude any non-cash support payments such as Medicaid, Medicare, food stamps and rental subsidies. Categories of public support are as follows:

Supplemental Security Income (SSI) for the Aged, Blind or Disabled

Record Position: 169

Temporary Assistance for Needy Families (TANF)

Record Position: 170

General Assistance (State or local government)

Record Position: 171

Social Security Disability Insurance (SSDI)

Record Position: 172

Veterans' Disability Benefits

Record Position: 173

Workers' Compensation

Record Position: 174

Other Public Support

Record Position: 175

Veterans' Disability Benefits are payments made by the Department of Veterans Affairs for partial or total disability.

Other Public Support payments are cash payments to individuals, not listed, and include payments made by Federal, State and local governments for retirement or survivor benefits to the individual as well as unemployment insurance benefits and other temporary payments.

33. Monthly Public Support Amount at Closure

Enter the monthly amount of money (to the nearest dollar) received by the individual as public support payments at the time the service record was closed for the sources listed below. If the individual receives two or more types of support, record the amount from each source. Fill in leading zeros for amounts under \$1000. If no public assistance payments were received, enter 0000. If payments totaled \$9999 or more, use 9999. Use Code **** in the position if the information is not available for Closure Code 1 or the information is not available for all other closure codes due to circumstances beyond the agency's control.

Social Security Disability Insurance (SSDI)

Record Positions: 176-179

Enter the amount of SSDI received by the individual each month. This figure can be verified through the Social Security Administration (SSA) or from a copy of the individual's benefit notification letter.

Supplemental Security Income (SSI) for the Aged, Blind or Disabled

Record Positions: 180-183

Enter the monthly payment to the individual under the Federal program of SSI for the aged, blind, and disabled. Only the individual's portion of the payment should be recorded here. This figure can be verified through the Social Security Administration (SSA) or from a copy of the individual's benefit notification letter.

Temporary Assistance for Needy Families (TANF)

Record Positions: 184-187

Enter the amount of cash public assistance payments made through the federally funded TANF program. If the TANF payment is made to the family unit, use the local disbursing agency's procedure to estimate the individual's portion of the payment.

All other Public Support

Record Positions: 188-191

Enter the monthly amount of public support received from General Assistance, Veteran's Disability Benefits, Workers' Compensation and all other sources of public support not listed (see Item 32).

34. Primary Source of Support at Closure
Record Position: 192

Enter a code from the list below to indicate the individual's largest single source of economic support at the time the service record was closed, even if it accounts for less than one-half of the individual's total support.

NOTE: If a person is supported by the earnings of a spouse, or by the spouse's unemployment insurance checks, identify Code 2 as the Primary Source of Support (family and friends) and not Code 1 (personal income). If a person is primarily supported by a governmental entity with no cash support – for example, incarcerated individuals, – use code 3 as the primary source of support.

Primary Source of Support Codes:

- 1 Personal Income (earnings, interest, dividends, rent)
- 2 Family and Friends
- 3 Public Support (SSI, SSDI, TANF, etc.)
- 4 All other sources (e.g., private disability insurance and private charities)
- * Information is not available for Closure Code 1 or information is not available for all other closure codes due to circumstances beyond the agency's control

35. Medical Insurance Coverage at Closure

Record whether an individual had medical insurance coverage when his/her service record was closed. Enter a Code 0 or Code 1 in each of the following record positions. Use Code 0 if the individual had no medical coverage and Code 1 if the individual had that type of medical insurance coverage. Persons with no medical insurance coverage would be coded 0 for each type of medical insurance listed. Use Code * in the position if the information is not available for Closure Code 1 or the information is not available for all other closure codes due to circumstances beyond the agency's control.

Record Position: 195

Private Insurance Through own Employment

Record Position: 196

Private Insurance Through other Means

Record Position: 197

36. Type of Closure

Record Position: 198

Enter a one-digit code from the following list to indicate when in the VR process an individual exited the program:

- 1 Exited as an applicant (Line D7 on RSA-113)
- 2 Exited during or after a trial work experience/extended evaluation (Line D6 on RSA-113)
- 3 Exited with an employment outcome (Line D1 on RSA-113)
- 4 Exited without an employment outcome, after receiving services (Line D2 on RSA-113)
- 5 Exited without an employment outcome, after a signed IPE, but before receiving services (Line D4 on RSA-113)
- 6 Exited from an order of selection waiting list (Line D5 on RSA-113)
- 7 Exited without an employment outcome, after eligibility, but before an IPE was signed (Line D3 on RSA-113)

Counts of each code 1 through 7 must equal comparable figures reported in Section D of the agency's 4th quarter RSA-113 (Quarterly Cumulative Caseload Report). Agencies may be required to resubmit data if there are discrepancies in closure counts between these two systems.

37. Reason for Closure

Record Positions: 199-200

Enter a two-digit code that identifies the reason for closing the service record of an individual. The code 00 applies only to cases with a code of 3 in item #36, type of closure. Codes of 01 or higher apply to all other types of closure, viz. 1, 2, 4, 5, 6, and 7. Fill in leading zero when it applies.

- 00 Achieved employment outcome (applicable only to closure type 3).
- 01 Unable to locate or contact
Use this code when the individual has moved without a forwarding address or is otherwise unavailable. Also use this code for persons who

have left the State and show no intentions of continuing in their VR program.

- 02 Disability too significant to benefit from VR services
Use this code to identify an individual whose mental or physical disability is so significant that the individual cannot benefit from VR services in terms of employment.
- 03 Refused Services or Further Services
Use this code for individuals who choose not to participate or continue in their VR program at this time.
- 04 Death
- 05 Individual in Institution
Use this code when an individual has entered an institution and will be unavailable to participate in a VR program for an indefinite or considerable period of time. An institution includes a hospital, a nursing home, a prison or jail, a treatment center, etc.
- 06 Transferred to another agency
Use this code when an individual needs services that are more appropriately obtained elsewhere. Transfer to the other agency indicates that appropriate referral information is forwarded to the other agency so that agency may provide services more effectively. Include individuals transferred to other State VR agencies.
- 07 Failure to cooperate
Use this code to indicate when an individual's actions (or non-actions) make it impossible to begin or continue a VR program. Failure to cooperate includes repeated failures to keep appointments for assessment, counseling, or other services.
- 08 No disabling condition
Use this code only for applicants who are not eligible for VR services because no physical or mental impairment exists, such as when the reported disability is an acute condition with no residual impairment, e.g., a broken bone that heals.
- 09 No impediment to employment
Use this code for applicants who are not eligible for VR services because their physical or mental impairment does not constitute a substantial impediment to employment.

- 10 Transportation not feasible or available
Use this code to indicate that the individual was unable to accept or maintain employment because suitable transportation was either not feasible or not available.

- 11 Does not require VR services
Use this code for applicants who do not require VR services to prepare for, enter into, engage in, or retain gainful employment consistent with their strengths, resources, priorities, concerns, abilities, capabilities, and informed choice.

- 12 Extended services not available
Use this code for individuals who would have benefited from the provision of supported employment services but for whom no source of extended services was available.

- 13 All other reasons
This code is used for all reasons not covered by Codes 01 to 12 or 14.

- 14 Extended employment
Use this code for individuals who received services and were placed in a non-integrated setting for a public or non-profit organization. See employment status code 2 for further information.

38. Date of Closure

Record the date (year, month, and day) when the individual's service record was closed by the State VR agency. Use the eight-digit date protocol.

38(a) Year of Closure
Record Positions: 201-204

38(b) Month of Closure
Record Positions: 205-206

38(c) Day of Closure
Record Positions: 207-208

39. Supported Employment Status
Record Position: 209

Enter a one-digit code to indicate (a) whether the individual's IPE specified an employment outcome/vocational goal in a supported employment setting and (b) if so, whether any supported employment services were charged to funds provided under Title

VI-B of the Act. Use code 1 or 2, as applicable, if, at any time during the VR process, supported employment was established as a goal for the individual in his/her IPE. Use one of the following codes:

- 0 Not supported employment
- 1 Supported employment with some Title VI-B funds expended
- 2 Supported employment but no Title VI-B funds expended
- * Closure Codes 1, 2, 6 and 7 or information is not available, for closure codes 3, 4 and 5, due to circumstances beyond the agency's control

NOTE: The term "supported employment" means competitive work in integrated work settings, or employment in integrated work settings, in which individuals are working toward competitive employment, for individuals with the most significant disabilities who require intensive supported employment services in order to perform such work.

40. Veteran Status
Record Position: 210

Enter a one-digit code to indicate if the individual had served in the active military, naval or air service, and was discharged or released under conditions other than dishonorable.

- 0 Not a veteran
- 1 Veteran
- * Information is not available for Closure Code 1 or information is not available for all other closure codes due to circumstances beyond the agency's control

41. Significant Disability
Record Position: 211

Enter a one-digit code to indicate whether the individual was considered an individual with a significant disability at any time during his/her VR program. An individual with a significant disability is an individual:

- a) who has a physical or mental impairment that seriously limits one or more functional capacities (such as mobility, communication, self-care, self-direction, interpersonal skills, work tolerance, or work skills) in terms of an employment outcome;
- b) whose VR can be expected to require multiple VR services over an extended period of time; and
- c) who has one or more physical or mental disabilities resulting from amputation, arthritis, autism, blindness, burn injury, cancer, cerebral palsy,

cystic fibrosis, deafness, head injury, heart disease, hemiplegia, hemophilia, respiratory or pulmonary dysfunction, mental retardation, mental illness, multiple sclerosis, muscular dystrophy, musculo-skeletal disorders, neurological disorders (including stroke and epilepsy), spinal cord conditions (including paraplegia and quadriplegia), sickle cell anemia, specific learning disability, end-stage renal disease, or another disability or combination of disabilities determined on the basis of an assessment for determining eligibility and VR needs to cause comparable substantial functional limitation.

- 0 No Significant Disability
- 1 Significant Disability
- * Information is not available for Closure Code 1

42. Migrant and Seasonal Farmworkers
Record Position: 212

Identify individuals who participated in a migrant or seasonal farm worker's project under Section 304 of the Act during their VR program.

- 0 Was not a migrant or seasonal farm worker during VR program
