<p>Other change** New enactment of HEOA/reauthorizing HEA of 1965, as amended: Performance Indicators changed slightly and GEAR UP program must add one additional question to the parent and student survey forms and ask some minor questions on scholarship funds and the completion of Free Application for Student Financial Aid (FAFSA). The additional questions are only structural changes for clarification purposes only. There will be no data change to the current APR application. Therefore, there is no increase in burden on the respondents. Also made two edit corrections in the Budget section heading and they are not data changes.</p>
