RENEWAL APPLICATION FOR SUPPORTIVE SERVICES GRANT

We are required to notify you that this information collection is in accordance with the clearance requirements of Section 3507 of the Paperwork Reduction Act of 1995. The public reporting burden for this collection of information is estimated to average 10 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the collection of information. Respondents should be aware that notwithstanding any other provision of law, no person will be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. This collection of information is intended to assist the SSVF Program Office to determine eligibility to receive renewal supportive services grants under the SSVF Program and to rate and rank these applications. Response to this application is voluntary and failure to participate will have no adverse effect on benefits to which you might otherwise be entitled.

Background: This form is to be completed by grantees applying for renewal of a supportive services grant. VA will use the collected information to evaluate and select recipients to renew their supportive services grants. Applicants may be asked to provide additional supporting evidence or to quantify details during the review process.

Definitions and SSVF Program Information: Definitions and SSVF Program information can be found in both the regulations (38 CFR Part 62) and the Notice of Fund Availability (NOFA) under which you are submitting this application. Both documents are posted on the SSVF Program web page (<http://www.va.gov/homeless/SSVF.asp>). Please note that to be eligible for a renewal grant under the SSVF Program, the applicant must have received a supportive services grant award in the previous fiscal year. See 38 CFR 62.2 and 38 CFR 62.11 for definitions of the terms contained throughout the application.

Instructions: Please answer the application questions in the space provided on each page of the form.

Submission: The application must be submitted in accordance with the NOFA. The NOFA specifies the number of copies and format in which the application must be submitted. Only timely and complete renewal applications will be considered for funding; applications will not be reviewed if incomplete. To be considered timely, the number of required copies of the renewal application must be received at the address and by the time and date specified in the NOFA. Applications received after that time and date will not be accepted even if postmarked by the deadline date. Following the renewal

application deadline, applicants will be notified that their applications have been received. To be considered complete, all items requested in this grant application must arrive as a single application package. Materials arriving separately will not be considered and may result in the application being rejected or not funded.

Documentation and Public Access Requirements: VA will ensure that documentation and other information regarding each application submitted are sufficient to indicate the basis upon which assistance was provided or denied. This material will be made available for public inspection for a five-year period beginning not less than 30 days after the grant award. Material will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552).

Warning: It is a crime to knowingly make false statements to a Federal agency. Penalties upon conviction can include a fine and imprisonment. For details see 18 U.S.C. 1001. Misrepresentation of material facts may also be the basis for denial of grant assistance by VA.

For Further Information: If you have any questions regarding the SSVF Program or this application, please contact the SSVF Program Office via e-mail at SSVF@va.gov or via phone at 1-877-737-0111 (this is a toll-free number).

Applicants must also provide (in Exhibit III) a detailed description of each of the line items contained in this budget and the underlying assumptions associated with each line item amount.

The one-year program budget must be completed in the Microsoft Excel template provided. Instructions on the use of this template are as follows:

 - *Title and Organization* – input the titles of all SSVF-funded personnel (e.g., Program Director, Case Manager, Employment Specialist, etc.) and the organization at which they are or will be employed (i.e., list applicant organization or team member organization name as applicable). Contact ssvf@va.gov if additional lines to the spreadsheet are necessary.
