## CPSC Survey of Nursery Products

How many people live in your household?

Include adults who think of this household as their primary place of residence. Include adults who usually stay in the household but are temporarily away on business, vacation, or in a hospital. For children under 6, please enter the month and year of birth.

## CPSC Survey of Nursery Products

Including yourself, please tell me the age and sex of everyone currently living in this household. Please do not include students living away at school. By knowing how many people are in the household, CPSC can compare the survey answers of all households of similar size and make-up. This will allow CPSC to better determine how baby products are used.

	AGE	SEX
Person 1	33	FEMALE
Person 2	4	MALE
Person 3	2
