**ASSIGNMENT OF LETTER OF AGENCY TO THE CALIFORNIA  
TELEHEALTH NETWORK**

In 2008, **[Name of Healthcare Provider]** signed a Letter of Agency authorizing the Regents of the University of California (“Regents”) to acts on its behalf before the Federal Communications Commission in matters related to its participation in the California Telehealth Network. Since that time, the California Telehealth Network has been incorporated as a 501(c)(3). The Regents and the California Telehealth Network have worked together to transfer the Regent’s responsibilities as the Lead Entity in the Rural Health Care Pilot Program project to the California Telehealth Network.

By this letter, **[Name of Healthcare Provider]** transfers the authorizations outlined in the Letter of Agency to the California Telehealth Network and its successors or assigns. This authorization is effective until the network build-out deadline as defined by the FCC.<sup>1</sup>
