**INSTRUCTIONS:** Prior to making any shipment of the following qualities of prunes, handlers are required to file a written application on form PMC 2.2 with the Committee for permission to make such shipment and receive the Committee's approval thereof form 2.3:

Quality of Prunes

NON-FRENCH prunes failing to meet size tolerances of § 993.150 (d). See below.

SUBSTANDARD prunes not within the maximum tolerances for the defects mold, imbedded dirt, insect infestation, and decay.

SUBSTANDARD prunes not within the maximum tolerances for the defects mold, imbedded dirt, insect infestation, and decay.

Permissible Uses

Any uses in which they lose form and character as prunes by conversion prior to consumption.

Same as above.

Nonhuman usage only--See § 993.108 for the definition of a "nonhuman consumption outlet."

Approval will not be granted for the pitting of substandard prunes. Application for the maceration of substandard prunes into a product wherein they lose their form and character as prunes by pitting or a process subsequent to pitting will be approved if they specify that such conversion will take place on the handler's premises. Such approvals will be subject to the surveillance of the inspector.

Non-French prunes failing to meet the size requirements of § 993.50(c) of the Marketing Order, as amended, are by definition, substandard prunes.

**AUTHORITY:** This report is required by law (7 U.S.C. 608 (d), 7CFR 993.49 (c), 7CFR 993.50 (c), (e), 7CFR 993.108, 993.149 (d), 993.150 (e)(1)(ii)).

**FAILURE TO REPORT** can result in a fine of not less than \$50.00 or more than \$5,000 for each such violation and each day during which such violation continues shall be deemed a separate violation.

This information is required to obtain authority from the Committee to dispose of substandard prunes and it will be used for that purpose.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number.
