Interview Cards

This set of cards is to be used during the interview with airport passengers. It will allow passengers to have the questions in front of them as they are answering.

Planes, Trains, and Auto-Mobility: An Innovative Approach to Increase Walking in the Atlanta Hartsfield-Jackson Airport

Interview Cards

Public reporting burden of this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0572).

The Atlanta Airport is supporting this CDC interview on how people move from place to place in the airport. We are asking you to take part in this interview because you are using the Atlanta Airport today.

We will enter your answers on this device [interviewer shows hand-held electronic device]. We will **not** ask for or put your name in the report or on the form. You may choose not to answer any question and for any reason. You may say that you want to pass on the question and we will just move on to the next one. You may also stop at any time.

You will get no direct benefit from being a part of this interview, but the results could be of future benefit to you or someone you know.
