<u>Screener/Parents of Teens (English)</u> <u>CDC "Parents are the Key" Toolkit Materials Evaluation</u> 10-MINUTE ASSESSMENT TO RECRUIT FOR ONLINE FOCUS GROUPS

(INTRO) We would like to invite you to participate in an online group discussion, also called a focus group, [INSERT DATE]. The group session will last for approximately 90 minutes and will be conducted in English.

The session is being sponsored by the Centers for Disease Control and Prevention and is focused on a communications campaign about safe teen driving. The campaign highlights the message that motor vehicle crashes are the leading cause of death among teens, but there are proven steps that parents can take to help keep teens safer on the road.

To express our appreciation for assisting us with your insights, we will offer a gift for participation of \$30 in equivalent reward points. But, first I'd like to ask you a few questions for background information to see if you qualify for this project. [TYPE: Static]
