CCIP Title:			
Provide a brief summ outcomes.	ary of the CCIP to includ	le the specific clinic	al foci and expected

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1023. The time required to complete this information is estimated to average 5 hours per response. If you have comments concerning the accuracy of the time estimate or suggestions for improving this form, please write to: CMS 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Baltimore, Maryland 21244-1580.

### **PLAN**

#### A. Basis for selection

Describe the basis for selecting the specific chronic condition for the CCIP with anticipated or desired measurable outcomes.

A1. Disease State ICD-9 code(s)	A2. Rationale for Selection	A3. Relevance to the Plan Population	A4. Anticipated Outcomes

#### A5. Data Source(s) for Selected Chronic Condition (check all that apply):

Medical RecordsClaims (Medical, Pharmacy, Laboratory)Appointment DataPlan Data (complaints, appeals, customer service)Health Risk Assessment (HRA) ToolsSurveys (enrollee, beneficiary satisfaction, other)Minimum Data Set (MDS) – Institutional SNP	MAO Part C Reporting RequirementsEncounter DataAudit FindingsHealth Effectiveness Data Information Set (HEDIS®)Health Outcomes Survey (HOS)Consumer Assessment of Healthcare Providers and Systems (CAHPS®)Registries (e.g., cancer, COPD)Other Sources
B. Program Design  B1. Population Identification Process:  B1a. Describe the Target Population	
B1b. Method of identifying members:	(drop down box)
Health risk assessmen Claims Data (Medical, Encounter Data Enrollment Data Utilization Managemen Case Management Re Surveys Registry	Pharmacy, Laboratory)  nt Data

B1c. Risk Stratification: (patient acuity level)HighMediumLow
B1d. Enrollment Method:Opt inOpt out
Opt in – Member must ask for inclusion in program.
Opt out – Member automatically included in program and must ask to be excluded
<b>B2. Evidence Based Medicine:</b> (Provide current clinical practice guidelines and evidence-based treatment modalities, standards of care, evidence-based best practices, etc.)
<b>B3. Care Coordination Approach:</b> (Describe the model, e.g., integration, collaboration, community resources, and communication among team members including provider, patient, and CCIP team members.)
B4. Education: (Describe the method of education and the topics covered e.g., diabetes

Re- measurement Period #4							

## **ACT**

**G. Next Steps:** Identify the next steps based on the evaluation of the CCIP for this cycle, whether the goals were met or not met. (Check all that apply.)

<b>Action Plan</b>	(drop down	box):
--------------------	------------	-------

n Plan (drop down box)	:	
G1 Continue the	program with no change(s	s).
G2 Continue the	program with change(s).	
Describe the planned	change(s):	
G3 Develop a Qu	• •	t (QIP) to study one or more
Describe the QIP:		
G4 Discontinue t	the program.	
Reason for discontinu	uation:	
	and change the goal or be	nchmark selected.
New Goal or Benchm	ark:	
G6 Expand the p	orogram.	
Expansion plans:	Expected outcome:	Proposed timeline:
G7 Identify addit	ional Interventions.	
New intervention:	Expected Outcome:	Proposed timeline:
G8 Re-evaluate of	data and criteria.	
Describe changes to	data and criteria:	
G9 Other
