 On-Line Data Collection

You may change your password, correct contact information, and choose other system defaults to individually customize OLDC. Officials can make OLDC changes such as sharing permissions with others within your organization and address corrections.

NOTE: These screenshots are intended to provide a sense of the navigation and feel of an online data collection system. This tool is still in development, and does not always reflect current programmatic decisions about what data to collect and how. When these screenshots conflict with the Data Element Spreadsheet and other elements of this Information Collection Request, the Spreadsheet supersedes.

The screenshot displays the On-Line Data Collection (OLDC) web application interface. At the top, the header includes the OLDC logo, the text "On-Line Data Collection", and the U.S. Department of Health & Human Services logo. Below the logo, it reads "Administration for Children & Families" and lists "Mike Leavitt, Secretary" and "Daniel Schneider, Acting Asst. Secretary". The user information section shows "Name: Demo User" and "Last Login: 07/17/11 06:29:33 PM". There are links for "Help / FAQ" and "End OLDC".

The main content area is titled "Program & Grantee Selection". It instructs users to use drop-down lists to make selections, noting that steps must be completed in order. The interface shows three steps:

- Step 1: **Program Name:** Health Insurance Exchange Establishment
- Step 2: **Grantee Name:** AL [1 636000619 A6] (1999-2011) Alabama - No. 1
- Step 3: **Report Name:** Demonstrations (CCIO SF-PPR-B)

An "Enter" button is located below the third step. The footer contains links for "Web Accessibility", "Privacy and Security Notice", "Freedom of Information Act", and "Disclaimers". On the right side of the footer, it reads "HHS | ACF", "OLDC Version 3.2.9", and "05/20/2011".
