

# iAppeals Screen Package

October 06, 2011

## General Notes

The design goals of this release were:

- Reduce sign-in/re-entry errors
- Improve and streamline language throughout iAppeals application
- Reduce number of pages presented in the iAppeals application (e.g., information may now be behind “links” and not displayed on the page)
- Re-design the iAppeals and Disability Report landing pages in an effort to move to the similar look and feel of our newer eService applications
- Add a link to a checklist of information and documents the user may need before starting the application
- Add a link for a new iAppeals introductory video
- Add a link to the “Special Instructions for Blind Users” to the landing page
- Modify the focus of the “Enter” button
- Re-label and move the “Sign Off” button
- Consider re-labeling the “Continue” button

Due to the extremely short timeframe for this project, the scope of the language changes was strictly limited to expository verbiage. Throughout the entire application (covering the 501, 561, and 3441), no changes of any kind were made to user input fields, to field labels, or to questions being presented to the users (in other words, nothing within the alternating color bands depicting data requested from users).

## Global Changes

While the scope of this release allows for only incremental changes, we are proposing some small changes to bring iAppeals more closely into alignment with iClaim and the i3368. To that end, the following changes are proposed:

- “Continue” button renamed to “Next”
- “Sign Off” button (beginning on page [ap011](#) and continuing through page [rs003](#)):
  - renamed to “Sign Off (finish later)”
  - moved (from top left corner to bottom left corner)
- “Send” button (501/561 Request on page [ap010](#) and 3441 Report on page [rs003](#)) renamed to “Submit”
- “Finished” button renamed to “Finish”
- Removed bold from all buttons throughout the application
- In footer, replaced “How to Move Around This Report” with “Tips for Using this Website” (new name for msg022)

## Deleted Pages

The language changes proposed for this release render the following pages obsolete:

Screen Number	Screen Name
ap002	About this Internet Appeal Process
ap006hr	About the Request for Hearing by Administrative Law Judge
ap006rc	About the Request for Reconsideration
ap007	How this Internet appeal request works
ee004	How the online Appeal Disability Report works
ay012	About you: end of part 1
mh001	Medical history: introduction
mh021	Medical history: summary
mh022	Medical history: end of part 2
rs006	Review and send: print your medical release form
rs009	Confirmation

Screen Number	Screen Name
msg023	How the online Disability Report works
msg041	About your notice and claim numbers
msg004	Internet security policy

Changes to the language also affect the path of the application. The following pages will change from being pages within the path to become pop-up pages referenced by their respective links on screen rs004 Confirmation and printing:

Former Number	Former Name	New Number	New Name
rs005	Print the cover sheet	msg081	Cover sheet
rs008	Print the Questionnaire for Children Claiming SSI Benefits	msg082	(no change)

### ***Dynamic Behavior***

The iAppeals application handles appeals both for the Reconsideration and Hearing phases of a claim. When a claimant with a denial on file complete and submits page ap005 Claimant information, the system determines which phase the claim is in and displays pages from the appropriate path. This screen package includes both the Reconsideration and Hearing versions of affected screens, denoted as either “rc” or “hr” added to the screen number (e.g., ap008rc and ap008hr).

At the end of the 3441, the user is presented with a confirmation page with a link to his receipt and a list of links to documents that are needed based upon his specific case. (The list is repeated in his customized cover sheet.) Four links are always displayed; three more may be displayed based on the user’s specific case.

Always display:

- Receipt for disability appeal report
- Cover sheet
- SSA-827 Medical Release Form (Authorization to Disclose Information to the Social Security Administration)
- instructions (*for completing the medical release form*)

Display, if:

Form Number and Title	Based on page	Condition
SSA-1696 Appointment of Representative	ap008rc, ap008hr	Question “Do you currently have a representative?” answered <b>Yes</b>
HA-4608 Waiver of Your Right to Personal Appearance before ALJ	ap008hr	Question “Do you wish to appear at the hearing?” answered <b>No</b>
SSA-3881 Questionnaire for Children Claiming SSI Benefits	ap005	Claimant age < 18 years(calculated from date of birth)

However, if a user loses his reentry number before completing the 3441 and begins a new report, the system can no longer present a customized list. In that situation, the system would present the all possible forms the user may need. [See rs004 Confirmation and printing (Longest possible version) and msg081 Cover sheet (Longest possible version).]

If a user loses his reentry number before completing the 3441 and begins a new report, the system can no longer present a customized list and would instead present the all possible forms the user may need.

## Tips for using this website

### Saving and Printing

- Your answers are saved automatically when you select "Next" to move to the next page.
- If you need to complete your appeal later, you can select "Sign-Off" after you receive your reentry number. When you return, you can continue where you left off.
- Before you submit the report, you will see a summary page. You can print the summary page for your records.
- If you want a copy of all of your answers on each page, you will need to print or save each page.

### Time Limits

There are time limits for each page. You will receive a warning after 25 minutes. You can extend your time on the page by selecting "OK." After the third warning on a page, you must leave the page or your time will run out, and your work on that page will be lost.

If you have turned JavaScript off in your browser, you will not receive these warnings and, after 30 minutes on a page, your disability report session will end and your work on the last page will be lost. To avoid this, you must go to another page of the disability report within 30 minutes.

### Navigation

- Items marked with an asterisk (\*) are required.
- To move forward within the appeal, use the "Next" button at the bottom of the page. **Do not use the "Enter" key to move around or to select from the drop down lists.**
- To move backward through the appeal, use the "Previous" button at the bottom of the page. **Do not use the "Back" button on your browser.**
- To leave the report portion of your appeal, use the "Sign Off (finish later)" button at the bottom left of the page. **Do not close your browser or use the "X" button to leave your report.**
- After you complete a page, some answers are protected and cannot be changed by going back to that page. To make changes to a protected answer, continue moving forward. You will be able to change your answer when you reach a summary page.
- Summary pages have edit buttons for each page you have worked on. Use the edit button to change your answers on that page.

### Other ways to complete a disability appeal

If you prefer not to complete an appeal request or a Disability Report on the Internet, you can use any of the following ways:

- Call our toll-free number, **1-800-772-1213**. Explain that you don't want to use the online appeal process but do want to appeal the decision made in your case. Representatives are available Monday through Friday from 7 AM to 7 PM. If you are deaf or hard of hearing, call our toll-free "TTY" number, **1-800-325-0778**.
- Contact your [local Social Security Office](#) and tell our representative that you want to appeal the decision made on your case.
- Refer to your denial notice to find out the kind of appeal you need to request. You can print the form you need from our [Forms Page](#). In addition to the appeal request form, you will need to print and complete a paper Appeal Disability Report (SSA-3441) and an Authorization to Disclose Information to SSA (SSA-827). After you print out and complete all three forms, you should mail or take them to your local Social Security Office. We will be able to take action more quickly if we receive all three forms at the same time.

**Note:** You must have Adobe Reader on your computer to read and print the forms. If you do not have a current version of Adobe Reader, use this link [to get a free copy of Adobe Reader](#).

If you live outside the United States, see [Service Around the World](#).
