

Multi-site Evaluation of the *In Community Spirit* Program

HIV Education, Awareness, and Lifestyle (HEAL) Survey—Prevention Education Survey Consent Form

Purpose of the Study

The Office on Women's Health (OWH) in the United States Department of Health and Human Services is studying the *In Community Spirit* Program. On behalf of OWH, ICF Macro is asking that you complete this survey. The survey includes a series of questions asking you about your awareness and knowledge of HIV and its prevention as well as lifestyle choices related to sexual health. The findings from the survey will inform OWH about the impact of the *In Community Spirit* Program on knowledge, awareness, and behaviors related to HIV and its prevention.

Description of Participation

You were asked to participate in this survey because of your participation in a prevention education curriculum at [insert organization name]. The survey consists of XX questions and should take approximately 15 minutes for you to complete.

Here are some things we want you to know about the survey prior to agreeing and consenting to participating:

Risks and Benefits

Completing this survey poses few, if any, risks to you. Questions may make you feel uncomfortable or cause you to feel emotional. You can choose not to answer any question for any reason. You may choose to stop the survey at any time or not answer a question, for whatever reason. Your participation will not result in any direct benefits to you. However, your input will be used to help inform HIV prevention programming with AI/AN women.
