WRANGELL ST. ELIAS NATIONAL PARK AND PRESERVE, ALASKA

Between January and December 2011

OMB Control Number: 1024 – NEW
Expiration Date: XX/XX/XXXX

This survey is used to estimate subsistence harvests and to describe community subsistence economies. We will publish a summary report, and send it to all households in your community. We will share the community information with the Alaska Department of Fish and Game, the U.S. Fish and Wildlife Service and the National Park Service. We work with the Federal Regional Advisory Councils and with local Fish and Game Advisory Committees to better manage subsistence, and to implement federal and state subsistence priorities.

We will NOT identify your household. We will NOT use this information for enforcement. Participation in this survey is voluntary. Even if you agree to be surveyed, you may stop at any time.

HEALTH IMPACT ASSESSMENTS

Now I am going to ask you some questions about the foods your family normally eats. The purpose of these questions is to identify the most commonly eaten subsistence foods and the foods you most commonly eat if you are not eating subsistence foods. We do not care if you harvest the foods, receive them from others or purchase them at the store, just what you most commonly eat.

In a normal week, how many times a day on average are subsistence foods such as salmon, non-salmon fish, moose, caribou, birds, etc. served in your household?

- None - don't use
less than 1 time per day
1 time per day
2 times per day
3 times per day
more than 3 times a day

Grid for frequency response

Please list the top five subsistence foods you eat in your household on a regular basis. Think about those foods that may not be important now but are important at other times of the year as well.

Five horizontal lines for listing top five subsistence foods

If you cannot get subsistence foods, what do you eat instead?

Two columns of four horizontal lines each for listing alternative foods

The questions on this page have been asked all over the United States to find out if Americans have enough to eat. We would like to know if people in your village have enough to eat. I am going to read you five statements about different food situations. Please tell me whether EACH statement was true for your household (HH) in the last 12 months.

Think about all your household's food, both subsistence and store-bought...

STATEMENT 1. We WORRIED that our household would not have ENOUGH FOOD.

In the last 12 months, was this OFTEN true, SOMETIMES true, or NEVER true for your household?..... [1] Often True HH2
 [2] Sometimes True
 [3] Never True

STATEMENT 2. The food we had JUST DID NOT LAST, and we could not get more.

In the last 12 months, was this OFTEN true, SOMETIMES true, or NEVER true for your household?..... [1] Often True HH3
 [2] Sometimes True
 [3] Never True

STATEMENT 3. We could not get the foods we wanted to eat because of a LACK OF RESOURCES.

By "lack of resources," we mean your household did NOT have what you needed to hunt, fish, gather, or buy food.

In the last 12 months, was this OFTEN true, SOMETIMES true, or NEVER true for your household?..... [1] Often True HH4
 [2] Sometimes True
 [3] Never True

Now, think just about your household's SUBSISTENCE food...

STATEMENT 4. The SUBSISTENCE food we had just did not last, and we could not get more.

In the last 12 months, was this ever true for your household?..... N Y ?

If YES, in which months did this happen?..... J F M A M J J A S O N D

Now, think just about your household's STORE-BOUGHT food...

STATEMENT 5. The STORE-BOUGHT food we had just did not last, and we could not get more.

In the last 12 months, was this ever true for your household?..... N Y ?

If YES, in which months did this happen?..... J F M A M J J A S O N D

If Statement 1, Statement 2, AND Statement 3 were NEVER TRUE, go to the next page.

If Statement 1, Statement 2, OR Statement 3 was SOMETIMES TRUE or OFTEN TRUE, continue on this page...

In the last 12 months, did you or other adults in your household ever CUT THE SIZE OF YOUR MEALS OR SKIP MEALS because the HH could not get the food that was needed?..... N Y ? AD1

If YES, how often did this happen?..... [1] Almost every month
 [2] Some months...
 [3] Only 1 or 2 months

In the last 12 months, did you or other adults in your household ever EAT LESS THAN YOU FELT YOU SHOULD because the HH could not get the food that was needed?..... N Y ? AD2

In the last 12 months, were adults in the HH ever HUNGRY BUT DID NOT EAT because there was not enough food?..... N Y ? AD3

In the last 12 months, did adults in the HH LOSE WEIGHT because there was not enough food?..... N Y ? AD4
