

Appendix D: Online Survey

Review of BLS Kids' Activities Exit this survey

Welcome

Thank you for taking the time to review our classroom activities. Your feedback is important to insure that our activities are helpful and useful in your classroom.

Only BLS team members involved in this project will have access to your responses. We will use your feedback only for revising our classroom activities.

Your participation in this survey is voluntary. You may decline to answer any question. We estimate that it will take you 15-30 minutes to review an activity. You may review one, some, or all of the activities.

We are collecting this information under OMB Number 1220-0141. Without this currently-approved number, we could not conduct this survey. (Expiration: February 28, 2015)

Please note that this survey is being administered by SurveyMonkey.com and resides on a server outside of the BLS domain. The BLS cannot guarantee the protection of survey responses and advises against the inclusion of sensitive personal information in any response.

Thank You

Thank you for reviewing our activities. We have just a few more questions for you about the activities in general.

We are interested in finding examples of good lesson plans or other similar activities. If you are aware of sources that we could reference, either printed or online, please list them below.

We would like to share this activity with the largest audience possible once it is published. Please list the names of organizations or websites that would help us reach the greatest number of educators.

And finally, please share any last comments you have about the activities or the survey.
