Welcome to J Visa Waiver Online!

Certain exchange visitors are subject to the two-year foreign residence requirement of Section 212(e) of the Immigration and Nationality Act. This web site allows exchange visitors desiring a waiver of 212(e) to reserve a case number and begin the paperwork for their request to the Department of State Waiver Review Division for a waiver recommendation. The exchange visitor or representative controls the data entry to ensure an error-free submission. J Visa Waiver Online creates a bar-coded document that will facilitate processing by the Waiver Review Division. As a result, processing times will be reduced. Those exchange visitors with case numbers can submit changes to their contact information or check the status of their case file.

IMPORTANT: It is not currently possible to "submit" the data electronically, or to pay any fees online. All documentation and fees must continue to be mailed to the Department of State.

Notice: Effective December 1, 2008 submissions of the downloaded form DS-3035 will no longer be accepted.

What would you like to do?

Introduction > EV Information > Required Information > Packet Assembly Waiver Recommendation

J-1 Waiver Recommendation Process

This web site allows a J-1 exchange visitor ("EV") to begin the process of requesting a waiver of the two-year home residency requirement. Here is how the online process works:

1. Type the exchange visitor's personal data into the J-1 Visa Waiver Review Application, an online version of Form DS-3035.
2. Choose a basis on which he or she is applying for the waiver, such as "no objection".
3. The system will reserve a case number for the applicant. If the applicant already has a case number, please enter it on the Exchange Visitor Information page.
4. Generate document packet(s) and bar coded cover sheet(s).
5. Follow the mailing instructions at the end of the waiver application process.

Before you begin the process, please ensure that you have the following documentation readily available.

Each document listed below contains information that you will need in order to complete the application.

- Any passport of the exchange visitor containing his/her U.S. visas
- Legible copies of all DS-2019 or IAP-86 forms
- Notice of Entry of Appearance as Attorney or Representative (G-28) (if applicable)
- Names and dates of birth of any J-2 dependents (spouse or children) and/or the EV's J-1 spouse (if applicable)
- I-94 Departure Record card (if still in the U.S.)
- Alien Registration "A" Number (if applicable)

IMPORTANT NOTICE: You will have 60 minutes to complete each application page, at which point the session will automatically end. It is recommended that you complete explanatory answers in a Word or text document first to allow yourself more time. You will be able to cut and paste from the Word or text document into the application.

Note: Submitting inaccurate or incomplete information slows processing times.
