Enrollment to Participate in the U.S. Department of Education’s Student Aid Internet Gateway (SAIG)

The *Student Aid Internet Gateway (SAIG)* was established to allow a variety of entities that participate in the Title IV, HEA programs to exchange data electronically with the *U. S. Department of Education (ED, Department)*. In order to participate in the SAIG, each entity must enroll for access. The enrollment process will enable you to establish your Organization with services to receive, submit, view and update student financial aid data online and by batch using *EDconnect* or *TDClient* software.

Each entity has an individual designated as the *Primary Destination Point Administrator (Primary DPA)*. Each entity also is provided with a Primary Destination Point (which is identified by a *TG Number/Mailbox*). The Primary DPA is the only person within the organization who may enroll other staff as *Non-Primary DPAs* with *Destination Points* assigned for specific SAIG services. Upon completing the enrollment process, the Primary DPA can add or remove users, edit information about the entity, or change the entity’s enrollment in various SAIG services.

As required for eligibility to access *Federal Student Aid Systems*, the Primary DPA must validate the individuals enrolled for SAIG Mailbox and online services for your organization on a schedule determined by ED. If validation is not completed via the SAIG Enrollment Web site within the prescribed timeframe, all services assigned to the organization and individuals could be permanently deactivated.

Notes About This Document

“We” and “us” refer to the U.S. Department of Education (ED, Department). “You” and “your” refer to the Primary DPA of the state scholarship and grant agency applying to participate in ED’s Student Aid Internet Gateway, referred to as the SAIG.

The first usage of a term in this document is *italicized* and can be found in the glossary at the end of this form. This glossary will assist you in understanding many technical terms and acronyms commonly used in the Title IV, HEA student financial aid programs.

Available Services For State Scholarship and Grant Agencies

By completing this application, you will be enrolling an individual as the Primary Destination Point Administrator (Primary DPA) who will be responsible for the administration of services assigned to the State scholarship and grant agency's primary Destination Point (which is identified by a TG Number/Mailbox). Enrollment is designed to secure the integrity of data that is exchanged between you and the Federal Student Aid systems accessed over the SAIG or online. These systems include the *Central Processing System (CPS)* and the *National Student Loan Data System (NSLDS)*.

State scholarship and grant agencies receive processed applicant data from the CPS. You may receive data for *residents* (those who indicate your state as their state of legal residence) and/or *non-residents* (those who indicate an institution that is within your state but do not indicate your state as their state of legal residence). You may also receive data for individual students who do not meet either of these two conditions, as long as you maintain signed forms whereby the students release their data to you.

The services that state scholarship and grant agencies can access over the SAIG are:

- Automatic Electronic *Institutional Student Information Record (ISIR)* processing: With this option, ISIRs are automatically transmitted to you when students submit applications and corrections. The ISIR contains information submitted by the student, as well as, CPS processing results. If a student does not release data to your state, only certain demographic and processing result fields are provided on the ISIR you receive.
- The *ISIR Datamart Request* process: This service allows any agency to electronically request a processed record for any student on the CPS database through FAA Access to CPS Online. If the student is not a resident of your state or attending an institution in your state, the student must have submitted a substantially completed and signed loan or state grant application that releases CPS data to you. You must maintain the signed application.
- You may also request online access to NSLDS to view Title IV, HEA loan, grant, and enrollment history necessary to perform state scholarship and grant agency functions.

How the Enrollment Process Works

When the Primary DPA enrolls a Non-Primary DPA, for a Destination Point, a "TG" number will be assigned that identifies the new Non-Primary DPA's Destination Point (Mailbox) in the SAIG. The TG number will be sent to the new Non-Primary DPA upon successful processing of the enrollment form.

Only one Destination Point (TG Number/Mailbox) can be established to exchange data available from the CPS. The Primary DPA will determine the EDconnect and TDClient users who are allowed access to that Destination Point (TG Number/Mailbox). The Primary DPA must enforce the security requirements as outlined in the Federal Student Aid User Statement (see Attachment B). The organization's President/CEO, the equivalent, or designee must certify that the Primary DPA has developed secure procedures in compliance with the security requirements for permitting other people to use his or her Destination Point (TG Number/Mailbox) (see Step Five). The Primary DPA also must complete a Federal Student Aid User Statement for each user that is assigned a User ID within the EDconnect and TDClient software, which is used to connect to the SAIG.

An unlimited number of Destination Points may be established for your organization for view-only access to NSLDS Online. Each user that enrolls for NSLDS Online access is the Non-Primary DPA for his or her own mailbox. That mailbox is in turn associated with the Primary DPA of your organization. Only the Primary DPA can add or remove users through the enrollment process.

To complete the SAIG enrollment application, you will need the following information:

- Currently enrolled organizations will need their existing Primary Destination Point (TG Number/Mailbox) and the name of the Primary DPA. An FSA User ID and password are required to access enrollment information. To obtain an FSA User ID, go to <https://fsawebenroll.ed.gov/PMEnroll/PMAccountServlet.jrun>, provide identifying information,

and follow the remaining registration steps. Once you have completed the registration process, including establishing your password, your FSA User ID will be e-mailed to you.

- All entities will need the name, address, *Social Security Number (SSN)*, date of birth, and mother's maiden name for each DPA.

Once we receive all necessary signatures, we will process your enrollment. If your enrollment was for a new TG number, we will send your SAIG TG number to you. If your enrollment was for NSLDS Online and access is granted, the User ID will be sent to you from NSLDS.

Note: If you want to cancel the enrollment of any DPAs, send a letter on organization letterhead identifying the TG numbers that you want cancelled. The letter should be mailed to CPS/SAIG Technical Support, 2450 Oakdale Blvd., Coralville, IA 52241. You may also cancel online at <https://fsawebenroll.ed.gov>.

Instructions for Completing Enrollment

Step One – must be completed by all applicants

Step One collects information about your organization and the DPA you want to enroll or for whom you are changing or adding information.

1. This enrollment form can be used for multiple purposes. As the Primary DPA, you may use the enrollment form to enroll new participants in the SAIG and you can also use the enrollment form to change or to add information about an existing DPA or Destination Point (TG Number/Mailbox).
 - A. Check Box A for “initial application” if you are a first-time participant and your organization does not have a TG number.
 - B. Check Box B to “add a new user” if your organization is enrolled in the SAIG and you want to add a Destination Point (TG Number/Mailbox).
 - C. Check Box C to “change information for existing Destination Point/Mailbox” if your organization is enrolled in the SAIG and you want to change or add any information about an existing Destination Point (TG Number/Mailbox). Fill in the information that has changed for any questions in Steps One and Two; and complete Steps Three, Four, and Five.

If you are uncertain of what to complete, call CPS/SAIG Technical Support at 1-800-330-5947. To reach a telecommunications device for the deaf (TDD/TTY), call 1-800-511-5806.

2. Provide the name of your organization, as you would like it to appear on all SAIG correspondence. (The limit is 40 characters, including letters and spaces.)
3. Confirm your type of organization.
4. As the Primary DPA, you must identify the DPA you want to enroll or for whom you are changing or adding information. All information must be provided for the DPA you wish to enroll for the organization you identified in Question 2. **Note: Do not use a group e-mail address.**

Step Two

In Step Two you will choose the services for which your institution requires enrollment.

5.
 - A. Check the boxes for the type of ISIR services you wish to receive.
 - B. Check the boxes for the award years this DPA should receive the applicant data.

- C. Choose the preferred delivery option for ISIRs if ISIRs are selected in Question 5-A. You can choose whether to receive ISIRs on a daily basis or by request. Daily receipt is the default ISIR delivery method. If you choose “by request,” you must request ISIRs from the ISIR Datamart. The ISIRs are then sent to your Destination Point (TG Number/Mailbox) through the SAIG. With either option, you can request a single ISIR or a specified group of ISIRs at any time.
6. If you would like NSLDS Online access to view Title IV, HEA loan, grant, and enrollment history, check the ‘Yes’ box, check the ‘NSLDS Online-View Only’ box, specify your state, and select all applicable job functions.

The original signature form must be attached to your completed enrollment form and submitted to **CPS/SAIG Technical Support, 2450 Oakdale Blvd., Coralville, Iowa 52241.**

A copy of each signed and dated statement must be maintained by your organization. Once we receive all necessary signatures from you, we will process your enrollment. If your enrollment was for a new TG Number, we will e-mail your SAIG TG Number/Mailbox to you.

Step Five – must be completed by all applicants

Step Five collects the required authorization from your organization to process the enrollment information for the DPA you have identified in Step One.

For each Destination Point (TG Number/Mailbox), the chief officer of the organization (President, CEO, equivalent person, or designee) who is legally authorized to execute the Agreement for and on behalf of the Agency must sign the Certification of the Legally Authorized Officer on behalf of the State Scholarship Agency statement.

Agency Participation Agreement

If you wish to receive electronic Institutional Student Information Record (ISIR) data, you must complete this Agreement and by doing so you agree to obtain a signed release of information from the student prior to requesting the application record from the Central Processing System (CPS).

Since many States have programs which provide financial assistance to students attending institutions of higher education, and applicants for Federal student financial assistance generally also apply for assistance under such State programs, the administration of such State programs would be greatly assisted if selected data received or generated by the U.S. Department of Education concerning applicants for Federal student aid were provided to the Agencies administering those programs.

The Secretary of Education is willing to assist States in the administration of their student aid programs by providing them selected data in accordance with relevant provisions of the Privacy Act (5 U.S.C. 552a) as long as such Agencies use that data for limited specified purposes and safeguard the confidentiality of the information provided.

Therefore, in order to facilitate the awarding of financial assistance to students attending institutions of higher education under State financial assistance programs, and to coordinate the awarding of such assistance with financial assistance provided by the Federal government under the Higher Education Amendments of 1992 (Pub. L. 102- 325), the Secretary of Education (hereinafter referred to as the Secretary) will agree to furnish in accordance with relevant provisions of the Privacy Act to

The data described in Paragraph 3 of this Article with respect to a given applicant will be furnished only upon the express written consent of that applicant. Prior to disseminating any records, the Secretary will make reasonable efforts to be assured that the records to be furnished are accurate, complete, timely, and relevant (5 U.S.C. 552(e) (6)).
2. The data that will be furnished by the Secretary for all applicants residing, or applying for assistance, in the State of _____, include: the name of the Federal student aid applicant and that applicant’s address, Social Security Number, date of birth, dependency status, year in school, the applicant’s Expected Family Contribution, and the Department of Education’s assigned institution number for the institution(s) of higher education which the applicant has indicated an interest in attending.
3. The data that will be furnished by the Secretary upon the expressed written request of those applicants residing, or applying for assistance, in the State of _____ include all the information contained in the “*Free Application for Federal Student Aid*” (FAFSA).

Article II

1. The Agency may use the data furnished to it under this Agreement only with regard to the administration of a State’s and the Federal government’s programs of financial assistance to students in institutions of higher education.
2. The Agency shall take all steps necessary to safeguard the confidentiality of the data received. The Agency may provide access and may release such data only to those personnel of the Agency who are specifically authorized by the Agency to receive and review that data in connection with the application for and receipt of financial aid for postsecondary education provided or administered by the Agency.
3. For purposes of this Agreement, “administration” includes calculation of State student financial aid awards, research necessary for the proper administration of the State program, and verification of data provided by the applicant on State student aid applications. The Agency may, however, release to the public statistical summary data obtained from the information furnished by the Secretary, provided that the identity of individual Federal student aid applicants cannot be ascertained from such summary data.
4. The Agency agrees to comply with all provisions of the Higher Education Act of 1965, as amended.

Article III

1. This Agreement shall remain in force until terminated by the Agency or the Secretary. The expiration of this Agreement shall not, however, affect the obligations incurred by the Agency under this Agreement.
2. If the Secretary finds that there has been a failure to comply with this Agreement, the Agency shall, upon the request of the Secretary, return all the data under this Agreement and copies made of such data. Furthermore, the Secretary may terminate this Agreement or take such other action as may be necessary and appropriate to protect the interest of the United States and the Title IV, HEA Federal student aid applicants.

Step Four: Responsibilities of the Primary and Non-Primary Destination Point Administrators

Each Destination Point Administrator (DPA) must read, sign, and submit this statement (with original signatures) and must keep a copy for the organization's records.

1. Responsibilities of the Primary Destination Point Administrator (Primary DPA) and the Non-Primary DPA:

- Must ensure that SAIG computing resources are used only for official government business.
- Must ensure that a substantially established relationship with the applicant is in place (e.g., the applicant is a resident of the state, has applied for admission to an institution in that state, or the applicant has provided written permission to the state) before accessing Federal Student Aid systems to obtain privacy protected information about the student.
- Must maintain a profile within the EDconnect software unless the organization uses TDClient. (See the EDconnect Help Text for instructions on how to create and maintain these profiles. See Attachment B of the SAIG Enrollment Form for the User Statement.)
- Only the DPA listed in Step One, Question 4, page 6 is permitted to sign up and use the National Student Loan Data System (NSLDS) as indicated in Question 6, page 7.

- By applying for access to Federal Student Aid systems, must consent to monitoring, recording, and auditing, and acknowledge that information gained in this manner may be disclosed by the Department to an appropriate third-party (e.g., law enforcement personnel).
- Must ensure that all Federal Student Aid applicant information is protected from access by or disclosure to unauthorized personnel. In the event of an unauthorized disclosure or breach of applicant information or other sensitive information (such as personally identifiable information), the DPA must notify Federal Student Aid immediately.
- Must ensure that password sharing, the sharing of system access, and the use of any tools that allow access to the SAIG are strictly prohibited. (These tools are called "authenticators.")
- Must ensure that access is provided only to systems, networks, data, control information, and software for which the DPA is authorized.
- Must ensure that procedures for sanitizing stored information are followed (e.g., overwriting disks that contain sensitive information before reuse).
- The Non-Primary (DPA) must inform the organization's Primary DPA when access to a Federal Student Aid system is no longer required (i.e. the individual is leaving a position or his or her job responsibilities have changed).

2. Additional Requirements of the Primary Destination Point Administrator (Primary DPA):

- Must ensure that all users, whether DPAs or other authorized users, are aware of and are in compliance with all of the requirements of a DPA.
- Must maintain copies of all SAIG enrollment documents submitted to the Department, including the signed "Responsibilities of the Primary and Non-Primary Destination Point Administrators" form for all DPA's and the certification signed by the organization's CEO.
- Must maintain a signed User Statement (see Attachment B) for anyone who is not a DPA but has access to Federal Student Aid systems, including by batch or online.
- Must review SAIG user reports provided by the Department to update user access rights.

The Primary DPA must immediately deactivate or delete user access rights for organization employees who no longer require access.

Award Year. July 1 of one year through June 30 of the next year. For the Grant Services (Pell, Iraq Afghanistan Service Grant, ACG, SMART, and TEACH), and the electronic Campus-Based (eCB) Programs systems, eligible students are paid out of funds designated for a particular award year.

Central Processing System (CPS). The CPS manages the application and eligibility determination portion of the federal student aid process. It gathers information from applicants via the *Free Application for Federal Student Aid (FAFSA)*, applies computerized edits and calculations to determine the student's eligibility, and communicates the results to the students, schools, state agencies, third-party servicers, and other federal computer systems.

Destination Point. An electronic mailbox that sends and receives financial aid data using the SAIG. Every Destination Point is administered by a Primary or Non-Primary Destination Point Administrator (DPA) and has an electronic mailbox number that begins with the letters "TG." (See *Destination Point Administrator.*)

Destination Point Administrator (DPA). An individual representing an organization involved in the administration of Title IV, HEA student financial aid programs (such as a postsecondary institution, Federal Family Education Loan Program (FFELP) Lender, FFELP Guaranty Agency or third-party servicer) that is enrolled in the SAIG and assigned a Destination Point. To enroll as a DPA, an organization's representative must complete and submit for processing the SAIG Enrollment Form to participate in the U.S. Department of Education's Student Aid Internet Gateway. The DPA is responsible for the SAIG users' access to Federal Student Aid systems, to ensure the data provided by these systems is protected according to the Privacy Act of 1974, as amended, as well as to ensure users do not inappropriately access records that are not associated with their organization. The Primary DPA is responsible for enrolling additional Non-Primary DPAs for specific SAIG services assigned to their Destination Points (TG Number/Mailboxes). Non-Primary DPAs are not allowed to make enrollment changes.

EDconnect. ED's telecommunications software that allows PC Windows users to send and receive data through the SAIG.

Electronic Services. Primary Destination Point Administrators (Primary DPAs) and their Secondary Destination Point Administrators (Secondary DPAs) for their organization may enroll users for FAA Access to CPS Online or EDconnect Entitlement Access. An FSA User ID and password are required to log in to both systems.

Federal Loan Servicer. An entity that services Title IV, HEA loans owned by the Department of Education (the Department). These loans include, but are not limited to, William D. Ford Federal Direct Loan (Direct Loan) Program loans and Federal Family Education Loan (FFEL) Purchased Loans, more simply referred to as federally-owned loans. Current listings of the Department's federal loan servicers, including each servicer's contact information, are available at the Loan Servicing Centers for Schools and Loan Servicer Centers for Students pages on the Information for Financial Aid Professionals (IFAP) Web site.

Federal Student Aid. The 1998 Reauthorization of the Higher Education Act (HEA) established a performance-based organization to administer the Federal Student Aid programs at the U.S. Department of Education. These programs include Federal Grant Services (Pell, TEACH and the Iraq and Afghanistan Service Grant), FFELP Stafford loans, Federal Direct Loans, FFELP and Direct PLUS loans, and the eCB Programs systems: Federal Work Study, Federal Perkins loans, and Federal Supplemental Educational Opportunity grants.

Free Application for Federal Student Aid (FAFSA). The application that the student must file to apply for aid from any Title IV, HEA program, including the Direct Loan and PLUS loan programs. Students can apply online by using FAFSA on the Web (<http://fafsa.ed.gov>). The FAFSA is also printed and distributed free of charge by the U.S. Department of Education.

Institutional Student Information Record (ISIR). The term ISIR refers to all processed student information records that are sent electronically to institutions by the Central Processing System (CPS). The ISIR contains all information reported on the Free Application for Federal Student Aid (FAFSA), key processing results, and National Student Loan Data System (NSLDS) financial aid history information.

ISIR Datamart Request. This is a function of FAA Access to CPS Online that Destination Point Administrators can use to request ISIRs from the CPS.

National Student Loan Data System (NSLDS). A national database of student loan-level information and selected grant recipient data for loans and grants disbursed under the Title IV, HEA programs.

Non-Primary Destination Point Administrator (Non-Primary DPA). The Primary DPA is responsible for enrolling additional Non-Primary DPAs for specific SAIG services assigned to their Destination Points (TG Number/Mailboxes). Non-Primary DPAs are not allowed to make enrollment changes.

Non-resident. Students who indicate an institution on their FAFSA that is not within the student's state of legal residence).

Primary Destination Point Administrator (Primary DPA). An individual who has been appointed by the organization as the responsible party for the enrollment of the organization's additional Non-Primary DPA's which result in the establishment of their SAIG Mailboxes and may include FAA Access Online use. The Primary DPA is responsible for the SAIG users' access to Federal Student Aid systems, to ensure the data provided by these systems is protected according to the Privacy Act of 1974, as amended, as well as to ensure users do not inappropriately access records that are not associated with their organization. Note: The Primary DPA is responsible for enrolling additional Non-Primary DPAs for specific SAIG services assigned to their Destination Points (TG Number/Mailboxes).

Resident. Students who indicate an institution on their FAFSA that is within the student's state of legal residence.

SAIG User. An individual allowed access to a Destination Point (TG Number/Mailbox) by the assigned Destination Point Administrator (DPA). A SAIG user must read and sign a Federal Student Aid User Statement that the Primary DPA must maintain.

Social Security Number (SSN). The number assigned to an individual by the Social Security Administration and used as the identifying number for many Federal purposes, including identifying student financial aid program administrators and applicants participating in the Title IV, HEA programs.

Student Aid Internet Gateway (SAIG). The SAIG links thousands of Destination Points across the United States, its territories, and certain ED-designated foreign countries to the Higher Education Act's Title IV, HEA student financial aid programs and delivery system. Organizations enroll individuals as DPAs in the SAIG. DPAs are assigned Destination Points (electronic mailboxes), for receiving and transmitting data for Federal Student Aid systems such as NSLDS and CPS. (See *Destination Point* and *Destination Point Administrator*.)

TDClient. ED's telecommunications software that allows Mainframe/Midrange users to send and receive data through the SAIG.

TG Number. A TG Number is the identifier for an electronic mailbox. It is a five-digit alphanumeric number, preceded by "TG."
