## WISH: Women in STEM High School Aerospace Scholars

### EXPLORE YOUR DREAM JOB.

NASA wants you to become the engineers, scientists, researchers and innovators of tomorrow. The WISH project offers a one-of-a-kind experience for female high school students like you to jump start your future and explore the possibilities of a Science, Technology, Engineering and Mathematics (STEM) related major or career.

### FIND YOUR DREAM JOB.

WISH wants female high school juniors from across the country to participate in our pilot project! Your adventure starts in Fall 2010 with an online community and culminates with a summer experience at NASA Johnson Space Center (JSC) in Summer 2011. Applicants need to be:

- U.S. citizens
- Female high school juniors
- Interested and excited about STEM
- Committed to a one-year relationship with JSC; and
- Have access to the Internet and email (at home, school or public library)

### CREATE YOUR DREAM JOB.

- Participate in an online community including chat sessions with subject matter experts
- Complete 10 online lessons covering past, present and future space exploration
- Research about leading female STEM professionals
- Attend the summer experience with selection based on application, participation in online activities and research, at no cost to you

### THE SUMMER EXPERIENCE.

- Collaborate with girls from across the country on a unique design project during the summer experience at JSC
- Work with female NASA JSC engineers and co-ops/interns on the project
- Present your mission to NASA personnel and community leaders

### START YOUR DREAM JOB HERE.

To participate in this NASA experience, email [JSC-NHAS@mail.nasa.gov](mailto:JSC-NHAS@mail.nasa.gov), or visit <http://www.nasa.gov/education/wish>

### Privacy Policy

This notice provides NASA's policy regarding the nature, purpose, use and sharing of any information collected via this Web site. The information you provide on a NASA Web site will be used only for its intended purpose. We will protect your information consistent with the principles of the Privacy Act, the e-Government act of 2002, the Federal Records Act, and as applicable, the Freedom of Information Act.

Submitting information is strictly voluntary. By doing so, you are giving NASA your permission to use the information for the intended purpose. If you do not want to give NASA permission to use your information, simply do not provide it. However, not providing certain information may result in NASA's inability to provide you with the information or services you desire.
