(750 words or less)

Please describe your career aspirations, extra-curricular activities, work experiences, volunteer work, honors, awards and hobbies.
(750 words or less)

How did you hear about the WISH project?

Optional Information Students are strongly encouraged to provide the information requested below. This information is collected for federal reporting purposes only and is not accessible to the project's selection panel.

Ethnicity:

Race:

Person With Disability: Yes No

Student Certification By applying to the WISH project, you are acknowledging the following:

- The responses submitted on this application are true, complete, and correct to the best of my knowledge and belief and are made in good faith. I understand that a knowing and willful false statement on this application will forfeit my participation in the WISH project.
- Personal responsibility for submission of required online assignments and a final project; adhering to the due dates posted on the website.
- All assignments, including the final project, will be completed using the honor system.
- Online assignments will be graded by certified teachers using the rubric(s) posted on the website.
- Students will be selected for the summer workshop experience based on the following criterion: completion of application by the deadline of Monday - February 28, 2011, Essay content, Recommendation letter, GPA/RANK, Completion, timeliness, and academic performance of all online assignments and the final project.
- Efforts will also be made to ensure geographic diversity of selected applicants.
- Should I be selected for the summer experience, I will be available July 31-August 5, 2011.
- If I participate, NASA representatives will contact me up to six years beyond my participation to learn of my college and career plans. This will be done via email, mail or phone. This information will be used to assist NASA in determining the impact of the project. Furthermore I understand my personally identifiable information will not be disclosed.

Parent/Legal Guardian Certification By your child applying to the WISH project, you are acknowledging the following:

- I give permission for my student to submit the WISH application and participate in the on-line community, and summer experience if selected.
- The submission of this application is voluntary and I have reviewed and approved my student's responses.
- The responses submitted on this application are true, complete, and correct to the best of my knowledge and belief and are made in good faith. I understand that a knowing and willful false statement on this application will forfeit my child's participation in the WISH project.
- My child is personally responsible for submission of required online assignments and final project; adhering to the due dates posted on the website.
- All assignments, including the final project, will be completed using the honor system.
- Online assignments will be graded by certified teachers using the rubric(s) posted on the website.
- Students will be selected for the summer workshop experience based on the following criterion: completion of application by the deadline of Monday - February 28, 2011, Essay content, Recommendation letter, GPA/RANK, Completion, timeliness, and academic performance of all online assignments and the final project.
- Efforts will also be made to ensure geographic diversity of selected applicants.
- Should my child be selected for the summer experience, student will be available July 31-August 5, 2011.
- If my student participates, NASA representatives will contact my student up to six years beyond her participation to learn of her college and career plans. This will be done via email, mail or phone. This information will be used to assist NASA in determining the impact of the project. Furthermore I understand her personally identifiable information will not be disclosed.

An email will be sent to the student and parent/legal guardian's emails confirming the student's application.

Please save your work as you go as your session will time out after 60 minutes of inactivity.
