

SMALL BUSINESS ACT

(b) Except as to agricultural enterprises as defined in section 18(b)(1) of this Act, the Administration also is empowered to the extent and in such amounts as provided in advance in appropriation Acts—

(1) (A) to make such loans (either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate or deferred (guaranteed) basis as the Administration may determine to be necessary or appropriate to repair, rehabilitate or replace property, real or personal, damaged or destroyed by or as a result of natural or other disasters;: Provided, That such damage or destruction is not compensated for by insurance or otherwise: And provided further, That the Administration may increase the amount of the loan by up to an additional 20 per centum of the aggregate costs of such damage or destruction (whether or not compensated for by insurance or otherwise) if it determines such increase to be necessary or appropriate in order to protect the damaged or destroyed property from possible future disasters by taking mitigating measures, including, but not limited to, construction of retaining walls and sea walls, grading and contouring land, relocating utilities and modifying structures;

(B) to refinance any mortgage or other lien against a totally destroyed or substantially damaged home or business concern: Provided, That no loan or guarantee shall be extended unless the Administration finds that (i) the applicant is not able to obtain credit elsewhere; (ii) such property is to be repaired, rehabilitated, or replaced; (iii) the amount refinanced shall not exceed the amount of physical loss sustained; and (iv) such amount shall be reduced to the extent such mortgage or lien is satisfied by insurance or otherwise; and

(C) during fiscal years 2000 through 2004, to establish a predisaster mitigation program to make such loans (either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate or deferred (guaranteed) basis), as the Administrator may determine to be necessary or appropriate, to enable small businesses to use mitigation techniques in support of a formal mitigation program established by the Federal Emergency Management Agency, except that no loan or guarantee may be extended to a small business under this subparagraph unless the Administration finds that the small business is otherwise unable to obtain credit for the purposes described in this subparagraph;

(2) to make such loans (either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate or deferred (guaranteed) basis as the Administration may determine to be necessary or appropriate) to any small business concern, private nonprofit organization or small agricultural cooperative located in an area affected by a disaster, (including drought), with respect to both farm-related and nonfarm-related small business concerns, if the Administration determines that the concern, the organization or the cooperative has suffered a substantial economic injury as a result of such disaster and if such disaster constitutes—

(A) a major disaster, as determined by the President under the Robert T. Stafford Disaster Relief and Emergency Assistance Act; or

SMALL BUSINESS ACT

(B) a natural disaster, as determined by the Secretary of Agriculture pursuant to the Consolidated Farmers Home Administration Act of 1961 (7 U.S.C. 1961); or

(C) a disaster, as determined by the Administrator of the Small Business Administration; or

(D) if no disaster declaration has been issued pursuant to subparagraph (A), (B), or (C), the Governor of a State in which a disaster has occurred may certify to the Small Business Administration that small business concerns, private nonprofit organizations or small agricultural cooperatives (1) have suffered economic injury as a result of such disaster, and (2) are in need of financial assistance which is not available on reasonable terms in the disaster stricken area. Not later than 30 days after the date of receipt of such certification by a Governor of a State, the Administration shall respond in writing to that Governor on its determination and the reasons therefore, and may then make such loans as would have been available under this paragraph if a disaster declaration had been issued.

Provided, That no loan or guarantee shall be extended pursuant to this paragraph (2) unless the Administration finds that the applicant is not able to obtain credit elsewhere.

(3) (A) In this paragraph—

(i) the term “essential employee” means an individual who is employed by a small business concern and whose managerial or technical expertise is critical to the successful day-to-day operations of that small business concern;

(ii) the term “period of military conflict” has the meaning given the term in subsection (n)(1); and

(iii) the term “substantial economic injury” means an economic harm to a business concern that results in the inability of the business concern—

(I) to meet its obligations as they mature;

(II) to pay its ordinary and necessary operating expenses; or

(III) to market, produce, or provide a product or service ordinarily marketed, produced, or provided by the business concern.

(B) The Administration may make such disaster loans (either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate or deferred basis) to assist a small business concern that has suffered or that is likely to suffer substantial economic injury as the result of an essential employee of such small business concern being ordered to active military duty during a period of military conflict.

SMALL BUSINESS ACT

(C) A small business concern described in subparagraph (B) shall be eligible to apply for assistance under this paragraph during the period beginning on the date on which the essential employee is ordered to active duty and ending on the date that is 1 year after the date on which such essential employee is discharged or released from active duty. The Administrator may, when appropriate (as determined by the Administrator), extend the ending date specified in the preceding sentence by not more than 1 year.

(D) Any loan or guarantee extended pursuant to this paragraph shall be made at the same interest rate as economic injury loans under paragraph (2).

(E) No loan may be made under this paragraph, either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate or deferred basis, if the total amount outstanding and committed to the borrower under this subsection would exceed \$1,500,000, unless such applicant constitutes, or have become due to changed circumstances, a major source of employment in its surrounding area, as determined by the Administration, in which case the Administration, in its discretion, may waive the \$1,500,000 limitation.

(F) For purposes of assistance under this paragraph, no declaration of a disaster area shall be required.

(G) (i) Notwithstanding any other provision of law, the Administrator make a loan under this paragraph of not more than \$50,000 without collateral.

(ii) The Administrator may defer payment of principal and interest on a loan described in clause (i) during the longer of—

(I) the 1-year period beginning on the date of the initial disbursement of the loan; and

(II) the period during which the relevant essential employee is on active duty.

(H) The Administrator shall give priority to any application for a loan under this paragraph and shall process and make a determination regarding such applications prior to processing or making a determination on other loan applications under this subsection, on a rolling basis.

(4) COORDINATION WITH FEMA.—

(A) IN GENERAL.—Notwithstanding any other provision of law, for any disaster declared under this subsection or major disaster (including any major disaster relating to which the Administrator declares eligibility for additional disaster assistance under paragraph (9)), the Administrator, in consultation with the Administrator of the Federal Emergency Management Agency, shall ensure, to the maximum extent practicable, that all application periods for disaster relief under this Act correspond with application deadlines

(B) cities and towns within the area of such declaration;

(C) loan application deadlines related to such disaster;

(D) all relevant contact information for victim services available through the Administration (including links to small business development center websites);

(E) links to relevant Federal and State disaster assistance websites, including links to websites providing information regarding assistance available from the Federal Emergency Management Agency;

(F) information on eligibility criteria for Administration loan programs, including where such applications can be found; and

(G) application materials that clearly state the function of the Administration as the Federal source of disaster loans for homeowners and renters.

(6) AUTHORITY FOR QUALIFIED PRIVATE CONTRACTORS.—

(A) DISASTER LOAN PROCESSING.—The Administrator may enter into an agreement with a qualified private contractor, as determined by the Administrator, to process loans under this subsection in the event of a major disaster (including any major disaster relating to which the Administrator declares eligibility for additional disaster assistance under paragraph (9)), under which the Administrator shall pay the contractor a fee for each loan processed.

(B) LOAN LOSS VERIFICATION SERVICES.—The Administrator may enter into an agreement with a qualified lender or loss verification professional, as determined by the Administrator, to verify losses for loans under this subsection in the event of a major disaster (including any major disaster relating to which the Administrator declares eligibility for additional disaster assistance under paragraph (9)), under which the Administrator shall pay the lender or verification professional a fee for each loan for which such lender or verification professional verifies losses.

(9) DECLARATION OF ELIGIBILITY FOR ADDITIONAL DISASTER ASSISTANCE.—

(A) IN GENERAL.—If the President declares a major disaster, the Administrator may declare eligibility for additional disaster assistance in accordance with this paragraph.

(B) THRESHOLD.—A major disaster for which the Administrator declares eligibility for additional disaster assistance under this paragraph shall—

(i) have resulted in extraordinary levels of casualties or damage or disruption severely affecting the population (including mass evacuations), infrastructure, environment, economy, national morale, or government functions in an area;

(ii) be comparable to the description of a catastrophic incident in the National Response Plan of the Administration, or any successor thereto, unless there is no successor to such plan, in which case this clause shall have no force or effect; and

(C) ADDITIONAL ECONOMIC INJURY DISASTER LOAN ASSISTANCE.—

(i) IN GENERAL.—If the Administrator declares eligibility for additional disaster assistance under this paragraph, the Administrator may make such loans under this subparagraph (either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate or deferred basis) as the Administrator determines appropriate to eligible small business concerns located anywhere in the United States.

SMALL BUSINESS ACT

(I) IN GENERAL.—If the Administrator determines that the average processing time for applications for disaster loans under this subparagraph relating to a specific major disaster is more than 15 days, the Administrator shall give priority to the processing of such applications submitted by eligible small business concerns located inside the disaster area, until the Administrator determines that the average processing time for such applications is not more than 15 days.

(II) SUSPENSION OF APPLICATIONS FROM OUTSIDE DISASTER AREA.—If the Administrator determines that the average processing time for applications for disaster loans under this subparagraph relating to a specific major disaster is more than 30 days, the Administrator shall suspend the processing of such applications submitted by eligible small business concerns located outside the disaster area, until the Administrator determines that the average processing time for such applications is not more than 15 days.

[THE FOLLOWING PARAGRAPHS PRECEDING SUBSECTION 7(c)  
APPLY TO THE ENTIRE SUBSECTION 7(b).]

No loan under this subsection, including renewals and extensions thereof, may be made for a period or periods exceeding thirty years: Provided, That the Administrator may consent to a suspension in the payment of principal and interest charges on, and to an extension in the maturity of, the Federal share of any loan under this subsection for a period not to exceed five years, if (A) the borrower under such loan is a homeowner or a small business concern, (B) the loan was made to enable (i) such homeowner to repair or replace his home, or (ii) such concern to repair or replace plant or equipment which was damaged or destroyed as the result of a disaster meeting the requirements of clause (A) or (B) of paragraph (2) of this subsection, and (C) the Administrator determines such action is necessary to avoid severe financial hardship: Provided further, That the provisions of paragraph (1) of subsection (d) of this section shall not be applicable to any such loan having a maturity in excess of twenty years. Notwithstanding the provisions of any other law, the interest rate on the Administration's share of any loan made under subsection (d), except as provided in subsection (d), shall not exceed the average annual interest rate on all interest-bearing obligations of the United States then forming a part of the public debt as computed at the end of the fiscal year next preceding the date of the loan and adjusted to the nearest one-eighth of 1 per centum plus one-quarter of 1 per centum: Provided, however, That the interest rate for loans made under paragraphs (1) and (2) hereof shall not exceed the rate of interest which is in effect at the time of the occurrence of the disaster. In agreements to participate in loans on a deferred basis under this subsection, such participation by the Administration shall not be in excess of 90 per centum of the balance of the loan outstanding at the time of disbursement. Notwithstanding any other provision of law, the interest rate on the Administration's share of any loan made pursuant to paragraph (1) of this subsection to repair or replace a primary residence and/or replace or repair damaged or destroyed personal property, less the amount of compensation by insurance or otherwise, with respect to a disaster occurring on or after July 1, 1976, and prior to October 1, 1978, shall be: 1 per centum on the amount of such loan not exceeding \$10,000, and 3 per centum on the amount of such loan over \$10,000 but not exceeding \$40,000. The interest rate on the Administration's share of the first \$250,000 of all other loans made pursuant to paragraph (1) of this subsection, with respect to a disaster occurring on or after July 1, 1976, and prior to October 1, 1978, shall be 3 per centum. All repayments of principal on the Administration's share of any loan made under the above provisions shall first be applied to reduce the principal sum of such loan which bears interest at the lower rates provided in this paragraph. The principal amount of any loan made pursuant to paragraph (1) in connection with a disaster which occurs on or after April 1, 1977, but prior to January 1, 1978, may be increased by such amount, but not more than \$2,000, as the Administration determines to be reasonable in light of the amount and nature of loss, damage, or injury sustained in order to finance the installation of insulation in the property which was lost, damaged, or injured, if the

SMALL BUSINESS ACT

uninsured, damaged portion of the property is 10 per centum or more of the market value of the property at the time of the disaster. Not later than June 1, 1978, the Administration shall prepare and transmit to the Select Committee on Small Business of the Senate, the Committee on Small Business of the House of Representatives, and the Committees of the Senate and House of Representatives having jurisdiction over measures relating to energy conservation, a report on its activities under this paragraph, including therein an evaluation of the effect of such activities on encouraging the installation of insulation in property which is repaired or replaced after a disaster which is subject to this paragraph, and its recommendations with respect to the continuation, modification, or termination of such activities.

In the administration of the disaster loan program under paragraphs (1) and (2) of this subsection, in the case of property loss or damage or injury resulting from a major disaster as determined by the President or a disaster as determined by the Administrator which occurs on or after January 1, 1971, and prior to July 1, 1973, the Small Business Administration, to the extent such loss or damage or injury is not compensated for by insurance or otherwise—

(A) may make any loan for repair, rehabilitation, or replacement of property damaged or destroyed without regard to whether the required financial assistance is otherwise available from private sources;

(B) may, in the case of the total destruction or substantial property damage of a home or business concern, refinance any mortgage or other liens outstanding against the destroyed or damaged property if such property is to be repaired, rehabilitated, or replaced, except that (1) in the case of a business concern, the amount refinanced shall not exceed the amount of the physical loss sustained, and (2) in the case of a home, the amount of each monthly payment of principal and interest on the loan after refinancing under this clause shall be not less than the amount of each such payment made prior to such refinancing;

(C) may, in the case of a loan made under clause (A) or a mortgage or other lien refinanced under clause (B) in connection with the destruction of, or substantial damage to, property owned and used as a residence by an individual who by reason of retirement, disability, or other similar circumstances relies for support on survivor, disability, or retirement benefits under a pension, insurance, or other program, consent to the suspension of the payments of the principal of that loan, mortgage, or lien during the lifetime of that individual and his spouse for so long as the Administration determines that making such payments would constitute a substantial hardship;

(D) shall, notwithstanding the provisions of any other law and upon presentation by the applicant of proof of loss or damage or injury and a bona fide estimate of cost of repair, rehabilitation, or replacement, cancel the principal of any loan made to cover a loss or damage or injury resulting from such disaster, except that—

(i) with respect to a loan made in connection with a disaster occurring on or after January 1, 1971, but prior to January 1, 1972, the total amount so canceled shall not exceed \$2,500, and the interest on the balance of the loan shall be at a rate of 3 per centum per annum; and

SMALL BUSINESS ACT

(ii) with respect to a loan made in connection with a disaster occurring on or after January 1, 1972, but prior to July 1, 1973, the total amount so canceled shall not exceed \$5,000, and the interest on the balance of the loan shall be at a rate of 1 per centum per annum.

With respect to any loan referred to in clause (D) which is outstanding on the date of enactment of this paragraph, the Administrator shall—

(i) make such change in the interest rate on the balance of such loan as is required under that clause effective as of such date of enactment; and

(ii) in applying the limitation set forth in that clause with respect to the total amount of such loan which may be canceled, consider as part of the amount so canceled any part of such loan which was previously canceled pursuant to section 231 of the Disaster Relief Act of 1970.

Whoever wrongfully misapplies the proceeds of a loan obtained under this subsection shall be civilly liable to the Administrator in an amount equal to one-and-one-half times the original principal amount of the loan.

(E) A State grant made on or prior to July 1, 1979, shall not be considered compensation for the purpose of applying the provisions of section 312(a) of the Disaster Relief and Emergency Assistance Act to a disaster loan under paragraph (1) or (2) of this subsection.
