This page has been left blank for double-sided copying.

Initial Interview

PROGRAMMER NOTES:

- THROUGHOUT, FOR QUESTIONS THAT HAVE A PARENTHESIS WITH SINGULAR AND PLURAL MODES OF ASKING THE QUESTION: IF HOUSEHOLD SIZE = 1 USE THE FIRST PART OF THE PARENTHESIS; IF HOUSEHOLD SIZE >1 USE THE SECOND PART OF THE PARENTHESIS
- WHEN A NAME IS REQUESTED (FIRST, LAST) THE FIELD INTERVIEWER SHOULD BE ABLE TO LEAVE EITHER FIELD BLANK IF THE RESPONDENT REFUSES TO PROVIDE EITHER PORTION OF THE NAME FIELD.
- IF Q2 = C OR ANYTIME THE RESPONDENT BREAKS OFF THE INTERVIEW (REFUSES TO CONTINUE) DISPLAY THE FOLLOWING NOTE:

I respect your decision not to take part in this study. For every household that chooses not to participate, we try to ask a few short questions that enable us to better understand food choices by comparing households that participate to households not participating. I remind you that we are required by law to use your information for statistical research only and to keep it confidential. [IF RESPONDENT AGREES, FILL OUT THE BACK PAGE ON THE SCREENER].

INTRODUCTION

ALL

- Q1a. DID THE HOUSEHOLD PROVIDE CONSENT FOR USE OF ADMINISTRATIVE DATA BY INITIALING THE SECOND PAGE OF THE CONSENT FORM?
- (1) YES
 - (0) NO

ALL

Q2. As I said earlier, taking part in this study is completely voluntary. We are required by law to use your information for statistical research only and to keep it confidential. The law prohibits us from giving anyone any information that may identify you or members of your household. You do not have to answer any questions that make you feel uncomfortable. There are no risks for participating but if you have any questions you can always call the telephone number on the brochure.

Now I'd like to ask you about the people living in your household, where you usually shop for food, and food programs you may participate in. Some of these questions will help me determine how many food books to give you for the study week, and some of the questions will be used by researchers to help them understand how households like yours acquire food. These questions will take about 30 minutes to answer.

May I begin?

- (A) YES, CONTINUE → CONTINUE TO <A_INTRO>
- (B) NO → GO TO APPOINTMENT SCREEN
- (C) DECLINES TO TAKE PART → TERMINATE STATUS: 220 (REFUSAL)

DO NOT ALLOW DK / REF IN Q2 RESPONSE OPTIONS FOR Q2.
