

Foreign Buyers' List Order Form

Foreign Buyers' Lists (FBL) are provided to U.S. firms interested in exporting their U.S. food and/or agricultural products. FAS' database contains the contact information of over 20,000 foreign importers or buyers of U.S. agricultural and food products located in over 80 countries. Each Foreign Buyers' List provides contact information for the foreign firm such as contact name, address, telephone, fax, email, and the type of product(s) imported.

FBL Requests are limited to 9 (nine) per order and are emailed to requestors. A list is defined as one country and one commodity. We do not provide country lists only. Please see the order form for an example.

All buyers in our database that meet the desired criteria will be provided.

Please Note: It is suggested that you research your markets prior to ordering a list. You can find market information at:

http://www.fas.usda.gov/agx/market_research/market_research.asp

*****All fields must be completed*****

FBL order form is available on-line at:
<http://www.fas.usda.gov/agexport/forbuy.html>

To order, please select the commodity and country from the attached list and legibly print or type the information in the space provided. (You may copy this order form if needed.)

Fax the completed order form to:
(202) 690-4374

Or email to: Sharon.Claggett@fas.usda.gov

Please Note: These lists are currently free of charge. However, we limit the number of lists to 9 (nine) lists every three months. Orders are processed within three days of receipt and returned by email.
