DoD Information Assurance Scholarship Program
Recruitment Student Assessment

Thank you for taking the time to provide feedback to the Defense-wide Information Assurance Program (DIAP) on your experiences with the DoD IA Scholarship Program (IASP). The purpose of this assessment is to measure the success of the IASP to date. Data compiled from your responses will be used to examine the program's strengths and weaknesses and to develop recommendations to drive improvement.

Please be objective in providing responses. Your feedback is completely anonymous and will only be shared in the aggregate.

If you have questions or comments about this survey or the IASP, please contact felicia.white.ctr@osd.mil.

Many thanks for your valuable input!
